EXECUTIVE SUMMARY

Financial Integrity Rating System of Texas (FIRST)

We are pleased to announce that the El Paso Independent School District has received a "Superior Achievement" rating on the Financial Integrity Rating System of Texas, the State's highest fiscal accountability rating. It is an indication that our District is financially stable. The other available ratings are "Above Standard Achievement," "Standard Achievement," and "Substandard Achievement."

The FIRST is the result of legislative action (Senate Bill 875 of the 76th Texas Legislature in 1999) designed to require school districts to annually report to its governing body (the Board) and the public, information that the Commissioner of Education deems relevant. The Texas Legislature has given the Commissioner of Education, who is subject to the Governor, rulemaking authority to establish the information criteria to be included in the disclosure. The information is required to be disclosed at a public meeting of the Board. In addition, the law requires a public hearing that allows any taxpayer of the District to address the Board concerning the report.

The Commissioner's rules regarding FIRST are included in the Texas Administrative Code (TAC) Chapter 109 Subchapter AA.

The Texas Education Agency (TEA) and the Texas Association of School Business Officials (TASBO) have jointly developed a recommended presentation format that is used in this report.

The FIRST rating system includes twenty-one individual indicators.

Out of a possible 100 points, El Paso ISD scored 92 of 100.

The 2024-2025 (Fiscal Year 25) and 2023-2024 (Fiscal Year 24) District Status Detail is presented in the Appendix section of this report. The Status Detail reports indicate a history of a high ranking in the District's financial management. These reports are derived from the District's audited financial statements and other information submitted to TEA via the Public Education Information Management System, also known as PEIMS.

DISCLOSURES

Other disclosures required in the report are:

1. Superintendent employment contracts are posted to the District's website in lieu of this report.
2. Reimbursements received by the Superintendent and Board of Trustees for Fiscal Year 2025.
3. Outside compensation and/or fees received by the Superintendent for professional consulting and/or other personal services in the Fiscal Year 2025.
4. Gifts received by the executive officer(s) and Board of Trustees (and first-degree relatives, if any) in the Fiscal Year 2025.
5. Business transactions between the school district and Board of Trustees for the Fiscal Year 2025.

In summary, El Paso ISD has achieved the State's highest rating of "Superior Achievement" for 23 years and a rating of "Above Standard" for the 2017-2018 year.

Reporting requirements for the financial management report for School FIRST public hearing are found in **Title 19 Texas Administrative Code Chapter 109, Budgeting, Accounting, and Auditing, Subchapter AA, Commissioner's Rules Concerning Financial Accountability Rating System**. This rule describes requirements for the disclosures explained below that will be presented as appendices in the Schools FIRST financial management report.

DETERMINATION OF RATING

A. Did the school district fail any of the critical indicators 1, 2, 3, or 4? If so, the school district's rating is **F for Substandard Achievement** regardless of points earned.

B. Determine the rating by the applicable number of points.

A = Superior Achievement	90-100
B = Above Standard Achievement	80-89
C = Meets Standard Achievement	70-79
F = Substandard Achievement	<70

No Rating = A school district receiving territory that annexes with a school district ordered by the commissioner under TEC 13.054, or consolidation under Subchapter H, Chapter 41. No rating will be issued for the school district receiving territory until the third year after the annexation/consolidation.

The school district receives an **F** if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, or 4, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on time for FIRST analysis.

90TH LEGISLATIVE PRIORITIES DESCRIPTORS

1. **Additional funding for aging facilities & deferred maintenance**

32 campuses are over 60 years old. Due to aging buildings and needed deferred maintenance, AECOM estimates \$170 million would be needed to bring campuses up to optimal learning conditions.

2. **Alternative attendance & enrollment funding models for districts experiencing demographic shifts**

Support the development of alternative school finance funding models that account for changing student demographics and enrollment declines, ensuring districts experiencing population shifts are not disproportionately impacted by reductions in funding. This approach will provide greater fiscal stability, allowing districts to maintain high-quality educational programs, staffing, and student services while adapting to evolving community needs.

3. **Cybersecurity & technology infrastructure funding**

Increase state funding dedicated to cybersecurity and technology infrastructure to help school districts protect critical systems, safeguard student and staff data, and enhance digital learning environments. Sustainable investment in modern technology, network security, and infrastructure upgrades is essential to ensuring operational continuity, educational innovation, and resilience against evolving cyber threats.

4. **Facilities funding & school safety allotment increases**

Increase the School Safety Allotment to provide districts with sustainable funding for campus security personnel, emergency preparedness, mental health supports, safety technology, and facility security enhancements. Adequate and ongoing investment is essential to help schools meet evolving safety requirements and ensure all students and staff have access to safe, secure, and supportive learning environments.

5. **Funding for textbooks (non-mandated)**

Funding for textbooks is provided through the State board of Education for TEA approved products like Blue Bonnet Math. EPISD migrated to Blue Bonnet Math for the 26-27 school year and is awaiting final approval of other resources from TEA (anticipated 11/26) for subsequent years. The district is funded per student with the purchase of blue bonnet materials. EPISD currently incurs expenses for non-mandated instructional materials for Advanced Academics/CTE, and all core courses supported by Teaching and Learning for Reading Language Arts, Science and Social Studies. The district engaged in a science adoption 3 years ago and will not incur materials cost for another school year. TEA does provide EPISD funding for all general, non-mandated instructional materials in the form of Instructional Materials and Technology Allotment. This funding is limited and supplemented every other year. Our current state funding model does not adequately cover financial needs for future purchases and leads to district self-funding.

6. **Increase basic allotment**

Increase the Basic Allotment to provide school districts with adequate funding to address rising operational costs, attract and retain high-quality staff, and meet the diverse academic, safety, and support needs of students. An increase in the Basic Allotment will ensure districts have the flexibility and financial stability necessary to deliver high-quality educational opportunities and support long-term student success.

7. Increased funding for emergent bilingual students

Texas provides additional funding for Emergent Bilingual (EB) students based on the program model in which they are served: 0.10 weighting for Transitional Bilingual/ESL programs and 0.15 weighting for Dual Language Immersion programs. Based on the current Texas Basic Allotment of \$6,555, this equates to approximately \$655.50 per EB student in Transitional Bilingual/ESL and \$983.25 per EB student in Dual Language. The difference is about \$327.75 more per EB student served in Dual Language, summary:

- Transitional Bilingual/ESL: \$655.50 per EB student. [
- Dual Language Immersion: \$983.25 per EB student.
- Additional rev. from Dual Lang \$327.75 per EB student compared to Transitional Bilingual/ES

8. Mitigation of declining enrollment impacts

El Paso ISD believes students should not lose educational opportunities simply because of demographic trends beyond a district's control. As enrollment declines across Texas, particularly in urban and border communities, the state's continued reliance on ADA-based funding compounds financial challenges for districts already operating with some of the lowest levels of public education funding in the nation. We support legislative solutions that provide funding stability during enrollment declines, increase the basic allotment, and move Texas toward a more equitable funding model based on student enrollment rather than daily attendance so that districts can continue meeting the academic, safety, and workforce needs of the communities they serve.

9. Principal & Assistant Principal Incentive Allotment (PIA) funding

To implement the administrator compensation framework, EPISD must transition principals and assistant principals from traditional salary schedules to performance-based pay systems tied to leadership effectiveness, student outcomes, campus climate, and strategic staffing needs at high-needs campuses. These requirements align directly with state priorities and place significant additional financial obligations on districts to redesign evaluation systems, establish performance-based salary bands, and incentivize leadership placement where student need is greatest. School districts do not have sufficient local funding to provide sustainable performance-based salary increases for administrators, meaningful implementation can only occur with dedicated state funding rather than requiring districts to absorb the full cost through local resources.

10. Reform & increase Special Education funding

Texas has historically funded special education using weighted allotments based on instructional setting, with weights ranging from 1.15 (mainstream) to 5.0 (self-contained and homebound), which generate substantially more funding than the 0.10-0.15 weight provided for Emergent Bilingual students. Beginning in 2026-27, Texas is shifting to an Intensity of Services funding model that allocates funding based on student needs rather than placement setting. House Bill 2 and Senate Bill 568 replace the instructional-setting model with a new Intensity of Services Funding Model beginning in the 2026-27 school year.

Funding will be driven by:

- The intensity of specially designed instruction and supports documented in the student's IEP.
- Eight tiers of service intensity.
- Additional service group allotments for specific supports.
- Time spent receiving services rather than simply where the student is placed.

11. Review & reform A-F accountability ratings

El Paso ISD believes in accountability and high expectations for all schools. However, the current A-F accountability system should be reviewed and reformed through a shared decision-making process that includes school districts, educators, and community stakeholders. Accountability measures should be fair, consistent, transparent, and provide an accurate picture of school performance while recognizing the unique challenges and opportunities facing districts across Texas. Districts need a stable accountability system with clear expectations that remain consistent over time, not a system where the standards and targets change from year to year. Before raising expectations or changing the methodology, the state should establish a fair and predictable framework that allows schools to plan, improve, and be evaluated against clearly understood measures. The goal should be an accountability system that supports improvement, builds public trust, and keeps the focus on student success.

12. School district insurance cost mitigation

Addressing employee insurance costs is critical to preserving the financial stability of our school district while ensuring that educators and staff continue to have access to affordable, competitive healthcare benefits. Legislative consideration can include state-level advocacy and funding support to address the growing gap between health insurance expenditures and available education funding.

13. SHARS Funding Protection & Hold Harmless recalculations

Protect and preserve SHARS funding by ensuring districts are not financially disadvantaged by changes to reimbursement methodologies, eligibility requirements, or administrative processes. Recalculate and strengthen hold harmless provisions to mitigate funding losses, providing districts with stable resources to continue delivering critical health-related services and supports to students with disabilities.

14. Technology allotment

EPISD students and teachers are in need of device refresh to provide 21st century learning opportunities aligned to state standards. TEA provides technology and instructional material allotment on a biennium basis; the Texas Instructional Materials and Technology Allotment (IMTA) provides school districts with a two-year budget to purchase instructional resources and technology. This source is for Non SBOE instructional materials and technology purchases.

15. Transportation allotment modernization to reflect current costs

The district receives \$1 per mile (since 1985) for seatbelt upgrades required by the state, regular bus maintenance, and upgraded technology for buses (cameras, tracking tools, etc.)

Framework for School Board Development

Preamble: The mission of the public education system of this state is to ensure that all Texas children have access to a quality education that enables them to achieve their potential and fully participate now and in the future in the social, economic, and educational opportunities of our state and nation (Education Code 4.001).

The board of trustees is the governing body for Texas public schools. To effectively meet the challenges of public education, school boards and superintendents must function together as a governance leadership team. Each leadership team will annually assess its development needs both as a corporate body and as individuals. As a team, they will focus on the improvement of locally developed student outcomes and provide support for opportunities and experiences through vision and goals, systems and processes, progress and accountability, advocacy and engagement, and synergy and teamwork. Teams ensure that their districts provide equitable and effective educational programs and services for all students. The Framework for School Board Development has been approved by the State Board of Education to provide the critical areas of development for all public school boards.

