## Spring Powder Puff event returns to THS

PHOTOS BY AIMEE BENSON AND AMY TEED

According to the scoreboard (that sometimes worked and sometimes didn't) the Seniors won....but with a disclaimer. About a third of their team were junior players because they didn't have enough seniors sign up. So really, did the juniors win this year since they had the most representation on the field? Either way, fun was had by all that played, cheered and came to watch the mayhem that ensued. Hopefully the juniors will return as seniors next year and have a full team sign up to play.

## Spring sport accolades go to the Girls' Tennis & Boys' Track for being only teams advancing to Regional level competition

THS girls tennis had a successful 2022-2023 season ending with a record of 6-3. Placing 3rd in the North CC Conference with a playoff against Viera from the South. We won, placing 5th overall in the CCC.

The Terrier girls showed that determination and hard work pays off. Rebekah Feaster, Grace McGreger and Lani Sheridan all advanced to the finals in Singles and Rebekah and Grace advanced to the finals in doubles. It was a team effort that contributed to our team placing 2nd at Districts to Advance to Regionals against Lake Highland Prep.

"This experience was a memorable highlight. I am proud of the girls efforts this season," said Christi Reid, head coach.

Seniors Ella Austin and Andrew Shayka were awarded the Dalton Beitel Memorial Scholarship at Senior Awards night on May 2. Austin played varsity soccer, swim and softball. Shayka was on the varsity swim team. The scholarship was started by the Beitel family in honor of their son Dalton Beitel who graduated from THS in 2015. Beitel passed away tragically while at college. The scholarship is given to outstanding seniors that are on the swim team and/or soccer because those are the sports that Beitel participated in during his time at THS.

## Best Buddies club hosted annual Spread the Word event, first responders invited to attend

The event held on Fri. Mar. 3 from 11am to 2pm included a game day for club members, faculty & staff, first responders and students at lunch. Additionally a luncheon was held for the Best Buddies members and first responders.

The purpose of the event is to familiarize the students with first responders to lessen the fear or anxiety they may feel when they interact with them outside of the school setting. It also is a great opportunity for the first responders to familiarize themselves with the students and their behaviors.

Everyone at lunch enjoyed the games like corn hole, spike ball, limbo and can jam. This year's event theme was Inclusion. Several first responders also hosted informational booths in the breezeway in front of the cafeteria.
