Wholesale Water

From time to time, Brigham City Corporation may enter into wholesale water agreements as approved by City Council.

Secondary Water

$2.50/1,000 gallons

Service where available and as approved by the Public Works Department.

Construction Water Meter Rental

$5.00/1,000 gallons

Deposit based on current meter replacement cost. Deposit, less $150.00 administrative fee, will be refunded with no damage to meter or hydrant.

Culinary Connection Fee

The City will inspect construction of the service line lateral and furnish and install the water meter. The homeowner/developer will furnish all other appurtenances as outlined in the Public Works Standards and Technical Specifications for Brigham City Corporation.

Service	Connection Fee
3/4" service line lateral	$556.00
1” service line lateral	$612.00
1 ½” – 8” service line lateral	$358.00

Culinary Disconnection Fee

The City will inspect construction of the service line lateral disconnect and surface restoration. The owner/developer will pay all costs associated with disconnecting the service line lateral from the City main in accordance with the Public Works Standards and Technical Specifications for Brigham City Corporation.

Service	Disconnection Fee
All culinary disconnects from the City main	$328.00

Sewer Utility

Resident Rate

Service	Monthly Base Rate
Residential	$35.00
Commercial	$35.00
Consumption (Commercial Accounts only) Sewer consumption calculated as follows: Sewer meter installed: usage x (rate) No sewer meter installed: water usage x (rate)	$1.00/1,000 gallons

Non-resident Rate

Wastewater flows must meet or exceed federal, state, and local wastewater treatment standards including required pretreatment standards; non-residents shall be responsible for any pretreatment necessary to ensure compliance with these standards before discharging in Brigham City's wastewater system.

Service	Monthly Rate
Residential	$70.00
Commercial	$105.00
Overage Rate As measured by the connection meter(s) that exceeds the overage threshold, calculated using the following formula: (Number of connections) x (400 gallons) x (days in the meter read cycle) = overage threshold	$2.00/1,000 gallons (or a fraction thereof)

Sewer Agreements

From time to time, Brigham City Corporation may enter into sewer agreements as approved by City Council.

Sewer Connection Fee

Said charges shall be paid to the City prior to the issuance of a permit for or the beginning of any excavation or other work to connect to City sewer lines.

Service	Fee
All unit 4” service lines	$320.00
All unit 6” service lines	$320.00
All unit 8” service lines	$381.00

Stormwater Drainage Utility

Service	Rate
Single Family Residential—1 Equivalent Service Unit (ESU)	$8.13

All other developed parcels, including multiple family residential parcels, shall be charged a fee based on the number of ESUs on the parcel. If there is more than one City utility bill for the parcel, the fee shall be divided between the City utility bills covering the parcel according to a policy established by the Director of Finance. The number of ESUs shall be established by measuring the amount of impervious surface on the parcel, dividing that number by 3,000 and then rounding to the nearest whole number. The actual monthly fee (service charge) shall be computed by multiplying the total ESUs for the parcel by the monthly rate of $8.13 per ESU. For example, a parcel with 20,000 square feet of impervious surface area shall pay a fee of $56.91 per month (20,000)/3,000 = 6.7 rounded to the nearest whole number of 7, so 7 x $8.13 or $56.91).

Refuse Collection and Curb Side Recycling

Service	Monthly Rate
90-gallon refuse container (base charge per residential unit with the electrical billing for each separate home, apartment, including basement apartments, or other dwelling or multi-plex up to and including 4 units)	$16.30 ($10.20 can plus $6.10 tipping fee)
Additional 90-gallon containers (6-month minimum rental)	$8.16 each
90-gallon green waste container (12-month minimum rental)	$4.13
300-gallon container (with prior approval from Streets Supervisor)	$47.97 ($27.64 can plus $20.33 tipping fee)
Curbside recycling collection (12-month minimum rental)	$10.00