1. Vision and Goals — The board ensures creation of a shared vision and locally developed, measurable goals that improve student outcomes and provide support for opportunities and experiences. The board:
 - Keeps the district focus on the well-being of all children.
 - Adopts a shared vision that incorporates input from the community to reflect local aspirations as well as present and future needs for all children.
 - Ensures that the vision aligns with the state's mission, objectives, and goals for education established by law and/or rule.
 - Adopts a reasonable number of specific, quantifiable, research-based, and time-bound goals that align with state law, are developed with community input, and support the vision to improve student outcomes.
 - Embraces, supports, and fulfills the vision that all students receive what they need to learn, thrive, and grow, including resources, opportunities, and experiences.
 - Uses the vision and goals to drive all deliberations, decisions, and actions.
2. Systems and Processes — The board ensures systems and processes are in place to accomplish the vision and goals. The board:
 - Regularly develops, reviews, and adopts board policies for effective support of the district's vision and goals.
 - Approves a budget that aligns with and maximizes resources to fulfill the district's vision and goals.
 - Monitors multiple, measurable elements of student progress and achievement throughout the year.
 - Incorporates equity when making decisions and evaluating systems and processes.
 - Focuses its actions on following board operating procedures while providing oversight of the superintendent, policymaking, planning and goal setting, progress monitoring, and evaluation, while avoiding involvement in daily operations and management.
 - Approves goals, policies, and programs that ensure a safe and secure learning environment.

- Ensures the equitable distribution of resources, opportunities, and experiences based on the diverse needs of students and schools.
 - Adopts a planning calendar and engages in a decision-making process consistent with state law and rule to help achieve the district's vision.
 - Ensures that the district's planning and decision-making process enables all segments of the community, families, and staff to meaningfully contribute to achieving the district's vision.
 - Welcomes and values all people and cultures as important stakeholders in the process for student success.
 - Ensures the district has a system that monitors for sound business and fiscal practices.
 - Adopts policies regarding hiring, assigning, appraising, terminating, and compensating school district personnel in compliance with state laws and rules.
 - Ensures the district adopts a protocol regarding the recruitment, determination of professional development needs, building of leadership capacity, and retention rates for the district's teachers.
 - Fulfills the statutory duties of the local board of trustees and upholds all laws, rules, ethical procedures, and court orders pertaining to schools and school employees.
3. Progress and Accountability — The board sets clear goals, provides resources and support, evaluates goal attainment, and engages in ongoing objective feedback on progress and commitments. The board:
- Holds itself accountable to its adopted vision, goals, commitments, and operating procedures.
 - Ensures progress toward achievement of district goals through systematic, timely, and comprehensive review of relevant reports and student data that illustrate progress toward locally developed student outcome goals.
 - Ensures equity throughout the system by regularly identifying inequities, updating policies, and appropriately distributing resources.
 - Differentiates among resources, intermediate measures, and outcomes, especially when focusing on student outcomes.
 - Monitors and evaluates the allocation of resources in support of the district's vision and goals and sustainability.
 - Reviews the efficiency and effectiveness of district operations and use of resources in supporting the district's vision and goals.
 - Employs and annually evaluates the superintendent on the achievement of district goals, including locally developed academic goals, demonstration of educational leadership, and management of daily operations.
4. Advocacy and Engagement — The board promotes the vision and engages the community in developing and fulfilling the vision. The board advocates on behalf of Texas public schoolchildren. The board:
- Demonstrates its commitment to, and advocates on behalf of, the shared vision and goals by clearly communicating them to the superintendent, staff, and community.
 - Regularly reports district progress to families and the community, which could include an online dashboard for the community.
 - Ensures multiple forms of two-way communication will be used to engage, empower, and connect students, families, staff, media, and community with the district.
 - Builds collaborative relationships and partnerships with families and community, business, nonprofit, higher-education, education support organizations, and governmental leaders to influence and expand educational opportunities and meet the needs of students.

- Recognizes the respective roles of and provides input and feedback to the legislature, State Board of Education, and the Texas Education Agency to ensure maximum effectiveness and benefit to Texas schoolchildren.
 - Promotes school board service by educating the community about the role of a school board and encouraging leadership opportunities within the community.
5. Synergy and Teamwork — The board's duties are distinct, and the board works effectively as a collaborative unit and as a team with the superintendent to lead the district in fulfilling the vision and goals. The board:
- Recognizes its distinct role in establishing the vision and the goals, adopting policies that guide the district, setting priorities, establishing governance protocols to oversee management of the district, adopting and overseeing the annual budget, and hiring and evaluating the superintendent.
 - Recognizes each individual trustee's duty as a trustee and fiduciary for the entire district.
 - Remains focused on its goals and priorities, as opposed to individual agendas separate and apart from the shared vision.
 - Annually evaluates its performance as a team, with attention given to the district's vision and goals; fulfilling the board's duties, responsibilities, and commitments; and the board's working relationship with the superintendent.
 - Makes decisions as a whole only at properly called meetings and recognizes that individual members have no authority to take individual action in policy or district and campus administrative matters.
 - Respects the right of individual members to express their viewpoints and vote their convictions and honors the decisions of the majority.
 - Develops teamwork, problem-solving, and decision-making skills as a team with its superintendent.

Compliance with Operating Procedures

Individual Board Members and/or the Superintendent are encouraged to express their concerns about a Board Member's compliance with Board Operating Procedures directly with that member, verbally, followed by any written communication.

If the issue is not resolved after personal discussions between the individuals involved, then discussion with the Board President is appropriate. The Board President shall discuss the concern with the Board Members in question on behalf of the individual concerned, or the President shall moderate a discussion between those involved. If the concern involves the Board President, the Board Vice President shall serve this role.

If the issue still is not resolved, the Board President shall place an item on the next meeting agenda for a Closed/Executive Session posted as "Deliberation of Duties of a Public Officer." Alternatively, three Board Members can notify the Board President and request the item be placed on the next meeting agenda.

In Closed/Executive Session, the individuals with the concern shall state their concern and provide specific examples to support that concern and the Board shall discuss the concern. Among other options to resolve the matter in Closed/Executive Session, Board Members may encourage the Board Member to attend specific training related to the Board Operating Procedures.

If the Board Member in question does not believe his or her behavior is in conflict with Board Operating Procedures even in the Closed/Executive Session discussion, the matter will be addressed by majority vote of the Board in open session, with options including, but not limited to, the following:

- a. Require the Board Member to attend specific training related to the Board Operating Procedures.
- b. Removal from any Board-appointed office.
- c. Formally reprimanded in public meeting.

Discussions about compliance concerns should be intended to resolve the concern while avoiding any punitive actions. Discussions could include reminding the Board Members whose behavior is in question about the adopted Board Operating Procedures how the questionable behavior does not comply with those procedures. The discussion could also identify more appropriate alternatives to the questionable behavior or refer the Board Member to policies or procedures that outline approved ways to deal with the issue that prompted the questionable behavior.

While the Superintendent is encouraged by these procedures to report to the Board President or other members in the event a compliance concern is not addressed individually, Board Members will not take concerns about fellow Board Members to the Superintendent.

VENDOR CONTRACT (Goods and Services)

THIS VENDOR CONTRACT FOR GOODS AND SERVICES ("this Contract") is between CERTIPORT, A BUSINESS OF NCS PEARSON, INC. (the "Vendor") and the EL PASO INDEPENDENT SCHOOL DISTRICT ("District"). The Effective Date of this Contract is November 8, 2026, regardless of when executed. For and in consideration of the mutual covenants herein, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties hereby agree as follows:

1. Term.

1.1 Term. The term of this Contract shall be for a period from November 8, 2026, through November 7, 2027, [with 0 year(s) annual renewal(s)], unless earlier terminated in accordance with this Contract. Annual renewals, if any, shall be at the sole discretion of the District.

1.2 Non-Appropriation. In the event the Contract is awarded for a term greater than one year or extending beyond the District's current budget period, it will be subject to approval at the commencement of each of the District's budget years. Vendor agrees that the District has the continuing right to terminate this Contract without notice at the end of a District budget period in which funds for this Contract are not appropriated. In such event the Contract may be terminated as soon as practicable after the event of non-appropriation or upon 30-days' prior written notice whichever provides the longest notice.

2. Cancellation/Termination.

2.1 Termination. This Contract may be terminated as follows: (a) by either party in the event of material breach of this Contract by the other party which continues more than thirty (30) days after written notice of default from the non-breaching party to the breaching party; or (b) by the District at its option: (i) if Vendor fails, as determined by the District's representative, to satisfactorily perform the duties set out in this Contract, comply with any covenant herein required or breach any warranty provided herein; becomes insolvent, files or has filed against it a petition in bankruptcy, proposes or accomplishes any dissolution, liquidation, composition, financial reorganization or recapitalization with creditors; (ii) if a receiver, trustee, custodian, or similar agent is appointed or takes possession of any property or business of Vendor; (iii) if, at the expiration of each District budget period occurring during the term of this Contract, funds for this Contract are not appropriated as provided in Section 1.2 above; or (iv) with or without cause upon thirty days prior written notice from the District to Vendor. In the event of early termination of the Contract for any reason, the total compensation which may be claimed by Vendor under this Contract shall be limited [subject to other limitations in this Contract or applicable law] to the payment for the conforming Goods and/or Services timely provided by the date of termination.

2.2 Effect. Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Contract, Vendor shall submit to District its claims, in detail, for the monies owed by District for Services satisfactorily performed or Goods delivered and accepted under this Contract through the effective date of termination. **Failure by Vendor to submit its claims within forty-five (45) calendar days shall negate any liability on the part of District and constitute a waiver by Vendor of any and all right or claims to collect monies that Vendor may rightfully be otherwise entitled to for Services satisfactorily performed or Goods delivered under this Contract.** Regardless of how this Contract is terminated, Vendor shall effect an orderly transfer to District or to such person(s) or firm(s) as the District may designate, at no additional cost to District. Upon the effective date of expiration or termination of this Contract, Vendor shall cease all operations of Services being performed or delivery of Goods by Vendor, or any of its subcontractors, pursuant to this Contract. All completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced, or provided to Vendor, in connection with the Services rendered by Vendor under this Contract, regardless of storage medium, shall be transferred to District. Such record transfer shall be completed within thirty (30) calendar days of the termination date and shall be completed at Vendor's sole cost and expense. Payment of compensation due or to become due to Vendor is conditioned upon delivery of all such documents.

3. **Right to Assurance.** Whenever the District in good faith has reason to question the Vendor's intent to perform, the District may demand that the Vendor give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five business (5) days, the District may treat this failure as an anticipatory repudiation of the Contract.

4. **Remedies.** In the event of default of this Contract by Vendor, the District shall have all of, and may exercise one or more of, the following rights and remedies: (a) the right to recover damages; (b) the right to seek injunctive relief; (c) the right to seek declaratory relief; (d) the right to off-set and/or retain from payments otherwise due to Vendor damages, fees, and costs sustained or incurred by the District in connection with such breach; (e) the right to terminate this Contract as provided herein; and (f) any of its rights and remedies in law or equity. In no event shall District's action of terminating this Contract, whether for cause or otherwise, be deemed an election of District's remedies, nor shall such termination limit, in any way, at law or at equity, District's right to seek damages from or otherwise pursue Vendor for any default hereunder or other action.

5. **Force Majeure.** If by reason of Force Majeure (i.e. acts of God, strikes, lockouts, or other industrial disturbances, etc.), either party hereto shall be rendered unable, wholly or in part, to carry out its obligations under this Contract, then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

6. **Goods and Services to Be Delivered.**

6.1 **Delivery, Packaging and Acceptance of Goods.**

A. Vendor agrees to provide the Goods listed and described in Exhibit "A," which is attached hereto and incorporated herein by reference for all purposes [or any subsequent Goods required to be delivered to the District under this Contract] (collectively, the "Goods"). Unless otherwise stated in Exhibit "A", the Goods shall be delivered in accordance with the following Standard Delivery Terms:

(i) F.O.B. District's James Gamble Facility, 4900 Woodrow Bean Drive, El Paso, Texas 79924.

