Welcome To Rogers Middle School

I'm thrilled to welcome you to the 2026-2027 school year! It is always a good day to be a Wildcat! This year we are excited to continue getting updates to our building that will enhance the student experience on campus. All instructional rooms will be getting updated at some point during the year. This includes classroom lighting, paint, tile, and furniture. These updates reflect the commitment we have to the student learning spaces and their learning experience. Our passionate staff is focused on academic excellence and creating a vibrant campus where students can explore interests through clubs, fine arts, and extracurriculars. Student involvement is key to success and we're here to support every step of the way! Whether you're new or returning, I'm excited to partner with you this year.
