1. Minor damage from hurricane Ian. District is on top of making sure we are mowed and edged and have had pesticide.
Walk-through on Friday: lost 3 panels of soffit in building 900. They will be fixed. Gazebo damaged...very minimal. Pictures sent to district and they will come out to assess the damage.
6th grade AC out since beginning of year. Mr. Bruhn will check on status for us.

VI. Public Discussion

Bredemeyer thanks Benson for update on school damage.

Coard asks about Chipotle...something about volunteer hours on flyer.
Benson made a mistake...no volunteer hours for Spirit Night. And Zidal points out it's not 20%, it's actually 33%
