ROSCOMMON AREA SCHOOLS BOARD OF EDUCATION

SEEKS INPUT IN SUPERINTENDENT SEARCH

The Roscommon Area Schools Board of Education is beginning the process of hiring a new superintendent. The board is soliciting community and staff input on the qualities, experiences, and skills needed in the new superintendent. Community members, families, all staff, and administration are encouraged to participate in the process.

The board is being assisted in its search by the Michigan Association of School Boards (MASB), a service organization that supports the work of school boards throughout Michigan. Shawn Lewis-Lakin is facilitating the search on behalf of MASB.

Lewis-Lakin will be holding meetings in the district to give the community and staff opportunities for input. Parents and community members are invited to share their perspectives at the following meetings:

The survey is being administered by the MASB Executive Search team on behalf of the district and takes about ten minutes to complete. Anonymous individual responses will be combined with the comments from the face-to-face meetings with stakeholders to provide important community input to the Roscommon Schools Board of Education as it seeks to identify the best candidate for the position.
