## November 21st, 2025 - Children and Young Adult Newsletter

### Fall registration has Ended Winter Registration will start 1/16/26 at 4:30 PM

Dear Closter Public Library Patrons,

It is my pleasure to introduce you to our new **Information Specialist and Head of Youth Services, Vida Deleon**, who will be stepping into the role as my last day is November 28th.

Many of you may already recognize her from our library's popular Storytime sessions and, until recently, the three weekly playgroups she dynamically led. We are delighted that she will now be bringing her talent, energy, and dedication into this expanded position.

Vida Deleon comes to us with a wonderfully creative background. Before joining our team, she enjoyed a career as both an actor and a poet, and she is also a proud graduate of the Fashion Institute of Technology. Her artistic spirit shines through in her programs, her storytelling, and the thoughtful connections she makes with our youngest patrons. Children are naturally drawn to her warmth, enthusiasm, and genuine love of books.

While she continues to pursue her master's degree, Vida will be working with us part-time before moving into the role full-time. Throughout this transition, we are confident that Youth Services will be in caring and capable hands. She is not only deeply creative, but also an incredibly kind and compassionate person—qualities that I know our families and community will appreciate as much as we do.

Please join me in welcoming Vida Deleon as she begins this exciting new chapter at the Closter Public Library. We look forward to all the wonderful programs, stories, and joyful moments she will bring to our youth community.

# THE COOLIDGE

## A SCHOLARSHIP FOR AMERICA

The **2025-26 Coolidge Scholarship application** is now live.  
Please share this opportunity with any well-qualified high school juniors you know.

The Coolidge Scholarship is a full-ride, four-year, merit scholarship that recipients may use for undergraduate study at any accredited college or university in the United States. Any high school junior who plans to enroll in college in the fall of 2027 and is an American citizen or legal permanent resident is eligible to apply (current high school seniors are not eligible to apply). Winners may use the scholarship to pursue any academic major.

Academic excellence is the primary criterion considered by the Coolidge Scholarship. Secondary criteria include an interest in public policy and an appreciation of the values President Coolidge championed. Successful candidates will also demonstrate humility and have a record of genuine service to their communities. A complete description of the scholarship's criteria is available [here](#).

The competition for the Coolidge Scholarship is significant -- only a few new Coolidge Scholarships are awarded each year from a pool of candidates that spans the entire country. Even so, students have reported to us in past years that they were glad to have applied even if they didn't win, because the experience helped prepare them for college applications later on. Furthermore, the Coolidge Foundation invites one hundred of the top Coolidge Scholarship applicants to participate in the Coolidge Senators Program, which includes an all-expenses-paid summit gathering and a \$1,000 scholarship. Scholarship applicants are automatically considered for the Senators Program.

We hope you will share this opportunity with outstanding high school juniors you know. The scholarship application, along with additional information, can be accessed on our scholarship site: [www.coolidgescholars.org](http://www.coolidgescholars.org). The submission deadline is 5:00 PM Pacific time, Tuesday, **December 16, 2025**. Questions? We can be reached by email at [coolidgescholars@coolidgefund.org](mailto:coolidgescholars@coolidgefund.org) or by phone at (202) 827-4291.
