Greetings, Terrier Pack!  
My name is Allison Haley, and I will be serving as your school-based therapist at Titusville HS this year. I am honored to be a part of the campus to support our students' mental health needs! My role is made possible by the collaborative efforts of Brevard Schools and Lifetime Counseling Center. Brevard Schools is committed to growing the resiliency of our students as they face tough challenges at school and in their personal lives, so they've brought in extra hands on deck to assist.  
I can offer a variety of supportive options to students including:

- ★ Crisis Counseling
- ★ Student Check-Ins
- ★ Individual Counseling
- ★ Small Group Counseling

Please know there is a referral process for my caseload, as parental consent is required before I can meet *regularly* with students. However, I welcome all referrals and information that you can initially provide to me (as it helps me get to know the kiddo and understand the situation!) If you feel that a student could benefit from meeting with me, reach out and we can consult.

Don't hesitate to stop by Room 344 to connect with me! I look forward to supporting your work in the classroom by assisting our students to be their very best.

**Schedule Change Update:** All fall schedule changes are complete. Please ensure your student is following their correct schedule by logging into your parent Focus portal.

**Guidance Office Request:** Should a student need to see their counselor for something quick, students may stop by the guidance office before, after school, or during lunch. Should a parent/student need a dedicated appointment to review credits, discuss Bright Future's, senior academic status, etc. please contact the assigned counselor below to schedule an appointment.
