

Get all of your materials with

Titan First Day Ready was developed to provide a more affordable and convenient way for students to get their course materials each term.

HOW IT WORKS

1. Register for Classes.

Upon registering for courses, you will be automatically enrolled in the program, and the bookstore will begin preparing your materials. A \$25 per credit hour charge will be added to your student account, saving you up to 35-50% on the cost of course materials!

2. Verify Your Order.

Starting 30 days before the first day of classes, you will receive an email to verify your order and select how you would like to receive your course materials. You will also be able to verify your order through the bookstore website and through QR codes available at the bookstore.

3. Receive Your Textbooks.

An email notification will be sent when your order is ready for pickup or when it ships. Your digital materials will be delivered for your course(s) within Canvas.