(ii) Goods will be packed in accordance with good commercial practice and in a manner which will facilitate securing the lowest transportation costs, conform to requirements of common carriers and any applicable specifications. Each shipping container shall be clearly and permanently packed and identified with: (a) Vendor's name and address; (b) if applicable, consignee's name, address and purchase order and bid number; (c) container number and total number of containers, e.g. box 1 of 4 boxes; and (d) the number of the container bearing the packing slip. Vendor shall bear cost of packaging unless otherwise provided. The District's count or weight determination shall be final and conclusive on shipments not accompanied by packing slips/lists. The Goods will be delivered with an Operator's Manual and a Maintenance and Parts Manual, if one exists.

(iii) The District assumes no liability for Goods delivered in damaged or in unacceptable condition. The Vendor shall handle all claims with insurance carriers, and in the event that Goods are damaged in transit shall ship replacement Goods immediately upon notification by the District of damage. Delivery will be made between the hours of 8:00 a.m. and 3:30 p.m. (MDT/MST) unless otherwise specified by the District in writing. Vendor is not authorized to ship the Goods under reservation and no tender of a Bill of Lading will operate as a tender of Goods. The District shall have the right to inspect the Goods at delivery before accepting them and no Goods will be accepted until written acceptance is provided by authorized District Representative. Any written warranties will commence upon acceptance of the Goods by the District.

(iv) Repair and Replacement Information. As the situation requires, the Vendor shall provide alternative quotes for both repair and replacement of any damaged Goods, if appropriate to the request. In the event the cost of repair is equal to or greater than seventy-five percent (75%) of the price of a new item, Vendor shall provide a written recommendation to the District representative regarding the relative merits of repair or replacement of the item. Failure to adhere to these requirements may be grounds for the termination of the Contract.

6.2 Delivery of Services and Standard of Care.

A. Delivery. Vendor agrees to provide the Services listed and described in Exhibit "B," which is attached hereto and incorporated herein by reference for all purposes (collectively, the "Services"). Nothing contained in this Contract shall require District to pay for any unsatisfactory Services, as determined by District's representative, or for work that does not comply with the terms of this Contract.

B. Standard of Care. If the Services are performed by a non-professional Vendor, Vendor represents, covenants, and warrants that it will devote its good faith, best efforts in provision of the Services and will provide the Services with reasonable care and skill and in a good and workmanlike manner. If the Services are considered Professional Services, the Vendor further represents, covenants and warrants that it will provide the Services using the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in the same locale. Services will be provided in a manner consistent with industry standards and will conform to the required specifications set out herein, and shall be delivered in compliance with all applicable laws, rules, regulations, procedures and consistent with industry standards.

6.3 Warranties for Goods and Services.

A. Express Warranties. Vendor expressly represents, warrants and covenants, that:

Certiport shall not be liable to the District for any indirect, incidental, or consequential damages or damages from lost profits or lost use, even if Certiport is advised as to the prospect of the same.

- C. Safety Warranty and Provision of Material Safety Data Sheets. As applicable, the Goods supplied to the District under this Contract shall conform to applicable standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act ("OSHA") of 1970. In the event the Goods do not conform to OSHA standards, the District will be permitted to refuse or return the non-conforming Goods for correction or replacement at the Vendor's expense. Where Goods to be delivered under this Contract require the maintenance of Material Safety Data Sheets ("MSDS"), a copy of the relevant MSDS will be made available to the District's representative prior to delivery of the relevant Goods.

6.4 No Warranties by District. No review, consent, or approval by the District of any documents prepared by Vendor shall constitute a representation or warranty by the District of the legality, suitability, or quality of the same or content thereof.

6.5 Reservation of Rights. The District reserves the right to use its own staff or any other third-party to provide the same or similar goods and/or services to the Goods and/or Services described herein.

7. Tax Exemption. The District is exempt from Federal Excise, State or City Sales Tax under State Law and such obligations are included in the price under this Contract. The District will furnish a tax exemption certificate, if required.

8. Invoicing and Payment. Compensation to Vendor is set forth on Exhibit "C," attached hereto and incorporated herein. Except as otherwise provided in Exhibit "C," Vendor shall invoice the District on or before the thirtieth (30th) day of each month, for the portions of the Goods delivered and accepted and/or Services performed during the preceding month at rates set forth on Exhibit "C." Reimbursable Expenses are included in the hourly rate or not to exceed pricing for Services unless specifically excluded. If excluded, Reimbursable Expenses will be itemized separately and documented by receipts for invoicing purposes. Invoices for Goods and/or Services shall not include Federal Excise, State or City Sales Tax for which an Independent School District is exempt under State law. The District shall furnish a tax exemption certificate, if required. The aggregate compensation from the District to Vendor for the Goods and/or Services shall not exceed the maximum figures stated in Exhibit "C." Vendor shall not be entitled to receive payments or amounts under the Contract in excess of the amounts appropriated for the then-current budget period of the District. The District shall make payment to the Vendor for amounts determined to be properly due, not later than thirty (30) days after its receipt of the Vendor's invoice or as required by the Texas Prompt Payment Act (Chapter 2251 of the Texas Government Code) or its successor. The maximum interest rate on any past due payments by the District to Vendor shall be limited to the rate provided by Section 2251.025 of the Texas Government Code or its successor. The District shall not be required to make any payments to Vendor at any time Vendor is in default under this Contract.

9. Confidential/Proprietary Information.

9.1 Confidential Information/Materials. Vendor understands that, during the term of this Contract, Vendor may have access to certain information belonging to the District and designated as confidential by the District or not generally known by non-District personnel (collectively, the "Confidential Information"). During the term of this Contract and at all times thereafter, Vendor shall not, without the prior written consent of the District, do any of the following, directly or indirectly: (a) use any of the Confidential Information for Vendor's own purposes or for the purposes of any person or entity other than the District; and/or (b) disclose any of the Confidential Information to any third party, except as reasonably and in good faith required in connection with performance of this Contract by Vendor. Vendor further shall take all steps necessary to prevent disclosure of Confidential Information by any other person or entity, during the term of this Contract and at all times thereafter, without the prior written consent of the District. All data,

disks, lists, financial records, other records, documents, property, information, specifications, and materials of the District relating to the Goods and/or Services provided to Vendor during the term of this Contract, as well as all copies thereof (collectively the "Materials"), shall be and remain the sole and exclusive property of the District. None of the Materials shall be retained by Vendor, or shall be transmitted to anyone at any time, either now or in the future, except as reasonably and in good faith required in connection with performance of this Contract by Vendor. Upon termination of this Contract, or upon request by the District, Vendor shall promptly return the Materials to the District. The Materials are included within the definition of Confidential Information. Vendor further agrees that, if it receives information or records concerning any student, it shall not disclose the same, except as permitted by the Family Educational Rights and Privacy Act a/k/a FERPA or as consented to by the student or the student's legal guardian if the student is under the age of 18.

9.2 **Intellectual Property Rights.** If Vendor, as part of the delivery of the Goods and/or Services, will be working with the District, [all references to Vendor and District in this paragraph shall include their respective agents, employees and representatives], to create and/or develop materials or other work products, including visual, audio, written and graphic material (the "Resulting Work Product") for which the Vendor will receive any consideration provided for in this Contract, the Resulting Work Product (including all of Vendor's contributions to the creation or development of the Resulting Work Product), and any state or federal trademark rights, copyrights, patents or other intellectual property rights associated with the Resulting Work Product (collectively, the "Intellectual Property Rights") will at all times remain the exclusive property of the District. Vendor agrees to assist the District in any way necessary, including executing any assignments or other documents, required to document the District's ownership rights in the Resulting Work Product and the associated Intellectual Property Rights, as applicable; including taking any action necessary for the District to secure state or federal registration of its Intellectual Property Rights in the name of the District. No separate or additional consideration, other than the consideration paid under this Contract, will be provided by the District for any provision of any assignments or conveyance of the Resulting Work Product, or of Intellectual Property Rights associated with the Resulting Work Product. The Vendor shall assure that its authorized subcontractors or agents, not under its control as employees, are aware of this provision and are contractually bound thereby.

10. **Vendor Financial Records and Retention.** The District or its authorized representative shall be afforded reasonable access to and be permitted to inspect no more than once per calendar year all of the Vendor's financial records, which shall include but not be limited to accounting records (hard copy as well as computer readable data), correspondence, instructions, drawings, receipts, vouchers, memoranda and similar data relating to this Contract. The Vendor shall preserve all such records for a period of five (5) years, after the District makes final payment and all other pending matters are closed, or for such longer period as may be required by law, after final payment under this Contract, including any extension thereof. To the extent that the requirements of 2 CFR § 200.333 apply to the Contract, financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award, must be retained for the Vendor for only the period required by 2 CFR § 200.333 and the five (5) year requirement of this provision shall apply to all other documents. If no federal funds are expended by the District for the Contract, the five (5) year retention requirement provided herein will apply.

For a Contract involving at least \$1 million in Goods/Services, the following provision shall apply: Vendor shall preserve for the duration of this Contract all "contracting information" within the meaning of Texas Government Code Section 552.003(1-a) et. seq. relating to this Contract (the "Contracting Information") as provided by the records retention requirements applicable to the District. Vendor shall provide to the District, upon its request, any Contracting Information that is in the custody or possession of Vendor. Upon completion of this Contract, Vendor shall either provide at no cost to the District all Contracting Information in the custody or possession of Vendor or instead preserve all Contracting Information as provided by the records retention requirements applicable to the District. Pursuant to Texas Government Code Section 552.372(b), the following notice is given to Vendor: The requirements of Subchapter J, Chapter 552, Government Code, may apply to this Contract, and Vendor agrees that the Contract can be terminated if Vendor knowingly or intentionally fails to comply with a requirement of that Subchapter.

11. Indemnification.

11.1 General Indemnification. Vendor agrees to INDEMNIFY, DEFEND, AND HOLD HARMLESS the District and its trustees, officers, agents, representatives and employees (collectively, the “Indemnified Parties”) from and against, any and all third-party claims, causes of action, liability, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney’s fees and costs of defense), proceedings, actions, demands, and suits of any kind and nature, including but not limited to, personal injury (including death), property damage, or other harm for which recovery of damages is sought that may arise out of or be caused by the negligent or intentional act, error, or omission of Vendor, or that of its agent, officer, representative, employee, or sub-consultant (collectively “Vendor Affiliate”) while in the exercise or performance of the rights or obligations under this Contract. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of the Indemnified Parties, in instances where such negligence causes personal injury, death, or property damage. In the event Vendor and/or a Vendor Affiliate and any Indemnified Party are found jointly liable by a Court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of the State of Texas, without, however, waiving any governmental immunity available to the District, its employees/officials under Texas law and without waiving any defenses of District its employees/officials under the Texas Tort Claims Act or other Texas law. Vendor shall promptly advise District, in writing, of any claim or demand against an Indemnified Party, Vendor and/or a Vendor Affiliate known to Vendor, related to or arising out of activities of Vendor and/or a Vendor Affiliate under this Contract. The provisions of this Section are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

11.2 Intellectual Property Rights Indemnification. Vendor shall INDEMNIFY, DEFEND, AND HOLD HARMLESS the District, its elected officials, employees, officers, and representatives harmless from and against any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys’ fees) for infringement of any patent, copyright or similar property right including, but not limited to, misappropriation of trade secrets and any infringement by Vendor and its employees and consultants, in connection with any license provided, any deliverable or any Service furnished hereunder, and used by either the District or Vendor within the scope of this Contract (unless said infringement results directly from Vendor’s compliance with District’s written standards or specifications).

