Girls' & Boys' Track only spring sports to boast advancement to Regionals & State

Only one female and one male track member advanced to Regionals on May 5 at Horizon High School, then both succeeded in placing high enough to continue to the State meet.

Senior Paige Jaszczak qualified for the mile getting 3rd place at Districts and moved on to Regionals. Also, she was District Champion of the 2 mile and goes on to Regionals for that as well. At Regionals she placed high enough in the 1600m to advance to the State meet.

Senior Walter Parker qualified for Regionals in the 100m, 200m, and the long jump. At Regionals he placed in the long jump, earning him a spot to compete at State this week.

P.E. students learn skills, importance of using defibrillator for cardiac arrest

Sudden Cardiac Arrest is the #1 Killer in Schools in America! Thanks to Shawn Sima with Who We Play For, over 100 THS students in Coach Berley's HOPE classes are equipped with the knowledge and skills to act fast and save a life!

CPR and AED training is not only part of the state required HOPE Curriculum, but as of July 2021 all Florida high school students must be trained twice during their four years in order to meet graduation requirements. We are so proud of our students and so thankful for the partnership with Who We Play For!

Swim/Soccer athletes awarded Dalton Beitel Memorial Scholarship

PHOTO BY AIMEE BENSON

Seniors Jason Whitson and Peyton Cook were awarded the Dalton Beitel Memorial Scholarship at Senior Awards night on May 3. Whitson played varsity soccer, and Cook was on the varsity swim team. The scholarship was started by the Beitel family in honor of their son Dalton Beitel who graduated from THS in 2015. Beitel passed away tragically while at college. The scholarship is given to outstanding seniors that are on the swim team and/or soccer because those are the sports that Beitel participated in during his time at THS.

All Cape Coast Conference athletes named for Fall and Winter sports

Congratulations to the following THS students for being selected to the All Cape Coast Conference team for their respective sports.

Chase Jenkins (*Basketball*), Paige Jaszczak (*Cross-Country*), Riley Jaszczak (*Cross-Country*), Kegan Hamilton (*Bowling*), Andrew Shayka (*Swimming*), Sydney Provenzano (*Swimming*), Dakota Benson (*Swimming*), Lester Hayden (*Swimming*)

Best Buddies club hosted annual Spread the Word event, first responders invited to attend

The event held on Fri. Mar. 4 from 11am to 1pm included a game day for club members, faculty & staff, first responders and students at lunch. Additionally a luncheon was held for the Best Buddies members and first responders.

The purpose of the event is to familiarize the students with first responders to lessen the fear or anxiety they may feel when they interact with them outside of the school setting. It also is a great opportunity for the first responders to familiarize themselves with the students and their behaviors.

Everyone at lunch enjoyed the games like corn hole, spike ball, limbo and can jam. An added bonus was the puppy petting that occurred when the Brevard County Sheriff's department brought their newest member of the pack.

Best Buddies club plants, dedicates tree and flower garden in memory of teacher

ALL PHOTO BY JACOB PHILLIPS

They planted a flower garden beside Chrystal Campbell's art room and dedicated a tree and plaque during the ceremony. Campbell was such an amazing teacher for all students, but she was always so accommodating and supportive of the buddies being included in her class and finding ways to express their artistic talent

Future Problem Solvers group earns trip to State competition

PHOTO BY JENNIFER GUTHRIE

Future Problem Solving team members Jason Cheng, Shivani Modha, Violet Dobbs and Richie Dobbs represented Titusville High School at the District FPS competition in February. When the results came in they had earned 5th place and the chance to attend and compete at the State level. This is the first time in more than ten years that THS has had a team advance. Sponsors for the club are Eileen Serridge and Jennifer Guthrie, both math teachers. All team members were sophomores. They didn't place at State but did a great job representing THS and learned some valuable skills to use at competition next year.
