Walnut Grove High School

Prosper ISD envisions a learning community where students, families, teachers, staff, and community members unite as partners in education, creating an environment where excellence is expected and achieved daily. Through personalized learning experiences that honor individual strengths and challenges, we fulfill the promise in every child, preparing them with the knowledge, skills, and character to thrive in an ever-changing world. Our tight-knit community remains our foundation even as we grow, ensuring everyone is seen, valued, and empowered to reach their full potential.

Programs Offered

College Credit Opportunities

Partnership with Collin College, Tarleton State University, and Dallas College

Approved college courses available to learners after their 9th grade year.

Courses offered in English, mathematics, science, humanities, social studies, CTE, fine arts, and communication

558 students enrolled in 1 or more college level course in 25/26

Industry-Based Workforce Program

Collin College offers learners the opportunity to earn industry approved certifications at the end of their studies.

Prosper ISD offers a robust practicum experience for learners to allow all learners the opportunity to gain hands-on experience.

Prosper ISD partners with community business leaders to offer internships and on site work experience.

GPA Reporting

GPA and class rank calculations include all courses taken during the school year. Grades earned outside of the regular school day or school year are excluded from GPA and rank calculations, including summer school; any correspondence course; any online course not approved by the principal and monitored and proctored by a District employee; any local credit course; and grades earned by Credit by Examination (CBE).

Highest GPA	5.57
Average GPA	4.35