11.3 Defense Counsel. District reserves the right to provide a portion, or all of its own defense, at its own expense; however, District is under no obligation to do so. Any such action by District is not to be construed a waiver of Vendor’s obligation to defend District or a waiver of Vendor’s obligation to indemnify District pursuant to this Section.

11.4 Indemnity Survival. The provisions of this Section 11 are solely for the benefit of the parties hereto, and not intended to create or grant any rights, contractual or otherwise, to any other person or entity and the obligations herein shall survive the termination or expiration of this Contract.

12. Work On School District Campuses.

12.1 Notice Before Entry During School Hours and Decorum on District Campuses. Vendor acknowledges that work may be performed in connection with an educational facility that is currently occupied and in use. It is imperative that Vendor’s deliveries and/or performance of Services not interfere with, interrupt, disturb, or disrupt District’s normal operations or facilities. During school hours, when entry is not made on an emergency basis, Vendor shall notify the District in advance and arrange an escort for Vendor’s representative.

12.2 Compliance with Campus Rules. Vendor agrees to and shall comply with all rules, regulations and requirements of the District and the school campus on which work is to be performed, and shall take all steps necessary to protect and guard the safety of the employees, students and invitees of District. Vendor recognizes the ongoing school activities in proximity with its onsite activities shall result in the need for prompt and effective coordination of its Services with those involved in the ongoing use of the premises. The Vendor shall not permit employment of unfit persons or persons not skilled in tasks assigned

to them. The Vendor shall be responsible for the actions of its employees and its subcontractors. The Vendor recognizes the site is a public-school campus, and will prohibit the possession or use of alcohol, controlled substances, tobacco, and any prohibited weapons on the site and shall require adequate dress of the Vendor's forces consistent with the nature of the work being performed.

13. **Criminal Background Checks.** Vendor shall comply at its sole expense with the requirements of Section 22.0834 of the Texas Education Code, "Criminal History Record Information Review of Certain Contract Employees," any applicable rule(s) adopted by the Texas Commissioner of Education, District Board Policy CH (Legal) and (Local), and other policies and administrative requirements relating to or arising from such statute and rule(s); shall ensure that no covered employee of Vendor or of any subcontractor [if authorized] with a disqualifying criminal history performs Services under the award at or for the District; and shall timely provide written certifications thereunder in such form and substance as requested by the District. Vendor understands that any failure to comply with the requirements of this Section may be grounds for termination of its Contract with the District.

14. **Relationship.** This Contract does not constitute a joint venture or partnership of any kind between the parties hereto. In addition, the parties expressly understand and agree the provision of Goods and/or Services is and shall be considered independent contractor work performed by Vendor, using Vendor's own talents, contacts, tools, vehicles, and equipment, and that nothing in this Contract in any way creates an express or implied contract of employment between the District and Vendor. Vendor is not and shall not be an employee of the District for any purpose. Vendor is exclusively responsible for all administrative matters relating to its status hereunder or the Goods and/or Services, including without limitation, travel, lodging, and other expenses, any withholding and payment of all federal, state and local income taxes, FICA, FUTA, or other employment-related taxes, workers' compensation insurance, fringe benefit programs, or other benefits of any kind. Vendor represents that it is an independent contractor providing goods and/or services for hire similar to the Goods and/or Services to the general public, that it has full authority and capacity to enter into this Contract and provide the Goods and/or Services, and that execution or performance of this Contract by Vendor shall not violate any other agreement or covenant or any law.

15. **Federal Edgar Provisions.** Vendor acknowledges in the event federal funds are used to fund the Goods and/or Services delivered under the Contract, Vendor will abide by all applicable federal laws, rules, and regulations, executive orders, and policies, procedures and directives applicable to the Contract, including but not limited to the following:

15.1 **Contractual Remedies.** Vendor agrees that it will comply with all administrative, contractual, legal remedies, sanctions, and penalties for violation or breach that are included in this Contract.

15.2 **Wage and Hour Requirements.** To the extent this Contract involves the employment of mechanics or laborers, Vendor agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5), which requires Vendor to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. This provision will not apply to the District's purchases from Vendor of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

15.3 **Clean Air Act and EPA.** Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 USC 7401 -7671q) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387) and agrees to promptly notify the District of any violation.

15.4 **Debarment and Suspension.** Vendor has certified that neither the Vendor nor its principals were listed on the government-wide exclusions in the System for Award Management ("SAM") that neither the Vendor nor its principals are debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549 at the time this Contract was executed. Vendor further agrees on behalf of itself and its principals, to immediately provide written notification to the District if, at any time following execution of this Contract, Vendor or one of its principals learns that its certification was erroneous when submitted or has become erroneous by reason of changed

circumstances, or if Vendor or one of its principals is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Failure to notify the District of erroneous information within five (5) business days of change in circumstances shall be grounds for immediate termination, but termination of Vendor shall not be an election of remedy by the District.

15.5 Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352. Vendor confirms its certification to the District that:

A. No Federal appropriated funds have been paid or will be paid, by or on behalf of Vendor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

B. Vendor further certifies that if any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. Vendor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, Vendor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., providing administrative remedies for false statements, apply to this certification and disclosure, and that this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Finally, Vendor agrees that it will require the language of this certification be included in the award documents for all lower-tier contractors it hires, and that it will ensure all subcontractors make the same certification in connection with work done under the Contract. The certification in this Section is a material representation of fact upon which the District has placed its reliance.

15.6 Compliance with Mandatory Provisions of State Energy Conservation Plan. Vendor shall comply with the all mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201), if any.

15.7 Compliance with Solid Waste Disposal Act. If the District purchased the same item or items from the Vendor under this Contract, which were purchased by the District during the preceding fiscal year, and the prior purchase exceeded \$10,000, Vendor agrees that it will comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, where applicable, and that it will provide information and certifications required by the District confirming estimates and otherwise evidencing such compliance.

15.8 Equal Employment Opportunity Clause. Vendor represents, warrants and certifies that, during the performance of the Contract:

A. it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Vendor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The

Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination;

B. it will, in all solicitations or advertisements for employees placed by or on behalf of the Vendor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin;

C. it will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with Vendor's legal duty to furnish information;

D. it will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment;

E. it will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor;

F. it will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders;

G. in the event of Vendor's non-compliance with the nondiscrimination clauses of the Contract or with any of such rules, regulations, or orders, the Contract may be canceled, terminated or suspended in whole or in part and the Vendor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law; and

H. it will include the provisions of paragraphs (A) through (G) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. Vendor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event Vendor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Vendor may request the United States to enter into such litigation to protect its interests.

15.9 Termination for Convenience. Notwithstanding any provision to the contrary contained in this Contract, if federal funds are used to fund the purchase represented by this Contract, the District reserves the right to terminate this Contract for convenience. In such event, the District agrees it will be responsible for all legitimate charges with respect to periods prior to the termination.

16. **Miscellaneous.**

16.1 Assignment/Delegation. Without the prior written consent of the other party, no party shall have right or power to assign this Contract in whole or in part, or to delegate or sub-contract any duties

hereunder in whole or part. Any attempted assignment or delegation by Vendor shall be wholly void and ineffective for all purposes unless made in the conformity with this paragraph.

16.7 Waiver. No waiver, change, modification or discharge by either party hereto of any provision of this Contract shall be deemed to have been made or shall be effective, unless expressed in writing and signed by the party to be charged. A waiver by either party of a breach of any of the terms, conditions, covenants or guarantees of this Contract shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either party to insist in any one or more cases upon the strict performance of any of the covenants of this Contract, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. No act or omission by a party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

16.8 Severability. Please read this Performance License carefully and keep this copy for your records.

Your signature on the acceptance line of the Production Contract accompanying this License will acknowledge that:

- a) you have read and understand the terms, conditions and provisions set forth below;
- b) you are authorized to sign the Production Contract on behalf of Licensee;

I. COPYRIGHT PROVISIONS, PRODUCTION RULES AND BILLING

Any violation of these copyright provisions shall automatically and immediately terminate the Production Contract.

1. **Rights Granted and Restrictions on Use of Replica Elements:** This Production Contract allows the public performance of the Play as represented in the rental materials provided by MTI under the following terms and conditions. The rights granted by MTI do not include the right to utilize any of the choreography, staging, direction, designs (including set, costume, video or projections), logos, or other intellectual property from any prior productions of the Play or from any film version of the Play. The rights to all of those elements, in whole or in part, are owned by third parties and are not granted as part of this Performance License. Licensee may use production elements such as choreography, direction, designs and/or logos when (i) any such elements are specifically provided as part of the standard rental materials, and thereby authorized for use by MTI, or (ii) where available, the Licensee purchases an MTI Production Resource thereby granting a license to use said element.
2. **Changing the Play; Casting:** Under federal law and under the terms of this Production Contract, you may not make any changes to the Play or any additional materials purchased or rented from MTI (the "MTI Rental Materials"), including but not limited to the following:
 - a. You may not add music, dialogue, lyrics, non-verbal scenes or anything to the Play as embodied in the MTI Rental Materials, including any songs or dialogue from any film version of the Play or from any other production of the Play.
 - b. You may not delete, in whole or in part, any material in the Play as embodied in the MTI Rental Materials.
 - c. You may not make changes of any kind, including but not limited to changes of music, lyrics, dialogue, sequence of songs and/or scenes, time period, setting, characters or characterizations or gender of characters in the Play.
 - d. You agree that any proposed change, addition, omission, interpolation, or alteration in the book, music, or lyrics of the Play shall first be submitted in writing to MTI. MTI may, in its sole discretion, seek approval for such change from the authors or other rightsholders of the Play (the "Rightsholders"). If permission for any such change is granted, such changes shall become the property of the Rightsholders without any obligation to you or any third party making such changes, and MTI may require you to enter into a work for hire agreement or copyright assignment with such third party. If MTI does not respond to a request for any changes in writing, the change shall be deemed disapproved. No such change shall be implemented in your production unless and until MTI has notified you in writing that the change is approved.
 - e. The use of makeup to alter a performer's race or ethnicity (e.g., blackface, etc.) is strictly prohibited under this Performance License. Certain titles may have additional casting requirements set forth in a separate contract rider.
 - f. You may not make any physical or digital copies of the materials provided or physically alter, amend, or change them, or digitally distribute them, without MTI's prior written permission. If such permission is granted, you agree to collect and destroy all such copies upon the completion of your production.
 - g. MTI and the Rightsholders shall not be obligated at any time to offer royalty participation or make any payment to any person whom you may hire to direct, choreograph, stage, design, furnish musical services or otherwise actualize your production unless that person has entered into a written agreement directly with the Rightsholders or MTI.

