SPECIAL PROGRAMS

Fall Book Sale

Come get some bargains

Saturday October 17, 9am-4pm

Come by, find some bargains, and support you library. Over 100,000 items

for sale - including books, audiobooks, records, children's books, books in Hebrew and Korean.

We're always looking for volunteers to help with the book sale. Come by the library to sign up.

Queens of Potluck (An International Cookbook Club)

October 13 6:15pm,

Whether you're an enthusiastic home cook or someone who needs inspiration to try something new for dinner, let's gather on the second Tuesday of each month to travel the world via our palate. We will take inspiration from (library) cookbooks that feature cuisines from different corners of the globe.

Joy is beautiful at any age!

RETURNING PROGRAM

Getting Started with AI

A Hands-on Workshop

Working in a small group with step-by-step guidance, you'll use AI to handle everyday things: plan a trip, make sense of a long document, or draft a warm note to a grandchild. You'll learn how to ask AI questions so that it can give you better answers- and learn the basic rules for staying safe online: what's fine to ask, what you should double-check, and what you should never reveal.

No experience needed. No question too basic. No need to bring your own laptop. Perfect if you're brand new to all this. You'll leave with the confidence to keep exploring on your own, plus a take-home sheet of prompts to try at home.

Led by Steve

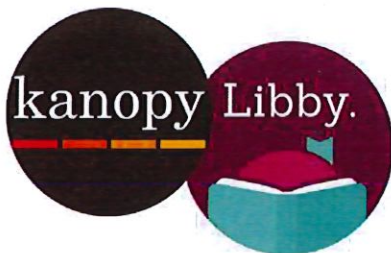

Open to the Closter residents only. Minimum of 4 patrons and a maximum of 6 per session. Dates to be announced as soon as we get enough people for each session.

[Click here to sign up.](#) Contact the library for more information.

IMPORTANT NEWS

Recertify your Libby and Kanopy accounts

Do you know your library password?

Stop by the library and we can reset it for you.

To add your library password to Libby:

1. When you access Libby on or after 10/8, you will be prompted to verify your card.

2. Enter your library account number and password (your BCCLS library account password).

3. Once you are signed in you'll get a success message.

To add your library password to Kanopy:

1. Go to [kanopy.com](https://www.kanopy.com) and log in to your Kanopy account.

2. Select the menu button in the top-right corner and go to My Account > My Libraries.
3. Select Re-enter your login information under the library name.
4. Enter your library card number and password.
5. Select Save.

NOTE - YOU ONLY HAVE TO DO THIS ONCE.

Once you enter your password during this update, the app stays logged into your account. Libby or Kanopy will ask to reverify your credentials if your library account expires or if you get a new library account number.

Monday

10-11:30am- Advanced ESL

Urgent Safety Concern Regarding Delayed-Green Traffic Signal at Knickerbocker Road and High Street

Dear Mayor,

I am writing as a resident of Knickerbocker Road to bring an important traffic-safety concern to your attention regarding the intersection of Knickerbocker Road and High Street.

A few months ago, the traffic-signal pattern at this intersection was changed to provide a delayed green only for southbound traffic. Since that change, residents along Knickerbocker Road have faced greater difficulty—and potential danger—when entering and exiting their driveways.

Because the delayed green applies only to southbound traffic, the two directions of travel on Knickerbocker Road no longer move at the same time. During the afternoon rush hour, approximately 3:00–6:00 p.m., a long line of vehicles frequently forms in the southbound lane while northbound traffic is moving. These queued vehicles obstruct the view of residents attempting to exit their driveways, particularly when turning left into the northbound lane, and make it difficult to see vehicles approaching at speed.

Unfortunately, this is no longer merely an inconvenience. **Two days ago, I experienced a near collision while exiting my driveway.** Vehicles waiting at the traffic light obstructed my view of approaching traffic, preventing me from clearly seeing an oncoming vehicle. The vehicle was traveling at considerable speed and had to brake abruptly. Fortunately, the driver stopped in time and a collision was avoided. Although I am grateful that no accident occurred, the incident underscored the seriousness of the current conditions.

