WHEREAS, municipalities are required to establish a Municipal Master Plan with a combination of mandatory and optional elements including Goals and Objectives, Land Use, Circulation, Housing, Community Facilities, Downtown Economic Development, Historic Preservation, and Sustainability; and

WHEREAS, municipalities are also required to reexamine the Municipal Master Plan every 10 years to ensure that the master plan meets the community needs and is relevant as communities, evolve, grow, and change; and

WHEREAS, municipalities complete this effort at great cost and community input to ensure their community has a roadmap for growth; and

WHEREAS, a municipality is best suited to plan for and understand their community's needs, the existing infrastructure to address the municipality's public safety, health, traffic, and character and the ability to expand such infrastructure for desired growth; and

WHEREAS, there are many mechanisms for exceptions and variances to the local planning process; and

WHEREAS, municipalities have been diligently working to comply with the changes outlined in the passage of A-4/S-50 in 2024 that made substantial changes to the 4th Round of Affordable Housing obligations; and

WHEREAS, affordable housing construction has generally comprised between 10 – 20 % of a total development, but municipalities will end up constructing far more units during this current round of affordable housing; and

WHEREAS, recent legislative proposals that preempt the planning process by permitting the conversion of underutilized properties into mixed used developments, reducing the number of parking spaces required for new developments near transit, making Accessory Dwelling Units permissible, and most recently, legislation that enhances the ability of religious and nonprofit organizations to convert certain property to inclusionary developments with affordable housing undermine the careful planning process outlined in the Municipal Land Use Law; and

Re: 2026 Municipal Aid Grant
Borough of Closter
Bergen County, New Jersey
Our File No. PR-25-14326 (25CL-140)

Dear Mayor Glidden and Members of the Council:

This letter shall serve as Boswell's proposal for the preparation of construction plans, specifications, engineering estimates, and providing construction inspection services for 2026 Municipal Aid Grant and including the milling, resurfacing, and Improvements to Walker Avenue.

As the Council may be aware, Walker Avenue was the street in which Boswell, on behalf of the Borough, submitted as the 2026 NJDOT Municipal Aid Grant Application to NJDOT. The Borough's Grant Application requested \$250,000 for the improvements to Walker Avenue and the State award was for the entire amount of the \$250,000.

Scope of Work

The scope of work for Boswell's design and construction inspection services for the improvements to Walker Avenue consists of the milling, resurfacing and improvements to Walker Avenue including the upgrading of the stormwater inlets to meet current NJDOT and NJDEP requirements, replacement of sanitary sewer manhole frames and covers, as required, and the installation of ADA compliant curb ramps at all roadway intersections where sidewalk currently exists.

Scope of Services

1. Conduct a site inspection and limited survey of Walker Avenue.
2. As required by the NJDOT, a full set of Contract Plans will be prepared for the improvements to Walker Avenue.

3. Prepare the requisite Contract Documents inclusive of the Construction Plans, Specifications, Engineer's Estimate and Engineer's Design Certification in accordance with NJDOT and the Borough of Closter requirements.
4. Submit the project plans, specifications, estimates, and engineer's certification to the NJDOT through the PMRS system for review and comment.
5. Address NJDOT comments, prepare final Contract documents, and advertise the project for bid.
6. Attend the bid opening, review contractor bids, prepare a bid tabulation summarizing the bids received from the Contractors and make a recommendation of award to the Borough of Closter.
7. Coordinate and attend a preconstruction meeting with appropriate Borough officials, NJDOT, utility companies, and other parties affected by the construction activities.
8. Provide part-time inspection services during the construction phase.
9. Review contractor invoices to the Borough of Closter.
10. Make a final inspection of the project improvements.
11. Prepare a final change order and payment vouchers to the Borough of Closter.
12. Coordinate the required document submissions in NJDOT's PMRS system inclusive of the final reimbursement by NJDOT.