3. **Advertising/Recording/Broadcast (Audio, Video, Digital, etc.):** Except for the customary right to advertise and publicize the Play by means of print, radio, television, online and social media, including TV commercials and B-Roll (in which no radio, television or digital commercial produced by Producer shall contain excerpts from the Play in excess of 30 seconds (90 seconds in the aggregate)), this Production Contract grants no rights to record, stream or distribute the Play or any portion of it by any means whatsoever (subject to the last sentence of this Paragraph). Specifically, except as set forth in the previous sentence, this Production Contract does not grant you any right to (i) make an audio or audiovisual recording (rehearsal, performance or otherwise) of the Play or any portion of it by any means whatsoever, including, but not limited to, tape, film, CD, DVD or digital versions; or (ii) to televise, broadcast, stream, make available for download or otherwise post online or in social media or through any mobile device the Play or any portion of it.  - b. **Bios:** If your program or website includes bios of any member of your creative team, you must include both (i) author bios and (ii) Music Theatre International's bio in your program. Bios may be found on our website at www.mtishows.com/bios or may be obtained by request from MTI.
 - c. **Logos:** You may not use the copyrighted logo of the Play or any logo associated with any other production or film version of the Play, unless you purchase an MTI Logo Pack featuring that logo (where available) and you pay MTI the appropriate fee, if required.
 - d. **Use of Play Title in Domain Names and Social Media:** You may not use any domain name or social media or account/handle incorporating the name of the Play without the prior written permission of MTI. If permission is granted, you must agree to assign the domain name to the Rightsholders or their duly authorized representatives.
 - e. **Program Copies:** One (1) print copy of the program for your production should be sent to MTI's Business Office (in lieu of a print version, digital copies can be emailed to licensing@mtishows.com) not later than three (3) days following the opening performance.
5. **Merchandise:** You may not create merchandise based on the Play or using the Play's title, logo, characters, lyrics or text, whether for sale or distribution, without written permission from MTI acting on behalf of the Rightsholders or their duly authorized representatives. You may sell merchandise purchased from MTI (e.g., T-shirts), where available.

II. PERFORMANCE LICENSE AND PAYMENT PROVISIONS

1. **License Effective Date; Payments:** MTI must receive, prior to the Offer Expiration Date on the first page of the Production Contract, (i) a signed copy of the Production Contract and (ii) your security fee and any other payments that are due on execution, in U.S. funds, or your application for a license to produce the Play on the performance dates listed in the Production Contract will expire. Furthermore, MTI reserves the right to revoke the license offer at any time in its sole discretion before it has received the signed Production Contract and required payments. You will receive a confirmation from MTI when all such necessary submissions have been received and accepted (please allow approximately ten (10) business days) and at such time your Production Contract will take effect and your production will be considered licensed ("Fully Licensed"). Until such time, you agree not to advertise, announce, audition, present or sell tickets for any performances of the Play. Your license to produce the Play is conditioned on MTI receiving payment in full of all royalties, rental fees and other materials costs under this Production Contract (including payment for any ancillary productions or services purchased subsequent to the date the Production Contract was issued). (Accredited schools and government agencies only may provide a purchase order in lieu of upfront payment pursuant to Paragraph II. below). Payment in full is required before MTI will ship materials to you. In any case, if payment in full has not been received by MTI prior to the first scheduled performance date, the rights granted to you in this Production Contract will terminate and your production will be deemed to be unlicensed. You agree to pay all royalties, rental and any other amounts due to MTI upon execution or within the time period specifically set forth in the Production Contract and any rider. If no time period is listed for any other charges, you agree to pay such amounts owing to MTI within forty-five (45) days from the end of your production or within thirty (30) days of receipt of an invoice from MTI, as applicable.

Contract #: 7167885 Printed on: 09/16/26

2. **Changes:** If you wish to change any of the conditions set forth in this Production Contract in any way (including change of dates, reducing or increasing the number of performance(s), ticket price adjustments or change of venue), you must submit such requested changes to MTI's Business Office in writing immediately, and MTI must approve all changes before they may take effect. Changes in dates may be disallowed because of licensing restrictions on the Play (e.g., due to tours). Changes in the number of performances, tickets prices and venue or seating capacity may alter the fees quoted in the Production Contract. If MTI does not receive notice of changes prior to your first scheduled performance date under your Production Contract, MTI reserves the right to retain all amounts received or due to MTI under the original Production Contract. In addition, if any such changes would increase the amount owing to MTI (e.g., increased ticket prices; adding performances or increasing seating capacity), MTI will charge your account for such additional amounts. MTI in its discretion may charge a change fee of \$25 each time changes (other than addition of performances or increased ticket prices) are made following the issuance of this Production Contract. If you wish to cancel your entire production, you must do so in accordance with Paragraph II.4 below.
3. **Additional Performances:** If you request the right to add performances or sell additional seats per performance pursuant to Paragraph 2 above, you agree to make additional royalty and rental payments for all such additional performances. You agree not to announce, advertise, present or sell tickets for such additional performances or additional capacity without prior written permission from MTI and payment of the additional royalty and fees due.
4. **Cancellation of Production:** If you wish to cancel your entire production, you must notify MTI's Business Office in writing immediately, but in any case prior to the date of the first scheduled performance set forth in the Production Contract. You understand that, even if you do not present the Play, you may be obligated for the fees set forth in this License and the Production Contract. MTI reserves the right to charge a cancellation fee of fifty dollars (\$50.00) and is entitled to retain all other amounts paid or owing to MTI under this Production Contract. Cancellation of individual performances is covered in Paragraph II. 2 above. Refunds, if any, for a cancelled production will be issued in accordance with Paragraph II. 14 below. If MTI does not receive notice of cancellation of your production prior to the first scheduled performance date under your Performance License, MTI reserves the right to retain all amounts received or due to MTI under the original Production Contract as well as any other payments received for ancillary products and services after the Production Contract was issued. You acknowledge that if materials have shipped MTI has the right to retain a pro-rated portion of the rental fees and all shipping costs incurred if your production is cancelled for any reason, including all fees paid for additional rental weeks, all of which would be determined by MTI in its sole discretion.
5. **Complimentary Tickets:** You agree as a condition of this Production Contract to reserve two (2) complimentary tickets for each performance (if requested) for the use of MTI and the Rightsholders and MTI agrees not to sell such tickets.
6. **Purchase Orders:** For accredited schools and government agencies only, a signed, authorized Purchase Order is acceptable in lieu of upfront payment. You must still provide a check, credit card or money order for the SECURITY FEE as well as your signed, authorized Purchase Order when you return the signed Production Contract to cause materials to be shipped. Following the end of the production, you agree to promptly pay royalty and rental payments as well as any other amounts owing for ancillary products and services purchased after the original Production Contract was issued.
7. **Accounting:** You agree to keep and maintain full and regular books and records in which you shall record all items in connection with the production and presentation of the Play, including dates of performance, ticket prices and number of tickets sold. Such books and records shall be open at all reasonable business hours for inspection by MTI or its representatives at your office, and MTI shall have the right to make copies of and take extracts from such books and records. You shall submit to MTI's Business Office, within five (5) days following demand by MTI, a sworn statement setting forth the total number of performances actually presented and the precise date and place of each such performance. MTI's rights under this Paragraph shall continue for five (5) years following (i) the date of the last performance licensed under the Production Contract or (ii) the date on which MTI received final payment due hereunder, whichever is later.
8. **Default:** This License is conditioned upon your fulfillment of all obligations set forth in the License and in the accompanying Production Contract, including the prompt payment of all rental, royalty, security and other fees owing to MTI in U.S. funds when due. If any such payments are not made in full to MTI when due, the rights granted to you under this License will be deemed void ab initio (i.e., this License will be deemed invalid from the outset) and the production that is the subject of this License (and all performances thereof) will be deemed to constitute infringement and breach of contract under applicable law. Nevertheless, you will remain liable for the payment of all fees that might be due to us under this License and will be subject as well to statutory damages for copyright infringement. If you default in the performance of any of the terms of this License, then, in addition to any and all other remedies which we might have at law, we shall have the right to a preliminary injunction to enjoin further performance of the Play. You agree to reimburse us for any expenses incurred by us in enforcing our rights under this Paragraph 8, including, but not limited to, attorneys' fees,

telephone, fax, and postage charges and collection expenses. If you pay by check and it is returned insufficient funds or if you stop payment, MTI will charge a returned check fee (currently \$45).

9. **Warranty:** MTI warrants that, on behalf of the Rightsholders of the Play, it is authorized to grant this License to you. MTI makes no other warranties.
10. **Reserved Rights:** All rights in and to the Play other than those specifically licensed to you under the terms of this Production Contract are reserved to MTI, with the unrestricted right of MTI to use, exploit or dispose of any of them at any time, whether or not the exercise of such rights may be in competition with the rights granted to you in this License.
11. **Transfer of Rights:** Under no conditions can this License be assigned or transferred without written consent from MTI.
12. **Governing Law:** This License shall be governed by the Laws of the State of New York, and any dispute arising out of or under this License agreement shall be litigated only in the courts of the City or State of New York in the City of New York or the United States District Court in the Southern District of New York, and in no other forum.
13. **Indemnification of Licensor:** You agree to indemnify MTI and its affiliates and the Rightsholders of the Play from any claim arising out of your violation of any of the provisions of this Production Contract.
14. **Refunds:** Refunds will be issued in the following circumstances.
 - a. Following the conclusion of your production, if any refund is due to you (e.g., unused portion of security fee), you may elect to keep such amounts on your account to be used for future productions. If you do not elect to keep your refund amount on account, MTI will automatically process the refund within 6 to 8 weeks from the conclusion of your production. Your refund amount may be affected by charges such as shipping fees, missing materials charges, bank charges and other charges and fees specifically mentioned in this Production Contract.
 - b. If you have cancelled your entire production in a timely manner in accordance with Paragraph II.4 above and are entitled to a refund, you may elect to keep the refund on your account to be used for future productions. If you do not elect to keep your refund on account, MTI will process your refund within 6 to 8 weeks from the date MTI receives written notice of the cancellation. Your refund amount may be affected by charges such as shipping fees, missing materials charges, bank charges and other charges and fees specifically mentioned in this Production Contract.

You acknowledge that during a Force Majeure Event (as defined in Paragraph II.15 below), any refunds due to you may be delayed due to the volume of cancellations and refunds to be processed.

15. **Force Majeure:** Neither MTI nor the Licensee will be deemed in default of this License as a result of its delay or failure to perform its obligations (other than the Licensee's payment obligations) when such delay or failure arises out of causes beyond the reasonable control of MTI or the Licensee. Such causes may include, but are not restricted to, acts of God or the public enemy, war, insurrections, riots, civil disturbances, acts of terrorism, government restriction, fires, floods, strikes, unusually severe weather, epidemics, pandemics or other large-scale health events; but, in every case, delay or failure to perform must be beyond the reasonable control of and without the fault or negligence of the party (a "Force Majeure Event").

In the case of a Force Majeure Event that results in the cancellation or postponement of Licensee's production, Licensee must, as soon as reasonably practicable after the onset of a Force Majeure Event, (a) provide written notice to MTI of the nature and extent of such Force Majeure Event and (b) inform MTI whether it has cancelled or changed the production dates or intends to do so. Cancellation of Licensee's production shall be in accordance with Paragraph II.4. Proposed changes (such as postponement) to Licensee's production shall be in accordance with Paragraph II.2. If Licensee is unable to notify MTI in writing prior to the cancellation or proposed change, Licensee shall do so as soon as reasonably practicable but in any event within five (5) business days of the originally scheduled first performance date (or if the Force Majeure Event begins after performances have begun, within five (5) business days of the onset of the Force Majeure Event). If MTI does not receive written notice that Licensee has cancelled its production due to the Force Majeure Event within such time period, MTI will assume such production has taken place in accordance with the terms of the Production Contract and will have the right to retain all amounts previously paid or owing to MTI for such production (and no refunds will be issued).

Except in the case of cancellations and changes for which Licensee has notified MTI as provided above, nothing in this Paragraph shall affect or reduce Licensee's payment obligations under this Production Contract. Licensee shall remain liable for any cancellation fees, missing materials charges, shipping fees and other charges set forth in the Production Contract, including royalties for performances of the Play that were presented prior to the Force Majeure Event. Licensee also will

remain liable for amounts owing for ancillary products and services purchased after the original Production Contract was issued, all of which MTI may deduct from the security fee or other funds on account at MTI.

