## IN DISTRICT BOUNDARIES ENROLLMENT INFORMATION

Unless otherwise required by law, the Waynesville School District does not accept nonresident students (see Board Policy JEC-1 located on the district's website at: www.waynesville.k12.mo.us/page/board-of-education). Students who do not meet the requirements to be a resident student of the District, as defined in board policies and law, will be considered nonresidents. Students are expected to attend the schools which serve the area which they reside. Parents need to consider this before taking plans for child care which might be outside the student's assigned school's service area.

## ELEMENTARY STUDENT TRANSFERS

Request for Student Transfer forms are for parents to request for their child(ren) to attend a school outside their attendance area, but still within Waynesville School District boundaries, due to special circumstances (e.g., day care). Policy JCB, Intra-district transfers, states that the form must be used to request a transfer. Approved transfer requests require parent-provided transportation. Not all transfer requests are approved. Maintaining pupil/teacher ratios across the district is the main factor used in processing the requests. Requests for student transfer to another school may be received at any time. Except for extenuating circumstances, transfers will be made only during the **first ten days of a semester.** To fill out the form please go to:
https://www.waynesville.k12.mo.us/page/student-transfer-requests
If you have any questions regarding your request please contact Student Services at 573-842-2092 or studentservices@waynesville.k12.mo.us

## DAY CARE CENTERS

All students in off-Post and on-Post day cares will be provided bus transportation to/from all day cares within their School boundary zones ONLY. Parents are responsible for notifying the school when their children will be attending day care centers. Bus transportation is provided to/from all elementary schools on-Post and off-Post for students attending the CDC and School-Age Service Center.
Please see the Waynesville Street Listing Information link www.waynesville.k12.mo.us for more information regarding attendance areas and bus availability.

# STUDENT MEDICATIONS

Students **are not** allowed to bring **any** medications (including Tylenol, cough drops,or other over-the-counter medications) to school without proper paperwork being on file at the nurse's office. Long-term medications (greater than 10 days) require a medication authorization form completed by the parent. Prescriptions that require the student to carry medications themselves such as inhalers, Epi-pens or other devices authorized by law, will require a physician's signature and an authorization and release form from the parent to be on file in the nurse's office. The student must be able to demonstrate proper usage to the school nurse and comply with additional requirements under law and/or Board policy. If the medication is given for an extended period of time, a 30-day supply must be delivered to the nurse's office by the parent/guardian unless prior arrangements have been made with school administration. It is the parent/guardian's responsibility to keep track of refills. For students with serious health care concerns, an Individualized Health Care Plan or other appropriate plan should be on file in their school building. Such plans should be updated each school year.