Fee Proposal

Boswell will perform the services outlined in the proposal for an estimated fee not to exceed \$22,500.00 for the design phase of the project and \$22,500.00 for the construction inspection phase of the project. The fee breakdown is only an estimate and will be adjusted to reflect the actual effort for each phase. The total fee, however, will not exceed \$45,000.00.

Items Not Included in the Engineering Fee

The following items are not anticipated to be required and are therefore excluded:

1. BCSCD Certification Fees
2. NJDEP Permits (not anticipated for this project)
3. Right-of-Way and/or Easement Plans or Descriptions
4. Structural Calculations and Plans (Retaining Walls, etc.)

Additional work above and beyond what is outlined in the proposal will only be performed as authorized by the Borough of Closter.

Thank you for the opportunity to submit this proposal. We look forward to providing the Borough of Closter with our engineering services and to the successful completion of this project. If you should have any questions or require additional information, please do not hesitate to contact me.

Very truly yours,

Nick DeNicola, P.E.

Dear Ms. Margiotta:

BOARD CHAIRPERSON
Brian Todd

I deeply appreciate the many years of support the Borough of Closter has provided to Spectrum for Living. With your assistance, Spectrum has received funding through the Community Development for more than twenty-five years, in order to provide a variety of invaluable services to adults with developmental disabilities and their families living throughout the Northern Valley region. These individuals and their families served are most grateful to these invaluable support services

In the upcoming year, Spectrum would like to submit a new project at the regional level and offer a Path to Independence Program. Individuals living on their own face greater challenges in their day to day life, and are at greater risk of exploitation, mental health challenges, and homelessness. This program aims to provide essential support and training to adults with developmental disabilities living on their own, as well as to those individuals living with families, but anticipate they will be living on their own in the community, to adults with developmental disabilities living in the Northern Valley communities.

CHAIRPERSON EMERITUS IN MEMORIAM
Alexander Gallione

The 2026 Community Development Program will be even more essential in this upcoming year due to a combination of funding cuts and the New Jersey Division of Developmental Disabilities shift from a contract-based system of service reimbursement to a Medicaid-based, fee for services reimbursement system. As a consequence of these changes, a number of families are currently with inadequate or no appropriate services.

MEDICAL DIRECTOR
Elia Djeblyan, M. D.

In order to complete the 2025 Community Development application process, a municipal resolution endorsing our Community Development Project will be required. A sample of the suggested resolution is attached. I have revised the amount requested to \$40,000.

I would appreciate if the resolution could be put on the Council's agenda as soon as practicable.

Your support and that of the council in endorsing our request for this resolution will be greatly appreciated.

If you have any questions or concerns, please feel free to call me at (201) 358-8000, ext. 3055.

Sincerely yours,

Katie Hennessy

November 5, 2025

Dear Mayor John C. Glidden, Jr. and Council Members,

As you know, the holiday of Chanukah commemorates the re-dedication of the Temple in Jerusalem following the Jew's victory over the ancient Syrian Empire, who had sought to coerce them into replacing their faith with Hellenism. Today, Chanukah is celebrated by Jews worldwide, to remind them of the ancient victory and to reconfirm our faith and hope in G-d.

For many years now, the Chabad-Lubavitch movement has been displaying the joys of Chanukah in malls, shopping centers, and other such public places throughout the country. We would like to arrange to set up a Menorah in front of the Closter Borough Hall for the duration of the holiday, from December 14, 2025 – December 22, 2025 .

We would also like to arrange a Menorah Lighting event in front of the Closter Senior Center, with music and refreshments, on Tuesday, December 16, at 6 PM. The event will be for approximately 30-50 minutes and will include lighting a large menorah with light refreshments served and music playing for part of the time. We expect about 100 people in attendance.

I would appreciate if you would get back to us as soon as possible, providing us with ample time to make the necessary arrangements.

Please accept my sincere thanks for your tireless efforts on our behalf. May you have the strength to continue all the good work you do for the Closter community.

Sincerely,

Rabbi Yossi Gluckowsky