In the case of a Force Majeure Event affecting MTI, MTI shall, as soon as reasonably practicable after the occurrence of the Force Majeure Event, (a) provide written notice (such notice may be given by emails, social media or website postings to customers generally); and (b) use commercially reasonable efforts to resume performance (e.g., shipping materials) as reasonably practicable.

16. **Compliance with Laws.** Licensee represents and agrees that it shall be aware of and comply with all federal, state and local laws applicable to its production, including laws, regulations and ordinances pertaining to in-person gathering restrictions as well as any other rules or guidelines regarding any public health emergency (or similar situation) which may impact any aspect of Licensee's production, including but not limited to rehearsals, performances and audience attendance. MTI makes no representation or assessment of the legality or prudence of Licensee's decision to proceed with its production, nor shall MTI or the Rightsholders be held liable for any claims arising out of Licensee's decision to proceed with its production. Licensee shall indemnify and hold MTI and the rightsholders harmless from any claims, costs, and damages arising out of Licensee's production.

III. MATERIALS RENTAL PROVISIONS

1. **Rental Term and Delivery:** Delivery of the MTI Rental Materials is conditioned on your production being Fully Licensed as described in Paragraph II.1 (i.e., you have received written confirmation from MTI after submitting the signed Production Contract and paying all applicable royalty, rental and security fees). Provided your production is Fully Licensed, the MTI Rental Materials will be shipped approximately two (2) months prior to the first performance of your production; however, if you have not signed and submitted the Production Contract and remitted full payment in time to enable shipment by such date, MTI will process your shipment as soon as practicable once your production is Fully Licensed. In such case, MTI cannot guarantee the MTI Rental Materials will be delivered in sufficient time to meet your production schedule. If the MTI Rental Materials are needed in advance of the two (2)-month period, the charge is one hundred dollars (\$100.00) for each additional week or partial week, subject to availability. MTI strongly recommends that delivery of materials be made to staffed locations where receipt can be confirmed. Signature confirmation of delivery significantly reduces the risk of loss to you. After MTI has received confirmation from the carrier that the materials have been delivered to the designated address, you acknowledge and agree that you shall be responsible for any loss or damage to the materials including costs to replace the materials and reship them to you.
2. **Authorized Rental Materials:** The MTI Rental Materials are the only Play materials authorized by the Rightsholders and must be rented from MTI as a condition of this Production Contract. You may not use scripts or orchestra parts obtained from other sources (including materials posted online). The full rental fee must be paid even if you do not intend to use all of the MTI Rental Materials in your production.
3. **Ownership:** All MTI Rental Materials, including missing materials, remain the property of MTI and must be returned to MTI following the conclusion of your production. You understand that the MTI Rental Materials (i) cannot be used for any purpose other than as stated in this License and (ii) may not be copied, scanned or otherwise reproduced, sold, traded, offered for sale or trade, posted online, used for performances other than those specified in this Production Contract or otherwise transferred physically or digitally.
4. **Suitability:** Although MTI strives to provide the highest quality service to you, MTI makes no representation as to the adequacy, suitability and/or condition of the MTI Rental Materials. Any missing or damaged materials MUST be reported to MTI's Business Office within five (5) business days after receipt of your shipment, or you may be liable for full replacement charges upon their return to MTI.
5. **Shipping Charges:** You are responsible for shipping charges BOTH WAYS for materials that MTI rents and/or supplies to you, as well as all customs charges, duties and the like in connection with shipments of materials outside of the United States and return shipment to MTI. You are responsible for complying with all customs regulations applicable to the return of materials to the United States. MTI ships by USPS, FedEx, UPS or other carriers at its sole option. Any expense that MTI incurs with respect to the delivery or return of the materials to its library shall be charged to you; you agree upon demand promptly to reimburse MTI for the full amount of such expense, whether or not your production is cancelled. A \$10 handling fee is applied to each order.
6. **Return of Materials:** You agree that, no later than seven (7) days after the last performance under this Production Contract, you will return to MTI, by prepaid carrier, insured for not less than seven hundred fifty dollars (\$750.00), the complete

set of materials (including any additional materials ordered) in as good condition as when you received it. Should you fail to do so, MTI shall be entitled to an additional rental fee of twenty dollars (\$20.00) per item for each day that you retain any material beyond the period of seven (7) days after the last performance. You are responsible for the safe return to MTI of all MTI Rental Materials. If complete materials are not returned all at once and properly labeled, your account may not be credited or you may be liable for a restocking fee. If a Force Majeure Event (as defined in Paragraph II.15) prevents you from returning the materials, you will not be charged a missing materials fee for any days covered by the Force Majeure Event provided (a) you have notified MTI you are unable to return the materials due to the Force Majeure Event and (b) you return the materials promptly after circumstances permit you to do so but in no event later than three (3) months after the onset of the Force Majeure Event.

7. Address for Return of Materials: All materials must be returned to MTI's Music Library in Connecticut (Address listed below):

8. DO NOT SHIP RENTED PRODUCTION MATERIALS TO THE NEW YORK BUSINESS OFFICE!

**RETURN ALL RENTED
PRODUCTION MATERIALS TO:**

**Music Theatre International
31A Industrial Park Road
New Hartford, CT 06057**

Phone: 860-379-3320

Any materials returned to MTI's New York Business Office will be subject to a transfer charge of up to \$50.00.

9. Damage/Loss: Any damage to or loss of the materials shall be charged to you. You agree upon demand promptly to reimburse MTI for the full amount of such evaluated damage to or loss of materials. Any materials lost or damaged while in your possession will be assessed replacement fees as set forth in this Production Contract. Materials are deemed to be in your possession, and risk of loss passes to you, once the carrier has confirmed to MTI that the materials have been delivered to your designated address.

ADDENDUM

FOR STATE ENTITIES ONLY

This Addendum is Intended Only for State Entities that Require Contract Changes.

MTI recognizes that state entities, e.g., schools, sometimes must request changes in our standard MTI production contract to comply with restrictions under their state's law. To make this process easier, we are providing this Addendum to the standard MTI Contract agreeing to the changes below.

THIS ADDENDUM ("Addendum") is entered into between the licensee signing this Addendum below ("Licensee") and **MTI ENTERPRISES INC. d/b/a Music Theatre International** ("MTI"), located at 423 West 55th St., New York, NY 10019.

Licensee is a school, university or agency, board, district, or other entity of any branch of the government of the state in which it is located (the "State") or any political subdivision of the State ("State Entity").

Licensee has informed MTI that as a State Entity it is prohibited as a matter of law and/or policy of the State from agreeing to certain terms that appear in MTI's standard production contracts and other licensing documents (e.g., video licenses, streaming licenses) (all such documents, the "MTI License").

Accordingly, MTI and Licensee have agreed to the following modifications to the attached MTI License between MTI and Licensee:

- Conflicts.** In the event of a conflict between the terms of any MTI License and the terms of this Addendum, the terms of this Addendum shall control; in addition, in the event of any conflict between the terms of any Licensee purchase order, addendum or other special provisions provided to MTI in connection with an MTI License ("Licensee Supplements"), this Addendum shall control. For the avoidance of doubt, Licensee Supplements shall not be binding upon MTI unless MTI has signed such document or agreed in writing to incorporate such terms by reference.
- Licensee's Status.** Licensee represents that it is a State Entity (as defined above) and is therefore prohibited as a matter of law from accepting certain standard clauses that appear in MTI's Licenses.
- MTI's Status.** MTI represents that it is a corporation organized under the laws of the State of New York. MTI licenses musical plays on behalf of the copyright owners to licensees for productions to be presented by the licensees. MTI does not provide services to licensees and as such any terms of Licensee Supplements that apply to contractors providing on-site services to Licensee are deemed deleted and/or are inapplicable. In addition, Licensee acknowledges that any work for hire or other provisions that purport to vest ownership of the musical plays (or approved changes thereto) in Licensee are deemed deleted and/or are inapplicable to the play licensed by MTI.
- Governing Law.** Any provision in the MTI License selecting New York state law and any provision in a Licensee Supplement (if any) selecting the law of the State as the governing law are deleted in their entirety, and the parties agree that the MTI License shall remain silent as to the governing law of the contract.
- Indemnification.** Any provision requiring Licensee to indemnify MTI is amended in its entirety to read as follows: "To the extent allowed by the law of Licensee's State, the Licensee shall indemnify, defend, and hold MTI harmless from and against any and all liability, judgments, costs, damages, claims or demands, including, without limitation, reasonable attorney's fees, arising out of the negligent acts or omissions of the Licensee. If the law of the State does not permit Licensee to indemnify MTI in any manner, the MTI indemnification clauses are deleted and Licensee agrees it will be responsible to MTI and Rightsholder(s) for any claims arising out of Licensee's violation of any of the provisions of this License."
- Late Charges, Attorney Fees, etc.** To the extent the law of the State prohibits or limits Licensee from agreeing to any term in an MTI License that would impose cancellation fees, late charges, attorney's fees or collection expenses, such terms are deemed modified to the extent permitted by the law of the State or, if applicable, deleted.
- Sovereign Immunity.** MTI acknowledges that nothing contained in the MTI License or this Addendum is intended to be construed as a waiver of sovereign immunity by Licensee or the State.
- Effective Date.** This Addendum shall become effective upon execution and delivery to MTI of the signed Addendum and the signed MTI License for the applicable production.

IN WITNESS WHEREOF, this Addendum has been executed by the parties as of the date of the MTI License.

Contract #: 7153816 Printed on: 08/17/26

This Performance License (the "License"), and any Contract Riders attached to the MTI Production Contract ("Production Contract"), are incorporated by reference into the Production Contract and contain important restrictions and requirements regarding Licensee's production. Throughout this License, Music Theatre International is referred to as "MTI", "we" or "us"; the organization to which the Production Contract is issued is referred to as "Licensee" or "you"; and the individual signing on behalf of the Licensee is referred to as the "Authorized Signatory."

Please read this Performance License carefully and keep this copy for your records.

Your signature on the acceptance line of the Production Contract accompanying this License will acknowledge that:

- a) you have read and understand the terms, conditions and provisions set forth below;
- b) you are authorized to sign the Production Contract on behalf of Licensee;
- c) you agree to the terms, conditions and provisions contained herein on behalf of Licensee; and
- d) you will inform the producer(s), director(s) and creative team of Licensee's production of the terms, conditions and provisions contained in this Production Contract.

I. COPYRIGHT PROVISIONS, PRODUCTION RULES AND BILLING

Any violation of these copyright provisions shall automatically and immediately terminate the Production Contract.

