Welcome To Calhoun

At Calhoun ECS, we believe that every child deserves a strong start to their educational journey. Our mission is simple yet powerful: all students will learn and grow at high levels. This belief guides every decision we make and every experience we create for our students. We are committed to empowering Prosper ISD's youngest learners to thrive by fostering curiosity, creativity, collaboration, and a love of learning. Through engaging, developmentally appropriate experiences and research-based instructional practices, our students build the foundational academic, social, emotional, and behavioral skills necessary for future success.

It is truly an honor to serve as the principal of Calhoun Early Childhood School. I have the privilege of leading a remarkable staff that pursues excellence every day and in every way. We are proud of the meaningful relationships we build with our students and families, and we look forward to partnering with you as we help your child begin a successful and joyful educational journey.
