

Collegiate High School

A Dual Enrollment Opportunity for
Motivated High School Students!

What is Dual Enrollment?

**High school
students earn
high school and
college
or vocational
credit
at the same time.**

Part Time

Up to 2 courses
per semester

Collegiate High

AA Track: 2 or 3 years
10th grade bus

Dual Enrollment Options

Early Admissions

Fall & spring semester of
12th grade on EFSC
campus

Full Time

*Spring Semester of 12th
grade on EFSC campus*

Dual Enrollment Course Weight

Dual enrollment courses are weighted the same as *AP, IB, and AICE*:

- ▶ When your high school calculates your overall weighted high school GPA, and
- ▶ When state universities calculate your high school GPA in the core academic classes for university admission decisions.

Collegiate High School

A dual enrollment program for rising 10th or 11th graders whose goal is an Associate in Arts Degree (A.A.) by high school graduation.

Collegiate High School

Participants are expected to:

1. Complete a combination of EFSC & high school classes each year.
2. Continuously maintain program eligibility.
3. Successfully complete all general education requirements.
4. Finish prerequisites for selected university major.
5. Remain on track for AA Degree by graduation.

Associate in Arts Degree

- Two-year degree for students whose goal is a bachelor's degree or higher at a university.
- Equivalent to freshman & sophomore years at a state university.
- Total of 60 college-level credit hours.
- Combination of general education and elective courses chosen to meet selected university major prerequisites.
- Students graduating with an AA degree maintain first time in college benefits at state universities.

Three -Year Track

10th Grade12 credit hours

Fall 2 EFSC classes

Spring 2 EFSC classes

11th Grade18 credit hours

Summer 2 EFSC classes

Fall 2 EFSC classes

Spring 2 EFSC classes

12th Grade30 credit hours

Summer 2 EFSC classes

Fall 4 EFSC classes

Spring 4 EFSC classes

Admission Requirements

Three -Year Program

1. Completion of 9th grade in 30 credit diploma option.
2. State **cumulative** unweighted GPA of 3.0 or higher. *
3. Completion of Algebra1 or 1B by the end of 9th grade.
4. Passing Reading & Writing scores on PERT.
5. Record of good attendance and responsible behavior.
6. Meet program deadlines and requirements.
7. Attend **EFSC** Collegiate High School Orientation.

Two -Year Track

11th Grade.....30 credit hours

Summer 2 EFSC classes

Fall 4 EFSC classes

Spring 4 EFSC classes

12th Grade Early Admission.....30 credit hours

Summer 2 EFSC classes

Fall 4 EFSC classes

Spring 4 EFSC classes

Admission Requirements

Two -Year Program

1. Completion of 10th grade in 30 credit diploma option.
2. State **cumulative** unweighted GPA of 3.0 or higher.
3. Completion of Geometry by the end of 10th grade.
4. College level placement scores in Reading & Writing.
5. Record of good attendance & responsible behavior.
6. Meet program deadlines and requirements.

EFSC Class Times

10th grade students: EFSC classes 2:15-3:30

- 1 EFSC class M/W; 1 EFSC class T/Th.
- 4th block at the high school.
- Friday: No EFSC classes – 4th block at the high school for study, community service & enrichment.

11th and 12th grade students: EFSC classes at:

- Beginning and/or end of the school day, or evening.
- Face to face, online, or hybrid.
- Friday attendance at the high school NOT required during EFSC class periods.

Bus Transportation

- ▶ Guaranteed for 10th grade participants during Collegiate High School periods.
- ▶ Not available on school holidays (Ex: President's Days after winter break).
- ▶ 11th and 12th grade participants responsible for their own transportation to and from EFSC.

Required Minimum Scores

	<u>READING</u>	<u>WRITING</u>
PERT	106+	103+
SAT (<i>after 3/11/2016</i>)	24	25 (& Lang.)
ACT	19	17 (English)

Mathematics Scores Required for Course Placement

MAT 1033 Intermediate Algebra

(Gateway to general education math requirements)

PERT 114 – 122

ACT 19

SAT 24

MAC 1105 College Algebra

PERT 123

ACT 20

SAT 520

SAT 27.5

Testing Anxiety?? Get prepared!!!

1. Google *PERT Study Guide* and *PERT Practice Tests*
2. Search *College Placement Test on the Eastern Florida Website*.
3. Students may retest 30 days after original testing.
4. Schedule your retest appointment as soon as possible.

Requirements to STAY in the Collegiate High School Program

- ❑ “C” or higher in Gordon Rule classes
 - designated courses requiring writing skills and math competencies (college algebra or higher)
- ❑ Maintain state cumulative high school GPA of 3.0 or higher.
- ❑ College “Term” GPA of at least 2.0.
- ❑ On track to receive diploma and A.A. Degree at graduation.
- ❑ Qualify for MAC 1105 (College Algebra) before the Fall Term of 12th grade.

Benefits of Collegiate High

- Get used to college expectations while you're still in high school.
- Enjoy EFSC's smaller class size with an average of 19 in college credit classes.
- Complete your first two years of college - no tuition & lab fees, housing costs, and textbook costs! Limited fees.
- Earn the university-transfer Associate in Arts (A.A.) Degree.
- Maintain *first-time in college* benefits at Florida state universities.
- Complete your Major prerequisites.
- Finish your college education sooner!