- 1. Rights Granted and Restrictions on Use of Replica Elements:** This Production Contract allows the public performance of the Play as represented in the rental materials provided by MTI under the following terms and conditions. The rights granted by MTI do not include the right to utilize any of the choreography, staging, direction, designs (including set, costume, video or projections), logos, or other intellectual property from any prior productions of the Play or from any film version of the Play. The rights to all of those elements, in whole or in part, are owned by third parties and are not granted as part of this Performance License. Licensee may use production elements such as choreography, direction, designs and/or logos when (i) any such elements are specifically provided as part of the standard rental materials, and thereby authorized for use by MTI, or (ii) where available, the Licensee purchases an MTI Production Resource thereby granting a license to use said element.
- 2. Changing the Play; Casting:** Under federal law and under the terms of this Production Contract, you may not make any changes to the Play or any additional materials purchased or rented from MTI (the "MTI Rental Materials"), including but not limited to the following:
 - a. You may not add music, dialogue, lyrics, non-verbal scenes or anything to the Play as embodied in the MTI Rental Materials, including any songs or dialogue from any film version of the Play or from any other production of the Play.
 - b. You may not delete, in whole or in part, any material in the Play as embodied in the MTI Rental Materials.
 - c. You may not make changes of any kind, including but not limited to changes of music, lyrics, dialogue, sequence of songs and/or scenes, time period, setting, characters or characterizations or gender of characters in the Play.
 - d. You agree that any proposed change, addition, omission, interpolation, or alteration in the book, music, or lyrics of the Play shall first be submitted in writing to MTI. MTI may, in its sole discretion, seek approval for such change from the authors or other rightsholders of the Play (the "Rightsholders"). If permission for any such change is granted, such changes shall become the property of the Rightsholders without any obligation to you or any third party making such changes, and MTI may require you to enter into a work for hire agreement or copyright assignment with such third party. If MTI does not respond to a request for any changes in writing, the change shall be deemed disapproved. No such change shall be implemented in your production unless and until MTI has notified you in writing that the change is approved.
 - e. The use of makeup to alter a performer's race or ethnicity (e.g., blackface, etc.) is strictly prohibited under this Performance License. Certain titles may have additional casting requirements set forth in a separate contract rider.
 - f. You may not make any physical or digital copies of the materials provided or physically alter, amend, or change them, or digitally distribute them, without MTI's prior written permission. If such permission is granted, you agree to collect and destroy all such copies upon the completion of your production.
 - g. MTI and the Rightsholders shall not be obligated at any time to offer royalty participation or make any payment to any person whom you may hire to direct, choreograph, stage, design, furnish musical services or otherwise actualize your production unless that person has entered into a written agreement directly with the Rightsholders or MTI.
 - h. The Authorized Signatory agrees to review these copyright provisions with the director and entire creative team of your production.

3. **Advertising/Recording/Broadcast (Audio, Video, Digital, etc.):** Except for the customary right to advertise and publicize the Play by means of print, radio, television, online and social media, including TV commercials and B-Roll (in which no radio, television or digital commercial produced by Producer shall contain excerpts from the Play in excess of 30 seconds (90 seconds in the aggregate)), this Production Contract grants no rights to record, stream or distribute the Play or any portion of it by any means whatsoever (subject to the last sentence of this Paragraph). Specifically, except as set forth in the previous sentence, this Production Contract does not grant you any right to (i) make an audio or audiovisual recording (rehearsal, performance or otherwise) of the Play or any portion of it by any means whatsoever, including, but not limited to, tape, film, CD, DVD or digital versions; or (ii) to televise, broadcast, stream, make available for download or otherwise post online or in social media or through any mobile device the Play or any portion of it. You agree to inform all audience members of the above prohibitions against recording the show by means of both a program note and a pre-show announcement. If you have purchased a Streaming or Video License (where available) for your production of the Play, you may permit limited recording in accordance with the terms of the Streaming or Video License.
4. **Billing Credits and Use of Logos in Advertising and Promotion:**
- a. **Billing:** You must bill the Play, the authors and other creative personnel in all programs, houseboards, displays, websites, advertising and publicity (print or digital) exactly as set out in the Billing Credits section of this Production Contract. Your program must also include any other required language that appears in the Billing Credits (e.g., MTI credit, video recording warning language).
 - b. **Bios:** If your program or website includes bios of any member of your creative team, you must include both (i) author bios and (ii) Music Theatre International's bio in your program. Bios may be found on our website at www.mtishows.com/bios or may be obtained by request from MTI.
 - c. **Logos:** You may not use the copyrighted logo of the Play or any logo associated with any other production or film version of the Play, unless you purchase an MTI Logo Pack featuring that logo (where available) and you pay MTI the appropriate fee, if required.
 - d. **Use of Play Title in Domain Names and Social Media:** You may not use any domain name or social media or account/handle incorporating the name of the Play without the prior written permission of MTI. If permission is granted, you must agree to assign the domain name to the Rightsholders or their duly authorized representatives.
 - e. **Program Copies:** One (1) print copy of the program for your production should be sent to MTI's Business Office (in lieu of a print version, digital copies can be emailed to licensing@mtishows.com) not later than three (3) days following the opening performance.
5. **Merchandise:** You may not create merchandise based on the Play or using the Play's title, logo, characters, lyrics or text, whether for sale or distribution, without written permission from MTI acting on behalf of the Rightsholders or their duly authorized representatives. You may sell merchandise purchased from MTI (e.g., T-shirts), where available.

II. PERFORMANCE LICENSE AND PAYMENT PROVISIONS

1. **License Effective Date; Payments:** MTI must receive, prior to the Offer Expiration Date on the first page of the Production Contract, (i) a signed copy of the Production Contract and (ii) your security fee and any other payments that are due on execution, in U.S. funds, or your application for a license to produce the Play on the performance dates listed in the Production Contract will expire. Furthermore, MTI reserves the right to revoke the license offer at any time in its sole discretion before it has received the signed Production Contract and required payments. You will receive a confirmation from MTI when all such necessary submissions have been received and accepted (please allow approximately ten (10) business days) and at such time your Production Contract will take effect and your production will be considered licensed ("Fully Licensed"). Until such time, you agree not to advertise, announce, audition, present or sell tickets for any performances of the Play. Your license to produce the Play is conditioned on MTI receiving payment in full of all royalties, rental fees and other materials costs under this Production Contract (including payment for any ancillary productions or services purchased subsequent to the date the Production Contract was issued). (Accredited schools and government agencies only may provide a purchase order in lieu of upfront payment pursuant to Paragraph II. below). Payment in full is required before MTI will ship materials to you. In any case, if payment in full has not been received by MTI prior to the first scheduled performance date, the rights granted to you in this Production Contract will terminate and your production will be deemed to be unlicensed. You agree to pay all royalties, rental and any other amounts due to MTI upon execution or within the time period specifically set forth in the Production Contract and any rider. If no time period is listed for any other charges, you agree to pay such amounts owing to MTI within forty-five (45) days from the end of your production or within thirty (30) days of receipt of an invoice from MTI, as applicable.

2. **Changes:** If you wish to change any of the conditions set forth in this Production Contract in any way (including change of dates, reducing or increasing the number of performance(s), ticket price adjustments or change of venue), you must submit such requested changes to MTI's Business Office in writing immediately, and MTI must approve all changes before they may take effect. Changes in dates may be disallowed because of licensing restrictions on the Play (e.g., due to tours). Changes in the number of performances, tickets prices and venue or seating capacity may alter the fees quoted in the Production Contract. If MTI does not receive notice of changes prior to your first scheduled performance date under your Production Contract, MTI reserves the right to retain all amounts received or due to MTI under the original Production Contract. In addition, if any such changes would increase the amount owing to MTI (e.g., increased ticket prices; adding performances or increasing seating capacity), MTI will charge your account for such additional amounts. MTI in its discretion may charge a change fee of \$25 each time changes (other than addition of performances or increased ticket prices) are made following the issuance of this Production Contract. If you wish to cancel your entire production, you must do so in accordance with Paragraph 11.4 below.
3. **Additional Performances:** If you request the right to add performances or sell additional seats per performance pursuant to Paragraph 2 above, you agree to make additional royalty and rental payments for all such additional performances. You agree not to announce, advertise, present or sell tickets for such additional performances or additional capacity without prior written permission from MTI and payment of the additional royalty and fees due.
4. **Cancellation of Production:** If you wish to cancel your entire production, you must notify MTI's Business Office in writing immediately, but in any case prior to the date of the first scheduled performance set forth in the Production Contract. You understand that, even if you do not present the Play, you may be obligated for the fees set forth in this License and the Production Contract. MTI reserves the right to charge a cancellation fee of fifty dollars (\$50.00) and is entitled to retain all other amounts paid or owing to MTI under this Production Contract. Cancellation of individual performances is covered in Paragraph 11.2 above. Refunds, if any, for a cancelled production will be issued in accordance with Paragraph 11.14 below. If MTI does not receive notice of cancellation of your production prior to the first scheduled performance date under your Performance License, MTI reserves the right to retain all amounts received or due to MTI under the original Production Contract as well as any other payments received for ancillary products and services after the Production Contract was issued. You acknowledge that if materials have shipped MTI has the right to retain a pro-rated portion of the rental fees and all shipping costs incurred if your production is cancelled for any reason, including all fees paid for additional rental weeks, all of which would be determined by MTI in its sole discretion.
5. **Complimentary Tickets:** You agree as a condition of this Production Contract to reserve two (2) complimentary tickets for each performance (if requested) for the use of MTI and the Rightsholders and MTI agrees not to sell such tickets.
6. **Purchase Orders:** For accredited schools and government agencies only, a signed, authorized Purchase Order is acceptable in lieu of upfront payment. You must still provide a check, credit card or money order for the SECURITY FEE as well as your signed, authorized Purchase Order when you return the signed Production Contract to cause materials to be shipped. Following the end of the production, you agree to promptly pay royalty and rental payments as well as any other amounts owing for ancillary products and services purchased after the original Production Contract was issued.
7. **Accounting:** You agree to keep and maintain full and regular books and records in which you shall record all items in connection with the production and presentation of the Play, including dates of performance, ticket prices and number of tickets sold. Such books and records shall be open at all reasonable business hours for inspection by MTI or its representatives at your office, and MTI shall have the right to make copies of and take extracts from such books and records. You shall submit to MTI's Business Office, within five (5) days following demand by MTI, a sworn statement setting forth the total number of performances actually presented and the precise date and place of each such performance. MTI's rights under this Paragraph shall continue for five (5) years following (i) the date of the last performance licensed under the Production Contract or (ii) the date on which MTI received final payment due hereunder, whichever is later.
8. **Default:** This License is conditioned upon your fulfillment of all obligations set forth in the License and in the accompanying Production Contract, including the prompt payment of all rental, royalty, security and other fees owing to MTI in U.S. funds when due. If any such payments are not made in full to MTI when due, the rights granted to you under this License will be deemed void ab initio (i.e., this License will be deemed invalid from the outset) and the production that is the subject of this License (and all performances thereof) will be deemed to constitute infringement and breach of contract under applicable law. Nevertheless, you will remain liable for the payment of all fees that might be due to us under this License and will be subject as well to statutory damages for copyright infringement. If you default in the performance of any of the terms of this License, then, in addition to any and all other remedies which we might have at law, we shall have the right to a preliminary injunction to enjoin further performance of the Play. You agree to reimburse us for any expenses incurred by us in enforcing our rights under this Paragraph 8, including, but not limited to, attorneys' fees,

telephone, fax, and postage charges and collection expenses. If you pay by check and it is returned insufficient funds or if you stop payment, MTI will charge a returned check fee (currently \$45).

9. **Warranty:** MTI warrants that, on behalf of the Rightsholders of the Play, it is authorized to grant this License to you. MTI makes no other warranties.
10. **Reserved Rights:** All rights in and to the Play other than those specifically licensed to you under the terms of this Production Contract are reserved to MTI, with the unrestricted right of MTI to use, exploit or dispose of any of them at any time, whether or not the exercise of such rights may be in competition with the rights granted to you in this License.
11. **Transfer of Rights:** Under no conditions can this License be assigned or transferred without written consent from MTI.
12. **Governing Law:** This License shall be governed by the Laws of the State of New York, and any dispute arising out of or under this License agreement shall be litigated only in the courts of the City or State of New York in the City of New York or the United States District Court in the Southern District of New York, and in no other forum.
13. **Indemnification of Licensor:** You agree to indemnify MTI and its affiliates and the Rightsholders of the Play from any claim arising out of your violation of any of the provisions of this Production Contract.
14. **Refunds:** Refunds will be issued in the following circumstances.
 - a. Following the conclusion of your production, if any refund is due to you (e.g., unused portion of security fee), you may elect to keep such amounts on your account to be used for future productions. If you do not elect to keep your refund amount on account, MTI will automatically process the refund within 6 to 8 weeks from the conclusion of your production. Your refund amount may be affected by charges such as shipping fees, missing materials charges, bank charges and other charges and fees specifically mentioned in this Production Contract.
 - b. If you have cancelled your entire production in a timely manner in accordance with Paragraph II.4 above and are entitled to a refund, you may elect to keep the refund on your account to be used for future productions. If you do not elect to keep your refund on account, MTI will process your refund within 6 to 8 weeks from the date MTI receives written notice of the cancellation. Your refund amount may be affected by charges such as shipping fees, missing materials charges, bank charges and other charges and fees specifically mentioned in this Production Contract.

