| Need a payment plan? You can make three payments for your yearbook if you order early [\$30 initial payment, \$30 second payment, and a \$20 payment before March 10]. Dear Eagles-

With our new school year already well underway the 2027 edition of the award-winning *Flashlight* yearbook is already taking shape. Our **114th volume** will be over 250 pages of the most incredible coverage of this school year.

Once again we are offering personalized name plates for the cover of the book. You may add up to one line of personalization. In addition you may decorate the plaque with icons. See below for icon choices. Icons and personalization must be ordered before January 25.

Take a moment to complete the order form and return with your payment to the address listed below or **order online at yearbookforever.com**. Check the school website for an online discount code during the first semester.

Thank you for your continued support of our student publications at Abilene High School. We are looking forward to sharing the memories of the 2026-2027 school year.

Yours truly,
The Flashlight Yearbook Staff