Estimated Cost of Attendance 2019-20 Academic Year UF Undergraduate

Tuition/Fees	\$6,380
<i>Books & Supplies</i>	<i>850</i>
Computer/ Cell	1,230
Housing	5,750
Food	4,470
Transportation	1,110
Clothing Maintenance	1,000
Personal/Health Ins.	<u>420</u>
TOTAL BUDGET	\$21,210

Note:
Dual enrollment saves colHS families approximately \$13,140 per year in education costs.

Your Pathway to Success in Collegiate High School

The courses for your first two years of college are used to meet the requirements of your intended degree at a four-year university.

- Identify your Intended major in 11th grade along with the course requirements for the major.
- Identify your Intended university.
- Identify elective courses intended to meet the major prerequisites.
- Changing your major “midstream” can prevent your completing the prerequisites by graduation.

How will EFSC staff help you chart your pathway?

- EFSC Advisors help students:
 - Plan their degree program.
 - Register for classes.
 - Use “myGPS” to track courses toward their degree program.
 - Access academic help and support services.
- EFSC Career Planning & Development Centers assist students in identifying their major based on career interests and skills.
- EFSC offers *Discover Your Major and Career*, a 3-credit elective course.
- Elective courses, clubs, and seminars in selected careers are available.

Factors to Consider

- ❑ Additional study expectations with **college** coursework
- ❑ Courses designed for adults – **NO** modifications and/or adjustments
- ❑ EFSC grades stay on permanent college **AND** high school transcript
- ❑ **Poor grades can impact scholarships and university admission!**

Factors to Consider

- ❑ Summer classes may be needed to earn degree by graduation.
- ❑ Balance college, high school and extracurricular demands.
- ❑ Must meet high school and AA degree requirements.
- ❑ Provide own transportation for classes outside school day.

Key Considerations for Parents

- ❖ School counselor is point of contact for parents seeking information about student progress.
- ❖ Parents may not contact instructors for student information. (FERPA)
- ❖ Family is under both high school and EFSC calendars.
- ❖ Family is responsible for transportation when classes for 10th graders meet outside ColHS day or on BPS holidays.
- ❖ Student is responsible to purchase consumables (i.e. workbooks and lab manuals).

Key Considerations for Parents

- ❖ Students are expected to attend class and meet assignment deadlines.
- ❖ The college does NOT have an excused absence policy. Attendance requirements are specified in each course syllabus.
- ❖ Students who will miss class due to an UNAVOIDABLE conflict should confer with their instructor for possible “make-up” options. Instructor decision is final.
- ❖ Students in extracurricular activities should schedule EFSC classes at times that DON'T conflict with practice, games or performances.
- ❖ Parent and student must attend **EFSC** ColHS Orientation.

Getting Started!

1. Attend this Collegiate High School Information Session.
2. Submit *the Student Interest Form* **by the deadline.**
3. Google PERT and take review practice tests.
4. Review the PERT Study Guide on the EFSC website – www.easternflorida.edu
5. Take the PERT either at your school or EFSC.
6. Meet the minimum scores in Reading & Writing.
7. Meet the minimum GPA requirement.

Then....

1. Submit your *online* EFSC Application for Admission.
2. Turn in the Collegiate High School Student/Parent Agreement to your counselor **by the deadline.**
3. Attend the **EFSC** Collegiate High School Orientation with your parent/guardian.

Bring your transcript and proof of application.

4. Complete the Dual Enrollment Registration Form with your counselor.
5. Meet with an EFSC advisor and register for classes.

Important Dates

- ▶ Student Interest Form Deadline: February 6th
 - ▶ PERT administered at high school: February 12th (1st 50 students to turn the form in will test at THS)
- ▶ **EFSC Collegiate High School Orientation Dates:**

Note: Sign-in opens at 5:45 PM: Presentation at 6:30 PM.

Cocoa:	Merritt Island <u>High School Auditorium</u>	March 06, 2019
Palm Bay:	Bayside <u>High School Auditorium</u>	March 13, 2019
Melbourne:	Eau Gallie <u>High School Auditorium</u>	March 26, 2019
Titusville:	Titusville <u>High School Auditorium</u>	March 27, 2019

Important Dates, continued

▶ **Registration Appointments**

Information is listed in the brochure.

▶ **Summer Terms**

- ▶ Monday, May 13: Summer A starts (12-weeks)
- ▶ Monday, May 13: Summer B starts (6-weeks)
- ▶ Monday, June 10: Summer C starts (8-weeks)
- ▶ Monday, June 24: Summer D starts (6-weeks)

▶ **9th Grade Students**

Limited to Summer C and D

▶ **Fall Term**

Monday, August 12 (tentative)

Contact Information

Guidance: Mrs. Roberts 321-264-3100 ext. 2004

EFSC Advisor: Mrs. Topolinski 321-433-7301

EFSC Testing Number: Call 632-1111 to request a testing appointment if you don't test at your high school.

Meet the Collegiate High School Goal!

1. Complete the lower level pre-requisites for your major.
2. Graduate with your diploma and A.A. Degree , ready to continue your education as a junior at a four-year university!

In 2017-2018, 366 Brevard Public School students graduated with an A.A. degree!

Collegiate High School

An accelerated education program for motivated high school students!
