Welcome To Richland High School

Welcome to Richland High School, where we are building more than a school. We are building a legacy. As the home of the Raiders, we are committed to ensuring high levels of learning for all while developing young men and women of character, purpose, and leadership. Every day, our students and staff are writing the next chapter of Richland's story, and we couldn't be more proud of what we are building together.

Our Vision

Our vision is to be a bold and proud example of what education should be, where every Raider will be challenged to create, celebrated for growth, and made to feel known. We will learn collaboratively and develop a common instructional language. We will be the most innovative school in the nation by championing action-research practices and purposeful peer feedback.
