### Class Placement for 2024-2025

Student Name: \_\_\_\_\_ Current Grade: \_\_\_\_\_  
 Current Teacher: \_\_\_\_\_ 2023-2024

### REQUESTS FOR SPECIFIC TEACHERS WILL NOT BE ACCEPTED.

We are pleased to receive your input about your child regarding placement for next school year. We will also consider input from the current classroom teacher, activity teachers, counselor, exceptional education teachers, and the administration to determine the best placement for your child.

Much time and consideration is given to each student's individual needs as well as the structure of the classroom for the best possible placement for ALL students. The following criteria is used to create balanced classrooms:

- Balance of boys and girls
- Balance of class size throughout the grade level
- Students identified for special services.
- Separation of students who do not perform well together.
- Parent input based on academic and social/emotional needs or concerns.

On the checklist below, mark the academic and/or social/emotional concerns you would like considered in your child's placement. **Please note that requests for specific teachers are not accepted** because it discounts other important criteria and affects overall classroom composition. Final decisions for class placement rest with school personnel.
