MOUNT TABOR HIGH SCHOOL PTSA
SPARTAN LEGACY CAMPAIGN

Thanks to you!

Our science teachers believe that authentic lab activities are essential to meaningful learning. Therefore, we use many materials for these expensive and necessary lessons to occur.

Authentic Lab experiences are crucial to understanding science in a meaningful way. All teachers believe that lab activities are for every student at MTHS.

Spartan Legacy was able to purchase test tubes, compounds, solutions, burners and carts for the labs of our Science department.
