

Quick Steps for Parents: Reviewing Your Child's PGP

1. **Check Your Email/Portal** – Look for an **Aeries notification** when your child's Personal Graduation Plan (PGP) is ready.
2. **Log Into Aeries** – Open the **Academic Plan** to review courses, endorsements, and goals with your student.
3. **Review Together** – Talk through the plan to be sure it matches your child's interests and graduation pathway.
4. **Sign Electronically** – Complete the approval step in Aeries to finalize the plan.

Remember: The PGP is flexible! If goals change, updates can be made with your child's counselor.
