# Choose the notifications
that work best for you

Get School Updates, Your Way

Your school's communication platform, **Rooms**, now gives you the flexibility to choose how and when you receive messages and announcements.

You can be notified by:

→ **Push Notifications** from your school app

→ **Email Notifications** delivered to your inbox

→ **SMS Text Messages** sent to your phone

Whenever a teacher or staff member sends you a new message or announcement, you can decide how you're notified—and how often. Choose real-time alerts, hourly updates, or a once-a-day digest.

1 minute ago

Hey everyone! 🌟 Just wanted to share the fun we had in Ms. Harvey's first grade class!...
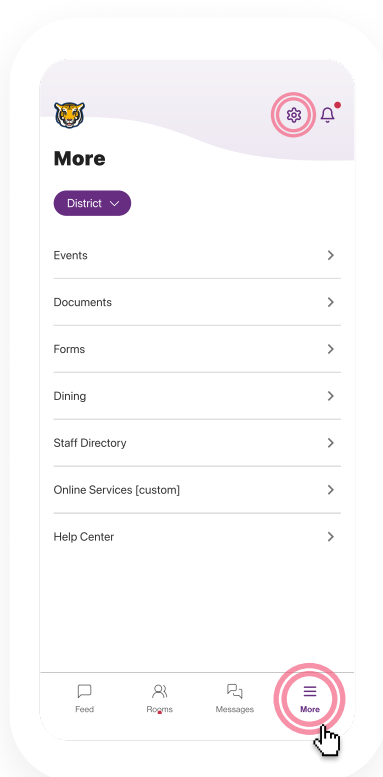

Update Your Notification Preferences
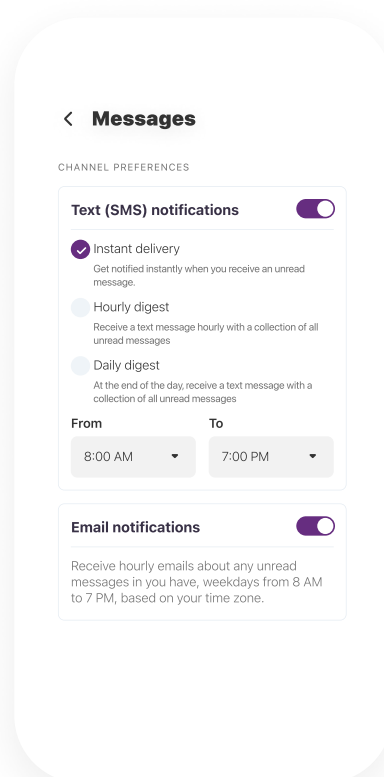

→ If you use the school app
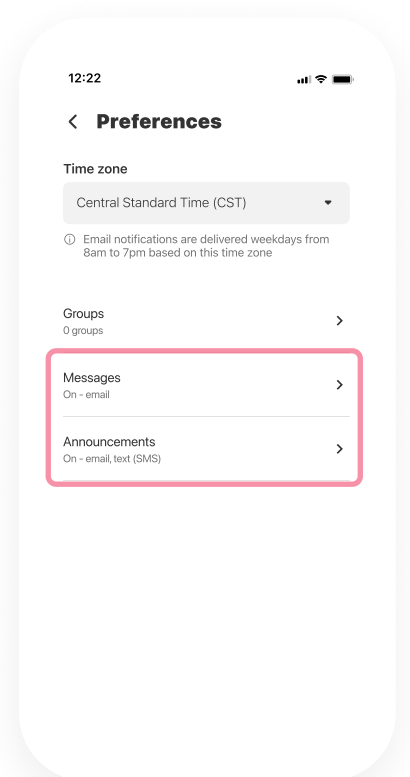

1 Open the school app

**2** Tap **"More"** and then the Settings Icon at the top right

3 Select **"Notification preferences"**

4 Customize your Preferences for **Messages** and **Announcements**

E. Wilson posted an announcement to 2024 - 2025 Math. Use this link or open the app to view the full message & attachments: https://aptg.co/8HyZBs

Notifications

SMS notifications for messages
Get unread messages immediately by text, or select a time to receive them as a collection later.

Hourly digest email for messages
Receive hourly emails about any unread messages in you have, weekdays from 8 AM to 7 PM, based on your time zone.

SMS notifications for announcements
Get text notifications for unread announcements in your rooms.

Daily digest email for announcements
Receive a daily summary of all class announcements in Rooms, delivered between 6 PM and 8 PM

1 **Click the link** when you receive a text message of a new message or announcement

2 **Login** using your mobile phone number on your phone's web browser

3 **Tap your name** at the top-right corner

4 Scroll to **"Notifications"** and adjust the settings for **Messages** and **Announcements**

? **Want to opt out of texts?**
You can opt out at any time by replying **STOP** to **27806.**
Note: This will stop Rooms message notifications but you will still receive school and district-wide alerts via text.
