

# Art (Family Document)

## Instructional Plan for the Week of May 25 - May 29

### Printmaking Week

Use [Launchpad](#) to access all curriculum apps.

#### Davis Digital

All students have access to our online Visual Art Textbooks. Take a moment to explore and read!

Additional information for parents is available at <https://www.davisart.com/>

#### Visual Art PreK-2

#### Marker Printmaking

This week is all about printmaking! You can use recycled styrofoam or aluminum foil to create a print. Your print can be as simple or as complex as you'd like!

1. Watch: [Printmaking with Recycled Materials](#)
2. Watch: [Creature Prints](#)  
Read: [Marker Prints - A Super Easy Art Project](#)
3. Create Your Print

- a. Begin by using a ball point pen to draw on a piece of recycled styrofoam (such as a styrofoam plate).
- b. Next color your design with water soluble markers (like Crayola Markers)
- c. Use a damp sponge to make a blank sheet of paper slightly wet. Press your foam (color side down) on the wet paper, and massage gently.
- d. Remove and admire your print. Repeat using different colors!
