Welcome To Light Farms Elementary

I am grateful and enthusiastic for the opportunity to serve as the principal of Light Farms Elementary. This will be my 19th year as an educator and my 6th year at Light Farms. The students, staff, and families at this school are second to none, and I will commit to ensuring the pursuit of high levels of learning for all students. As a staff, we will promote continuous growth to maximize outcomes for our students. I look forward to continuing to partner with staff and families in pursuit of our shared educational goals.
