Welcome To Christie Elementary

At Dan Christie Elementary, we share a vision of creating positive experiences for all students while ensuring high levels of learning every day. Our House System serves as a meaningful way to celebrate campus successes, build community, and recognize the efforts and achievements of both students and staff. Through this collective approach, we foster a culture of belonging, collaboration, and excellence. It is our mission to inspire creativity, cultivate critical thinking, and ignite curiosity in every learner as we prepare them for future success.
