

WELCOME BACK!

WHAT IS PAWS?

PAWS is a parent-teacher-volunteer group at Suntree Elementary that all current parents, guardians, teachers, and staff are encouraged to participate in. Our goal is to work together to enhance the educational experience for the students and provide support to our teachers. We will also plan fundraisers, sponsor school wide events, and connect families. Please join us in creating a joyful and inclusive space where we can uplift one another while supporting our school.