Residents encounter a similar problem when returning home. When one lane is stopped while the other is moving, queued vehicles may block driveway entrances, making it difficult for residents to turn into their properties and causing delays for oncoming traffic.

I understand that traffic-signal changes are generally intended to improve traffic flow or safety. However, the current one-direction delayed-green pattern appears to have created an unintended safety hazard for residents whose driveways are located along Knickerbocker Road between High Street and Cedar Lane.

I respectfully but firmly request that the town review the current traffic-signal timing at the intersection of Knickerbocker Road and High Street as soon as possible. I also request that the appropriate traffic or engineering department conduct an on-site evaluation, preferably during a peak traffic period, to observe how the current signal timing affects residents entering and leaving their driveways.

I am concerned that, if these conditions continue, a serious accident may occur. I therefore urge the town to review the signal pattern and consider an adjustment that would provide residents with adequate visibility and allow them to enter and exit their properties safely.

BOROUGH CLERK

OCT 13 2026

BOROUGH OF CLOSTER

Thank you for your time and consideration. I sincerely hope this issue can be addressed before a preventable accident occurs.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Xiyang Li & Bei Zhou', with a stylized flourish at the end.

Subject: Stop Sepsis Act S2884/A1950
To: ccho@closternj.us <ccho@closternj.us>

Good afternoon Chris,

I hope all is well with you and your family. I'm writing to you to ask the Saddle River Council adopt a resolution on the Stop Sepsis Act, with one of the Assembly co-sponsors being Assemblyman Azzariti. The Assembly bill was set to be voted on the Assembly floor two weeks ago, but was suddenly cancelled. The Senate version is still pending hearing in the Budget and Appropriations Committee but was already approved by the Senate Health Committee. For that reason, the Sepsis Alliance has drafted the attached resolution for us to pass to municipalities for consideration to adopt. This is a bi-partisan bill and hits close to home, as I lost my one week old son, Clemson, to Sepsis on November 5, 2024. Please pass this to the Borough Council for consideration, it's a bill which will save lives and unfortunately is 1.5 years too late for my son. I am attaching the word version for the Council to make the appropriate edits, as well as the resolution adopted by the Township of Belleville last night. Look forward to hearing from you, thanks for your time and consideration.

**TOWNSHIP OF BELLEVILLE
ESSEX COUNTY, NEW JERSEY**

RESOLUTION NO. 175-2026

DATE OF ADOPTION: May 26, 2026

TITLE:

RESOLUTION OF THE MAYOR AND COUNCIL OF THE TOWNSHIP OF BELLEVILLE SUPPORTING COMPANION LEGISLATION, ASSEMBLY BILL NO. 1950 (1R) AND SENATE BILL NO. 2884, TO ADVANCE THE POLICY OBJECTIVE OF IMPROVING HOSPITAL SEPSIS RECOGNITION, TREATMENT, AND QUALITY IMPROVEMENT.

RESOLVED BY THE MUNICIPAL COUNCIL OF BELLEVILLE, N.J.:

WHEREAS, Assembly Bill No. 1950 and Senate Bill No. 2884 are companion measures pending before the New Jersey Legislature concerning sepsis recognition and treatment protocols in hospitals; and

WHEREAS, the shared policy objective of this companion legislation is to require general and special hospitals licensed in the State of New Jersey to adopt, implement, and periodically update evidence-based protocols for the early recognition and treatment of patients with sepsis, severe sepsis, and septic shock, to provide appropriate staff training, and to utilize quality measures to improve care and outcomes; and

WHEREAS, sepsis is a serious and potentially life-threatening medical condition resulting from the body's overwhelming response to infection and may lead to permanent organ damage, disability, cognitive impairment, or death if not recognized and treated promptly; and

WHEREAS, timely and evidence-based hospital protocols for the screening, early recognition, and treatment of sepsis, severe sepsis, and septic shock can improve patient outcomes, promote consistency of care, and advance the health, safety, and welfare of residents of Essex County and throughout the State of New Jersey; and

