

THIRD GRADE NEWS

August 17-21, 2026

WHAT WE ARE LEARNING

READING

Unit 1: Animal Adaptations- Students will learn to Identify the Main idea and Key Details, they will build vocabulary, and describe compare- and- contrast relationships and connections in a text. Students will review short vowels.

WRITING

Unit 1: Informational Writing (Animal Adaptations)

Students will learn the elements of informational writing, review mentor texts, and write an informational paragraph. We are also learning about concrete and abstract nouns.

MATH

Unit 1 -Students will strengthen their understanding of place value, addition, and subtraction up to 1,000 through meaningful tasks and number sense routines.

SCIENCE

Unit 1: Georgia Regions, Habitats, Adaptations
Students will continue learning about Georgia's regions and the habitats that exist in them. Students will learn about an animal's needs and why they live in certain habitats.

AT TATE WE:

Learn Today, Lead

Tomorrow!
