

For the week of November 13th, 2023

THE TERRIER PAWS *from Mrs. Gonzalez*

Terriers,

Please review the information below regarding what a student should do if he/she has information regarding something detrimental to the school or a student and is afraid to report it in person.

SpeakOut 800.423.TIPS <http://www.speakouthotline.org/sitemenu.aspx?ID=147&P=index>

SpeakOut Hotline is designed to help you anonymously report any threatening behavior or situation that endangers you, your friends, family, community, or your school campus. Reporting isn't "snitching," reporting is when you need to keep yourself or someone you know safe from threats, harmful behaviors, or dangerous situations.

By guaranteeing a caller's anonymity, SpeakOut allows the caller to give information without the fear of retribution.

FortifyFL (App) <https://getfortifyfl.com/>

FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and schools' officials.

Focus Parent and Student View Updates

On Monday, November 6, 2023, parents and students will be provided with the ability to view additional student information in Focus. Parents and students will now be able to view GPA, counselor name, community service hours, and graduation requirements information on Focus. Questions that parents or students have about the information provided in these fields should be referred to the appropriate school personnel to validate the information in Focus. School personnel should work with the Student Data Support Team identified in the link below as needed:

LET ROTC HELP YOU PAY FOR COLLEGE.

College is costly, but ROTC offers full scholarship opportunities. The scholarships can be worth over \$260,000! Included are full tuition and fees, a \$1,200 yearly book stipend, and a \$420/month living stipend, dorms, and meals.

Army ROTC develops future leaders for the United States and our communities. Our students get hands-on training, but more importantly are surrounded by a family of support to help keep them safe and on track at college. Upon Commissioning, starting salaries can be up to \$70,000. The Army provides 30 vacation days annually, comprehensive healthcare, housing assistance, cash allowances to cover the cost of living, GI Bill benefits, family services, and career support after you serve.

The Army's Officer Corps has over 20 broad career fields, provides funded advanced degree options, grants Secret Security Clearances, and allows your service obligation to be part time through the National Guard and Reserves in a state of your choosing.
