What is the cost for attending Pre-K in Broken Arrow Public Schools?

There is no cost to parents for their 4 year old to attend Pre-K.

What are the hours for the Early Childhood Centers?

Parents may drop off Pre-K students between 8 a.m. and 8:25 a.m. Parents/Guardians pick up students between 2:10 and 2:37 p.m. This flexible arrival/pickup period is designed to accommodate parents who may have children at other sites. Additionally, parking lot congestion increases when all parents arrive at the same time. Please be patient as it takes a few weeks for everyone to find the best time to arrive for their family.

Is there a before and after care program at the Early Childhood Centers?

At the Early Child Centers there is a before and after care program on a first come, first served basis. Enrollment for

B&A Connections is online beginning May 15. Please visit www.baschools.org/Connections for more information.

Due to DHS requirements at elementary sites, B&A Connections is NOT available for solo Pre-K classes.

Are there Pre-K classrooms in the elementary schools?

At this time, Arrowhead, Country Lane Primary, Leisure Park, Lynn Wood, Rhoades, Spring Creek and Timber Ridge will each have one Pre-K classroom. Liberty and Wolf Creek will have two Pre-K classrooms. We call these "solo" sites and their hours differ from the ECC hours. Solo sites arrival times are 8:20-8:45 a.m. and dismissal is 2:35-3:15 p.m. (these times may vary slightly at each site). There are only 20 classroom spots at each solo site. If your address is within the elementary boundaries of these sites and there are spaces available, you will be contacted by enrollment via email to confirm your child's placement. If your solo site is full, you will be placed at an ECC based on those boundaries. If you have questions regarding your child's placement, please contact enrollment at 918-259-7400.

Is transportation provided for Pre-K students?

No. Safety is a top priority for the district and transporting students who are 4 years old requires extensive safety equipment. It is not feasible for us to provide safe transportation and still provide high caliber, full-day early childhood education.

PRE-K FAQs

PRE-K FAQs

Will breakfast and lunch be provided?

Meals are provided, however, there is a cost. Meal prices can be found at baschools.org/ChildNutrition. Parents are encouraged to complete the free and reduced meal application at baschools.org. Students are welcome to bring their own lunch from home. If your child has food allergies, please make sure you communicate with the health office and with the teacher.

Does my child have to take a nap in Pre-K?

The learning that happens through purposeful play will make our students tired. A quiet rest time, known as “brain break,” will be offered. Your child will need a blanket (no sleeping bags) that will be sent home every Friday for laundering. Your child will not be required to nap, but will be asked to quietly engage in an activity if they do not fall asleep. A small stuffed animal (a.k.a nap buddy) is allowed if it will fit in a small lunch size paper bag. The animal is for snuggling not playing.

Which immunizations are required to attend Pre-K?

- (4) DTAP
- (3) Hepatitis B
- (3) Polio
- (2) Hepatitis A
- (1) MMR
- (1) Varicella

If my child has a diagnosis from a doctor that may affect their learning, what do I do?

If possible, upload the doctor’s diagnosis with your enrollment paperwork. If you cannot upload the paperwork, please take it to your closest ECC and the front office will upload the paperwork and email it to special services. If you have additional questions, please call Special Services at 918-259-5700.

Can I enroll my 5 year old in Pre-K and not Kindergarten?

Yes. You may receive follow-up communication from enrollment or the Director of Early Childhood to confirm you are aware your child is eligible for Kindergarten, but your wish is to give them a growth-year based on age or maturity.

Does my child have to be potty trained to attend Pre-K?

It is recommended that all students be toilet trained by the time they begin school. Occasionally, accidents happen, so we encourage ALL students to have a clean change of clothes in their backpack.

be on our website www.baschools.org. This is where you can find supply lists and the school calendar for days we are in session and when we are out of school.

If I still have questions, who can I contact?

Please feel free to contact Teresa Bowker, Director of Early Childhood, at tdbowker@baschools.org or 918-259-5700 if you have questions regarding curriculum. If you have questions regarding enrollment, please contact the enrollment center at 918-259-7400.

Why does attendance matter?

Starting as early as preschool, regular attendance is essential for students gaining the academic and social skills they need to thrive. Research shows that when students are chronically absent (missing 10% or more of the school year or 18 days over an entire year), they are less likely to read proficiently by third grade, achieve in middle school and graduate from high school. Everyday counts in Pre-K!
