SECOND: Any call for aid to the Sparkill-Palisades Fire District for emergency assistance must be transmitted through Rockland County 44-Control. Whenever possible, the Agency so requesting assistance shall issue route instructions, location to hazard, to direct the responding departments to its desired position.

It shall be the responsibility of the Chief of the Sparkill-Palisades Fire District or his/her designated Officer to file with the Office of Fire Prevention and Control a copy of the Fire/Incident Report. This report shall be prepared according to the National Fire Incident Report System (NFIRS) 5.0 standard as directed by NYS Municipal Law, Section 204-d, "Duties of the Fire Chief".

THIRD: The Fire Chief or his/her designated assistant or assistants, or the Commander or Officer in Charge of the Agency requesting aid, shall be in charge of the scene and operation.

FOURTH: Any material change in the total resources as made a part hereof must be communicated immediately by telephone to each other member Department and within one (1) week thereafter confirmed in writing.

FIFTH: While full insurance coverage must be carried by all parties hereto, it is the intent of the parties that to the fullest extent permitted by law, the requesting Agency agrees to indemnify, release and hold harmless the responding Agency, its trustees, officers, employees, agents and servants from any and all loss, liability, claims, demands, actions, and causes of actions whatsoever arising out of any loss, damage or injury that may occur as a result of the provision of services I requested from the responding Agency, specifically those relating to any response to a call for mutual aid.

SIXTH: There shall be semi-annual meetings of the Department and at each meeting there must be representation by a responsible officer of each Fire Department, which officer is authorized to act on behalf of his respective Department. The scheduling of the regular meetings shall hereafter be mutually agreed upon.

SEVENTH: In accord with NYS General Municipal Law 29-h(2), the Agencies' participation in this Agreement is contingent upon any loss or damage to, or expense incurred in the operation of fire apparatus or other equipment answering a call for assistance from outside territory, and the cost of any materials used in connection with such call, shall be a charge against and paid by the Agency which issued the call for assistance. Written notice to the Agency who issued the call for aid for reimbursement for "damage", "expenses" and/or "materials used" must be made within sixty (60) days of the call for assistance.

EIGHTH: If any Agency member or such other Fire Department member shall, in rendering assistance pursuant to a mutual aid call made hereunder, suffer any casualty or death, the affected member, his/her designee or legal representative shall be entitled to all rights and privileges, workman's compensation, insurance benefits or other benefits to which such member would be entitled if such casualty or death occurred in the performance of his/her duties in the municipality or other territorial jurisdiction rendering such assistance.

NINTH: Any signatory to this Agreement may elect to withdraw from this Agreement by adopting a Resolution to that effect, and such withdrawal shall become effective thirty (30) days after filing of such Resolution with the other party to the Agreement at the address:
