HANCOCK CENTRAL SCHOOLS

Capital Project 2026

The Hancock Central School District, together with the Board of Education, is pleased to unveil our 2026 capital project for voter consideration. On October 27, 2026, the Hancock Central School District Board of Education approved two separate capital project propositions to be presented to District voters on Tuesday, January 5, 2027.

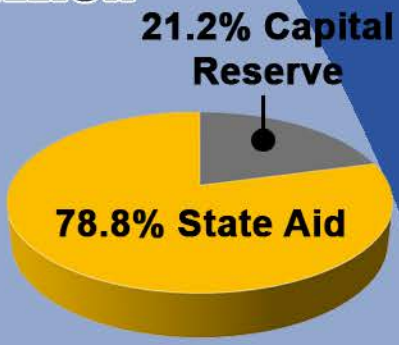

PROPOSITION 1 MAIN CAPITAL PROJECT UP TO $12 MILLION

This proposition includes improvements to District school facilities, including roofs, windows, fire alarm and emergency communication systems, instructional spaces, and other identified building needs.

This proposition will have no additional tax impact

Project Funding Breakdown

PROPOSITION 2 HANCOCK PUBLIC LIBRARY UP TO $725,000

This proposition includes improvements to the Hancock Public Library, including boiler replacement, a contingency for potential abatement work, and the installation of an accessible restroom. Unlike the school facility improvements, the Library improvements do not qualify for State Building Aid. Based on current estimates, the projected additional local tax levy would be approximately $68,482 annually. For a property with a full value of $100,000, this represents an estimated $13.90 per year in additional school taxes.

Absentee Ballots

Absentee ballot applications are available to qualifying Hancock Central School District residents from the District Clerk located at the High School during regular business hours (8:00 AM to 3:00 PM). All completed absentee ballots must be received by the District Clerk no later than 5:00PM on January 5, 2027. The district will automatically mail absentee ballots to voters listed as "permanently disabled" on registration lists provided by the Delaware County Board of Election

Eligibility:

- Are a U.S. citizen.
- Are at least 18 years of age.
- Have been a resident of the school district for 30 days preceding the election
