

# AUGUST

## THIRD GRADE NEWS

AUGUST 10-14, 2026

### What Families Can Do

- Read with your child for at least 10 minutes nightly!
- Have your child write about what they have read or even write about their days.
- After reading to your child, ask them questions about their reading using the words who, what, when, where and why?
- Practice making a ten-What number pairs equal 10?

### Dates to Remember

**August 10:** PTO Meeting 5pm

**August 18:** Picture Day

**August 25:** Boy Scouts Meeting 6:30pm

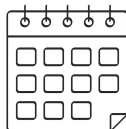

**September 1:** Family Dinner Night 5:30pm

**September 4:** Virtual Learning Day

**September 7:** Labor Day- No School

**September 11:** Grandparents Lunch

**September 14-18:** Book Fair

### What We Are Learning...

#### Reading

We are learning Establishing Routines and expectations for Reading instruction using the Benchmark Advance curriculum for the 26-27 school year. Students will practice close reading, word study, and vocabulary. Read alouds and independent reading are incorporated as well.

#### Math

Unit 1: Building a Strong Foundation

Students will learn place value and review addition and subtraction within 1,000.

#### Science

Regions, Habitats, and Adaptations: Students will learn Georgia's regions and the plants and animals that live in each one. Students will explore how different habitats meet the needs of living things.

#### Writing

Students are learning how to write a "response to reading" paragraph. They will practice including and expanding on text evidence.
