Dear parent or guardian:

Our schools are impacted with federally-connected students — those whose parents/guardians:

- **Live in Choctaw Nation Housing (Including LEAP Homes), restricted Indian Land or Indian trust land, or an Indian Home.**
- **Work on federal property in Oklahoma.**
- **Live on federal property in Oklahoma, and/or**
- **Are active duty military personnel.**

Because of this impact, we receive federal grant funds to operate and maintain our schools and enrich school programs. To receive these funds, the U.S. Department of Education requires us to survey each student to determine eligibility.

Please be assured that all information collected is confidential and used only for the stated purpose. The Impact Aid grant application provides only collective information on the numbers and locations of federally-connected students attending our schools.

Impact Aid Program Survey Forms are sent home with students in the fall of each school year, and we ask that they be returned as soon as possible. A short list of nearby federal facilities is shown on the survey. If you work at a federal site not listed or if you are not sure whether your place of employment is on federal property, please give the name and full address of your employer.

Your cooperation in returning completed forms promptly is greatly appreciated. The more forms returned, the greater the amount of funds available to our schools.

Thank you,

Talitha Butcher
Superintendent, McCurtain Public Schools
