We would like our summer band program to be accessible to 100% of our band members. Playing an instrument is NOT seasonal! It is a year-round endeavor, and should be done consistently to maintain progress. However, we know that summer is an important time for taking a break, going on vacation, playing sports and just relaxing. We hope that if your family is in town, you will decide to join us. We will attend a field trip at the Wheaton Municipal Band Concert, and we will play some fun music as a part of the Westmont Fourth of July Celebration.

If you are an incoming 6th, 7th or 8th grader in band MAKE SURE YOU SIGN UP FOR SUMMER BAND 2026!

Incoming high schoolers are welcome to play with us too, as student leaders.

Even if you can only attend a portion of our summer band program, we guarantee it will be fun, educational, and the best bang for your buck around! Sign up today! You won't want to miss it!
