School-Parent Compact 2026-2027

What is a Parent, Student, and Teacher Compact?

It is a written commitment expressing how all members of a school's community, teachers, principals, and students agree to share responsibility for the student learning process. The compact helps bridge the learning connection between school and home.

Parents, Students, and Teachers promise to:

1. Parents

I want my child to succeed. Therefore, I will:

- **Help my child be punctual and attend school regularly**
- **Support the school discipline policy**
- **Regularly review all information my child brings home from school**
- **Supervise the completion of homework and home activities with my child**
- **Attend parent/teacher conferences and at least two school functions (i.e. curriculum nights, and extracurricular activities)**
- **When possible, volunteer at school (we suggest at least 4 hours per semester)**

2. Teachers

It is important that I work to the best of my ability. Therefore, I will:

- **Be an advocate for all children and keep safety as a first priority**
- **Provide instruction that supports all different types of learners in my class**
- **Provide an open line of communication with my parents via phone calls, emails, and my web page in a timely manner**
- **Keep track of the success and concerns of all of my students**
- **Teach with enthusiasm in order to motivate my students**
- **Update my grades and website regularly**
