Welcome To Cockrell Elementary

Welcome to our family of Champions! As a Cockrell community, our collective mindset focuses on committing to and celebrating intentional progress with each child individually. Together we do this by using specific strengths to spur the next step for learning, connecting with each other deeply, and building relationships that last and endure through a lifetime. Champions are kind to all, brave and courageous, and develop and maintain growth mindsets to push through and learn from challenges. Champions think of others as better than themselves, and encourage and lift others up. At Cockrell, relationships and connections lie in the center of how we operate, and learning happens through our commitment to those intentional relationships. Together, we write the stories of Champions!
