6.2—RELATIONS WITH SCHOOL SUPPORT ORGANIZATIONS

The board recognizes and values the many contributions support organizations make to the district's schools. Parent/teacher organizations and booster clubs work to augment and strengthen the district's educational and extracurricular objectives through the goods and services they provide.

Groups wishing to be recognized as a support organization must have open membership and have their by-laws approved by the school principal and or principals, the superintendent, and the board. School personnel shall assist approved booster organizations in their efforts to the extent practicable. Meetings of such organizations, cleared through the principal, shall not be subject to school use fees. School staff members are encouraged to attend and participate.

Fund-raising activities are to be approved in advance by the principal or his/her designee. Prior to the donation of equipment and/or supplies to the school, the organization should seek the advice of the principal to help ensure the compatibility of the donation with present school equipment. All equipment donated to the district becomes the property of the district.
