Dear Chief Buccola:

On behalf of the NJSACOP Accreditation Program Commissioners and our entire organization, please accept my congratulations on achieving Police Agency Re-Accreditation through the NJSACOP Law Enforcement Accreditation Program. You and the members of your department can be justifiably proud of this accomplishment.

We look forward to working together with you and the men and women of your agency over the next three years as you maintain your accredited status, and work towards re-accreditation.

Please feel free to reach out to me or our Accreditation Program Director, Harry Delgado, if there is anything that the NJSACOP can do for you or your agency.

Please let us know if you would like to have your Re-Accreditation certificate presented to you at a public meeting or other event. Please contact Harry Delgado, Accreditation Program Director, at hdelgado@njsacop.org to arrange for the presentation.

Again, congratulations on your outstanding achievement.

Sincerely,

Mitchell C. Sklar
Executive Director
