Hello Turner Tigers!

We have had a great start to our school year, and students are working hard in the classroom. Students have done a great job of transitioning back into their learning mode from summer break. Make sure that we have your correct email address on file so that you receive my weekly emails that I send. I try to keep you updated with things that are coming up. Also, please look for us on Facebook. We post lots of information as well as fun pictures that we take of the students throughout the day. It is a great way to stay in touch.

Our Title I Annual Meeting will be held on September 11th at 5pm with Open House immediately following. We will be hosting our annual book fair at that time. We hope to see you there.

Car loop has improved significantly from the first week of school. Please remember to have your car tag displayed where we can see it for quick calling during dismissal. Also, please remember that we do not allow parents to park and pick up students in the car loop. We do not want students in the parking lots during dismissal. Safety is our number one concern.

Grade Level News

Kindergarten—Our Kindergarten friends are working hard learning to follow school expectations, as well as becoming familiar with our classroom routines. Please talk to your Kindergartener daily about the school rules and expectations, and how they keep everyone safe. A great at home learning activity to do with your Kindergartner is to have them practice writing their name.

First Grade—We have had such a great few weeks in the first grade establishing classroom rules, routines and procedures. In the month of September, we will continue to focus on our expectations in addition to beginning our workstations, intervention blocks and finalizing our beginning of the year assessments. We ask that students are on campus by 7:45 a.m. and that they have a water bottle and small snack daily. Please check your child's backpack each afternoon and return their orange folders the next school day. We look forward to an amazing year ahead!

Media News—In honor of World Rock Paper Scissors - Art and Media Activity classes teamed up to do a project with 2nd grade! Students listen to the stories about rock paper scissors and pet rocks. Students then painted their 'pet' rock and picked out a name and even filled out adopted papers for their pet! Make sure to ask your student their pet rocks name!
