For BHS students, there will be a movie night hosted by Principal Cheyenne Hinkle, in conjunction with the Berwick Theater & Center for Community Arts, at 7 PM on Wednesday, December 17th. This movie night will feature the popular Christmas movie “ELF” at the Berwick Theater.

Tickets will be handed out to students during lunch this week, up to movie night. These tickets will be free for students to get in. Thanks to generous sponsors, there will also be free popcorn and soda available.

The students will be allowed to use their phones while in the theater. There will be teachers, as well as other local community members, helping by giving out drinks and popcorn. Principal Cheyenne Hinkle, as well as other teachers, will be helping out behind the stands.

There were around 80 students who attended the last BHS movie night, all of them giving positive reviews. Freshman Nakoda Sager said, “It was fun hanging out with friends.”

Hinkle said, “This movie night provides a safe and free environment for students to socialize.” This will also give students the opportunity to watch a movie by themselves or with friends, free of charge.

Many sponsors have helped to make this happen. Thanks go out to The Maria Assunta Society, The Berwick Theater & Center for Community Arts, Vision Development, Dida’s Incredible Edibles, The Community Giving Foundation, Laubach’s Auto Repair, The Elks Lodge-Berwick, PA, First Keystone Bank, and Artesian Pools and Spa Inc. for their contributions

Mrs. Hinkle hopes that many students will take advantage of this free opportunity to watch a movie with their friends and get into the holiday spirit.
