THS gym dedication honors former teacher, multisport coach Laura Dixon

Laura Dixon began her journey as a Titusville Terrier in 1970 after graduating from Florida State University with a B.S. in Physical Education. Dixon became a pioneer in our district for the promotion of including women's sports in high school athletics. Five years later after the Title IX ruling, Coach

Dixon led the first FHSAA Titusville H.S. girls' volleyball team to a 9-2 season. In the spring of the same school year, she led the girls' softball team to the Final Four State Tourney with a 12-3 season record.

Dixon coached the varsity volleyball team for 25 consecutive seasons, and the varsity

softball team for 16 seasons. She also can boast coaching cheerleading and soccer. Dixon has been recognized and holds a place of honor in the FHSAA (Florida High School Athletic Assoc.) and FACA (Florida Athletic Coaches Assoc.) Hall of Fame.

Dixon's awards and honors

are numerous, but after witnessing the turnout at her gym dedication ceremony that without a doubt her greatest contribution was positively impacting her students, players, co-workers, school and the community of Titusville. Now that's a legacy that few can dispute or replicate.

Top Left: Mayor and THS co-worker Dan Diesel congratulates Laura Dixon after his speech about her. The corner next to the gym was recently renovated by THS faculty and students for the gym dedication. Large numbers of past students, players, and co-workers attended the gym dedication ceremony. THS graduate and Rockledge City Council member Michael Cadore attended and congratulated Dixon on her achievements. Past students, co-workers, and the current THS principal Jennifer Gonzalez posed with Dixon by the new sign adorning the gym entrance. Dixon hugged many attendees that she hadn't seen in quite awhile. THS athletic director Jason Berley and Principal Gonzalez presented Laura Dixon with a plaque memorializing this day Oct. 11, 2022 as the dedicaton of the Titusville H.S. gym to be hereafter known as Coach Dixon's Dawg House.

2nd Annual Merrier Terrier Festival combined the best Fs...FUN, FOOD, FRIENDS, FAMILIES

Last year Titusville High School administration created an event that would include the student body, faculty & staff and the entire Titusville area community.

THS was excited to reach out to the students, faculty/staff and all fami-

lies, to get together again in a positive manner on Dec. 3 from 5 -8pm.

The event included bounce houses for children, arts and crafts, musical performances, karaoke, Florida "snow", food concessions, face painting, hair braiding and of

course Santa Claus.

The campus was decorated in a holiday/winter theme. Volunteers were rounded up from the student body, faculty/staff, school clubs, and Terrier Parent Volunteer group. It was a huge undertaking to pull off the Merrier Ter-

rier event.

Proceeds, if there were any from the event will go into a school fund to be used for any needs the school may have. Many groups and classrooms have struggled to meet needs, this year the district waived class fees for stu-

dents which really limited the supplies needed for some classes like Drawing and Painting and 3D Art.

The weather was comfortable for the event at 62-70 degrees with a light north wind. If you missed it this year, put it on your calendar for next Dec.

Titusville High School offers help to students in need through Social Worker, pantry & closet

Last year as part of a new district program social workers were hired to work at schools across the county. THS was lucky to get Katherine Warrick and she returned this year and moved to a new location on campus. Her contact info is:

*Katherine Warrick, LCSW
Social Worker for Titusville H. S.*

*Room 15-413 Ext. x27705
warrick.katherine@brevardschools.org.*

In her new and much larger location, she has been able to provide a pantry with food items and toiletries for students in need. "Everything in the Pack Pantry is free - food, clothes, hygiene items and school supplies," said Warrick. "If students want volunteer hours by helping in here they can see me to arrange it."

Additionally, she was able to include a "closet" of clothing items for any students. The closet portion has existed on and off for the past 10 years or more as it has moved around our campus. We also previously had a pantry started by English teacher Marsha Hannan before COVID quarantine happened.

"The best time to get food is after school - most food is for home and cannot be eaten at school," said Warrick. "The best time to get clothing or hygiene items is before or

after school or during lunch."

The food pantry has non-perishable items like macaroni and cheese, granola bars, and canned food. The closet has pants, shorts, jackets, backpacks and even formal wear for events like prom or homecoming.

"Items that we could use any time are: T-shirts, Hoodies, Athletic pants/shorts for boys and girls, backpacks, deodorants, shampoo, conditioner, toothbrush, toothpaste, soaps/bodywash, reusable bags, belts, packaged underwear, packaged socks," said Warrick.

The pantry and closet rely on donations. If you want to

Katherine Warrick, Social Worker

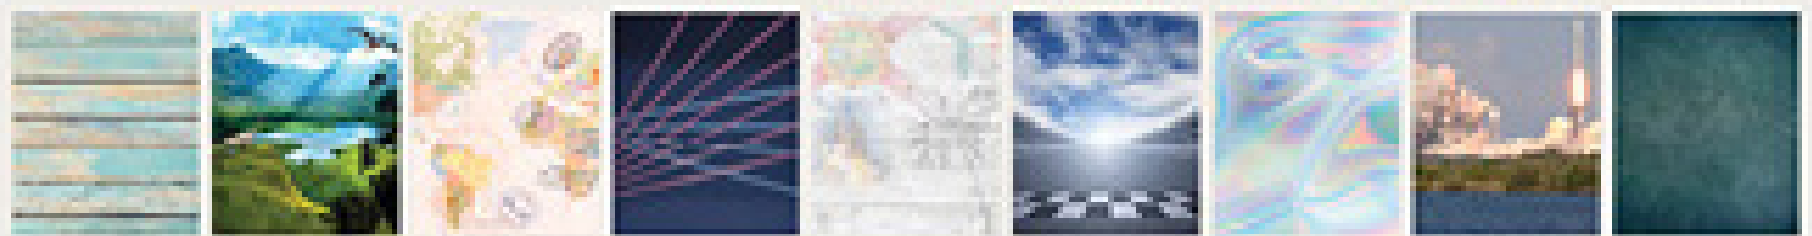

donate non-perishable foods, clothing or toiletries you can take them directly to Ms. Warrick, or leave them at the front office desk.