WHEREAS, Mayor and Council of the Township of Belleville finds that the policy objective embodied in Assembly Bill No. 1950 and Senate Bill No. 2884 serves an important public purpose by promoting earlier sepsis identification, prompt treatment, clinical accountability, and quality improvement in hospital care.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Township of Belleville, that the Council hereby endorses and strongly supports the policy objective embodied in companion legislation, Assembly Bill No. 1950 and Senate Bill No. 2884; and

BE IT FURTHER RESOLVED, that the Council respectfully urges the New Jersey Legislature to enact this legislation advancing these objectives to improve hospital sepsis recognition, treatment, and quality improvement practices; and

BE IT FURTHER RESOLVED, that upon final passage by the Legislature, the Council respectfully urges the Governor of the State of New Jersey to sign such legislation into law; and

BE IT FURTHER RESOLVED, that a certified copy of this Resolution be transmitted to the Governor of the State of New Jersey, the President of the New Jersey Senate, the Speaker of the New Jersey General Assembly, the New Jersey Commissioner of Health, and such other officials as may be appropriate.

RESOLUTION# 175-2026

May 26, 2026

I, Jacqueline E. Guaman, Registered Municipal Clerk, for the Township of Belleville, do hereby certify that the foregoing is a true copy of a resolution adopted by the Belleville Township Council at a meeting held on the 26 day of May, 2026.

Jacqueline E. Guaman, Township Clerk

Steven Martino, Township Attorney

Mayor Michael Melham

**RESOLUTION OF THE ESSEX COUNTY BOARD OF COUNTY COMMISSIONERS
SUPPORTING COMPANION LEGISLATION, ASSEMBLY BILL NO. 1950 (1R)
AND SENATE BILL NO. 2884, TO ADVANCE THE POLICY OBJECTIVE OF
IMPROVING HOSPITAL SEPSIS RECOGNITION, TREATMENT, AND QUALITY
IMPROVEMENT**

WHEREAS, Assembly Bill No. 1950 and Senate Bill No. 2884 are companion measures pending before the New Jersey Legislature concerning sepsis recognition and treatment protocols in hospitals; and

WHEREAS, the shared policy objective of this companion legislation is to require general and special hospitals licensed in the State of New Jersey to adopt, implement, and periodically update evidence-based protocols for the early recognition and treatment of patients with sepsis, severe sepsis, and septic shock, to provide appropriate staff training, and to utilize quality measures to improve care and outcomes; and

WHEREAS, sepsis is a serious and potentially life-threatening medical condition resulting from the body's overwhelming response to infection and may lead to permanent organ damage, disability, cognitive impairment, or death if not recognized and treated promptly; and

WHEREAS, timely and evidence-based hospital protocols for the screening, early recognition, and treatment of sepsis, severe sepsis, and septic shock can improve patient outcomes, promote consistency of care, and advance the health, safety, and welfare of residents of Essex County and throughout the State of New Jersey; and

WHEREAS, the Essex County Board of County Commissioners finds that the policy objective embodied in Assembly Bill No. 1950 and Senate Bill No. 2884 serves an important public purpose by promoting earlier sepsis identification, prompt treatment, clinical accountability, and quality improvement in hospital care;

NOW, THEREFORE, BE IT RESOLVED, by the Essex County Board of County Commissioners, that the Board hereby endorses and strongly supports the policy objective embodied in companion legislation, Assembly Bill No. 1950 and Senate Bill No. 2884; and

BE IT FURTHER RESOLVED, that the Board respectfully urges the New Jersey Legislature to enact this legislation advancing these objectives to improve hospital sepsis recognition, treatment, and quality improvement practices; and

BE IT FURTHER RESOLVED, that upon final passage by the Legislature, the Board respectfully urges the Governor of the State of New Jersey to sign such legislation into law; and

BE IT FURTHER RESOLVED, that a certified copy of this Resolution be transmitted to the Governor of the State of New Jersey, the President of the New Jersey Senate, the Speaker of the

New Jersey General Assembly, the New Jersey Commissioner of Health, and such other officials as may be appropriate.
