Welcome To Walnut Grove High School

We're excited to begin our third year at Walnut Grove High School as we launch into the 2026-27 school year. After a strong start and a successful second year, we're ready to build on the momentum and continue growing together.

At Walnut Grove, being The Standard isn't about being perfect or always winning—it's about striving to be the best version of ourselves and helping those around us do the same. That mindset drives our efforts in the classroom, on the stage, and on the field.

While we know we won't get it right every time, our commitment to excellence has already led to incredible outcomes, and we're just getting started. We look forward to another amazing year and hope you see The Standard in all we do. Go Cats!
