

At **Winship Elementary School** our mission is to provide engaging learning opportunities that encourage academic and social growth for each student in nurturing environment with parent and community support.

Winship Core Beliefs

We believe each child should have individual strengths recognized and nurtured.

We believe all children must have a safe environment in which to learn.

We believe that all children learn differently and it is our responsibility to meet their learning style needs.

We believe all children are worth the investment of time, energy, and dedication to discover what motivates them to learn.

We believe all children and parents should know we truly have their best interests at heart.

We believe all children deserve an equal chance and all learning should be engaging and diverse.

The parents/guardians of Winship Elementary pledge to provide structure at home by creating routines that include studying, accountability and personal responsibility. We will show understanding through the validation of our children's emotional situations, evaluate and develop appropriate ways to express emotions and feelings. We will have two-way communication with school educators about important information such as our child's learning styles and needs. We will ensure our child's success checking for work completion and continuing communication with their teachers. We also pledge to attend parent/teacher conferences twice a year to ensure our children's success.

Students whose parents are involved in their education have greater success in school.

TOGETHER WE CAN DREAM · BELIEVE · LEAD · ACHIEVE

The Students of Winship Elementary pledge to follow school rules such as: Keep hands, feet and objects to yourself. Raise your hand to be recognized before speaking. Walk at all times in the classroom and hallway, follow all directions the first time they are given, and Treat others in a respectful manner. We pledge to come to class prepared, be accountable and responsible for ourselves. We will also be committed to our learning by being present and engaged every day, completing homework and classwork to the best of our ability. We will be active participants in our learning, participating in class discussions and completing our work in a timely manner.

We are
WINSHIP PROUD

The teachers of Winship Elementary pledge to communicate effectively with the parents/guardians of every student every week. We will communicate with parents through updates via newsletters and/or Class Dojo, gradebook entries, and parent contacts regarding failing grades prior to progress reports and report cards. Teachers pledge to respond to parent messages within 24 hours. We will continuously check for understanding of concepts taught and use data to guide our instruction. Every students' needs and interests will be evaluated, addressed and implemented into instruction daily throughout the year. We will create a safe and effective learning environment for our students by enforcing a positive discipline code, communication with parents about student needs, interests, and interventions. We will ensure that instruction is equitable for students.