You acknowledge that during a Force Majeure Event (as defined in Paragraph II.15 below), any refunds due to you may be delayed due to the volume of cancellations and refunds to be processed.

15. **Force Majeure:** Neither MTI nor the Licensee will be deemed in default of this License as a result of its delay or failure to perform its obligations (other than the Licensee's payment obligations) when such delay or failure arises out of causes beyond the reasonable control of MTI or the Licensee. Such causes may include, but are not restricted to, acts of God or the public enemy, war, insurrections, riots, civil disturbances, acts of terrorism, government restriction, fires, floods, strikes, unusually severe weather, epidemics, pandemics or other large-scale health events; but, in every case, delay or failure to perform must be beyond the reasonable control of and without the fault or negligence of the party (a "Force Majeure Event").

In the case of a Force Majeure Event that results in the cancellation or postponement of Licensee's production, Licensee must, as soon as reasonably practicable after the onset of a Force Majeure Event, (a) provide written notice to MTI of the nature and extent of such Force Majeure Event and (b) inform MTI whether it has cancelled or changed the production dates or intends to do so. Cancellation of Licensee's production shall be in accordance with Paragraph II.4. Proposed changes (such as postponement) to Licensee's production shall be in accordance with Paragraph II.2. If Licensee is unable to notify MTI in writing prior to the cancellation or proposed change, Licensee shall do so as soon as reasonably practicable but in any event within five (5) business days of the originally scheduled first performance date (or if the Force Majeure Event begins after performances have begun, within five (5) business days of the onset of the Force Majeure Event). If MTI does not receive written notice that Licensee has cancelled its production due to the Force Majeure Event within such time period, MTI will assume such production has taken place in accordance with the terms of the Production Contract and will have the right to retain all amounts previously paid or owing to MTI for such production (and no refunds will be issued).

Except in the case of cancellations and changes for which Licensee has notified MTI as provided above, nothing in this Paragraph shall affect or reduce Licensee's payment obligations under this Production Contract. Licensee shall remain liable for any cancellation fees, missing materials charges, shipping fees and other charges set forth in the Production Contract, including royalties for performances of the Play that were presented prior to the Force Majeure Event. Licensee also will

remain liable for amounts owing for ancillary products and services purchased after the original Production Contract was issued, all of which MTI may deduct from the security fee or other funds on account at MTI.

In the case of a Force Majeure Event affecting MTI, MTI shall, as soon as reasonably practicable after the occurrence of the Force Majeure Event, (a) provide written notice (such notice may be given by emails, social media or website postings to customers generally); and (b) use commercially reasonable efforts to resume performance (e.g., shipping materials) as reasonably practicable.

16. **Compliance with Laws.** Licensee represents and agrees that it shall be aware of and comply with all federal, state and local laws applicable to its production, including laws, regulations and ordinances pertaining to in-person gathering restrictions as well as any other rules or guidelines regarding any public health emergency (or similar situation) which may impact any aspect of Licensee's production, including but not limited to rehearsals, performances and audience attendance. MTI makes no representation or assessment of the legality or prudence of Licensee's decision to proceed with its production, nor shall MTI or the Rightsholders be held liable for any claims arising out of Licensee's decision to proceed with its production. Licensee shall indemnify and hold MTI and the rightsholders harmless from any claims, costs, and damages arising out of Licensee's production.

III. MATERIALS RENTAL PROVISIONS

1. **Rental Term and Delivery:** Delivery of the MTI Rental Materials is conditioned on your production being Fully Licensed as described in Paragraph II.1 (i.e., you have received written confirmation from MTI after submitting the signed Production Contract and paying all applicable royalty, rental and security fees). Provided your production is Fully Licensed, the MTI Rental Materials will be shipped approximately two (2) months prior to the first performance of your production; however, if you have not signed and submitted the Production Contract and remitted full payment in time to enable shipment by such date, MTI will process your shipment as soon as practicable once your production is Fully Licensed. In such case, MTI cannot guarantee the MTI Rental Materials will be delivered in sufficient time to meet your production schedule. If the MTI Rental Materials are needed in advance of the two (2)-month period, the charge is one hundred dollars (\$100.00) for each additional week or partial week, subject to availability. MTI strongly recommends that delivery of materials be made to staffed locations where receipt can be confirmed. Signature confirmation of delivery significantly reduces the risk of loss to you. After MTI has received confirmation from the carrier that the materials have been delivered to the designated address, you acknowledge and agree that you shall be responsible for any loss or damage to the materials including costs to replace the materials and reship them to you.
2. **Authorized Rental Materials:** The MTI Rental Materials are the only Play materials authorized by the Rightsholders and must be rented from MTI as a condition of this Production Contract. You may not use scripts or orchestra parts obtained from other sources (including materials posted online). The full rental fee must be paid even if you do not intend to use all of the MTI Rental Materials in your production.
3. **Ownership:** All MTI Rental Materials, including missing materials, remain the property of MTI and must be returned to MTI following the conclusion of your production. You understand that the MTI Rental Materials (i) cannot be used for any purpose other than as stated in this License and (ii) may not be copied, scanned or otherwise reproduced, sold, traded, offered for sale or trade, posted online, used for performances other than those specified in this Production Contract or otherwise transferred physically or digitally.
4. **Suitability:** Although MTI strives to provide the highest quality service to you, MTI makes no representation as to the adequacy, suitability and/or condition of the MTI Rental Materials. Any missing or damaged materials MUST be reported to MTI's Business Office within five (5) business days after receipt of your shipment, or you may be liable for full replacement charges upon their return to MTI.
5. **Shipping Charges:** You are responsible for shipping charges BOTH WAYS for materials that MTI rents and/or supplies to you, as well as all customs charges, duties and the like in connection with shipments of materials outside of the United States and return shipment to MTI. You are responsible for complying with all customs regulations applicable to the return of materials to the United States. MTI ships by USPS, FedEx, UPS or other carriers at its sole option. Any expense that MTI incurs with respect to the delivery or return of the materials to its library shall be charged to you; you agree upon demand promptly to reimburse MTI for the full amount of such expense, whether or not your production is cancelled. A \$10 handling fee is applied to each order.
6. **Return of Materials:** You agree that, no later than seven (7) days after the last performance under this Production Contract, you will return to MTI, by prepaid carrier, insured for not less than seven hundred fifty dollars (\$750.00), the complete

set of materials (including any additional materials ordered) in as good condition as when you received it. Should you fail to do so, MTI shall be entitled to an additional rental fee of twenty dollars (\$20.00) per item for each day that you retain any material beyond the period of seven (7) days after the last performance. You are responsible for the safe return to MTI of all MTI Rental Materials. If complete materials are not returned all at once and properly labeled, your account may not be credited or you may be liable for a restocking fee. If a Force Majeure Event (as defined in Paragraph II.15) prevents you from returning the materials, you will not be charged a missing materials fee for any days covered by the Force Majeure Event provided (a) you have notified MTI you are unable to return the materials due to the Force Majeure Event and (b) you return the materials promptly after circumstances permit you to do so but in no event later than three (3) months after the onset of the Force Majeure Event.

MAMMA MIA - ADDITIONAL LICENSING GUIDELINES AND PROVISIONS

It is a condition of this License that you comply at all times with the credit provisions and other restrictions and requirements included in this Rider. By signing this Rider, you acknowledge and agree that the Licensee will comply with all terms and conditions of this Rider.

1. **CREDITS.** You shall incorporate the title *Mamma Mia!* and the relevant individual credits and strictly comply with all size and placement requirements on the title page of all playbills and programs, and in all houseboards and displays and in all other advertising, press releases and any other promotional material, in the manner set forth in the attached billing samples.
2. **NO USE OF ELEMENTS FROM PRIOR PRODUCTIONS.** Without limiting any other terms of this License, you acknowledge that this License includes only MTI's rights with respect to the book, music and lyrics of the Play. This License specifically excludes and prohibits any right for you to use or copy any creative elements from prior productions of the Play (including the London, Broadway and touring productions) (the "First-Class Productions") or the film *Mamma Mia!* (the "Film"), including, without limitation, the choreography, direction, staging, set, costume, lighting or sound design or the physical production of any First-Class Production or the Film and the properties or accessories thereof. In addition, you expressly acknowledge and agree that all designs, including sets, costumes, lighting, sound and makeup, must be original and may not replicate those of any other production. By signing below, you acknowledge that the creative elements from prior productions of the Play (including the First-Class Productions) are protected by U.S. and international copyright law and that any use or copying of such creative elements is strictly prohibited and may subject your organization to an action for copyright infringement. In addition, please see Paragraph 4 below with respect to the prohibition on uses of the logos and artwork from First-Class Productions of the Play and the Film.
3. **CAST SIZE.** Your production of the Play must include no fewer than 20 performers for the cast unless MTI, acting on behalf of the copyright owners, agrees in writing.
4. **LOGOS/ARTWORK.** An authorized *Mamma Mia!* logo title treatment (the "Authorized Logo") has been made available for use by all licensees under the following conditions:
 - No changes to the provided Authorized Logo (including color, layout or design) will be approved.
 - If desired, Licensees may design their own artwork to use in coordination with the Authorized Logo as long as that artwork is distinctly different from anything used for the First-Class productions or for the Film. For example, there can be no use of the original "Bride" artwork or bridal imagery in general, nor can the artwork include the name "ABBA" or the title of any ABBA song as part of the artwork or in a strapline directly attached.

Please note that Professional theatres are REQUIRED to use the Authorized Logo - either to stand alone or in coordination with artwork of their own design as described above.

Amateur theatres have the option to design their own logo, including title treatment, under the following conditions, which apply to ALL licensees: You agree that you will not use any logos, artwork, or advertising, promotional or marketing material, including television, radio, websites or social media marketing, that suggests that your production is in any way associated with the First-Class Productions, including the use of any artwork, video or audio recordings, critics quotes or other advertising or promotional materials associated with such productions, and/or the titles of any ABBA songs, or references to awards won by First-Class Productions or the Film. There may be no use of the original "Bride" artwork or bridal imagery in general in your show's artwork. ABBA may not be referenced in the logo or on a strapline directly attached.

5. **SPECIAL LICENSE PROVISIONS.** The granting of this License to you to perform the Play is not to be construed as a right to interpolate new music, text or lyrics or alter any music or lyrics (including changing the order of songs or scenes) or to make any changes in the text included with the rented material, nor does it include any right to make any alterations or adjustments to the orchestrations or arrangements supplied. No changes of any kind shall be made in the Play. Further, any questions arising in connection with this License or the Play shall be directed exclusively to MTI and not to the Authors or any other party. Any violation of the restrictions set forth in the first sentence of this Paragraph 5 shall be deemed a willful infringement of the copyright of the Authors, and the referral of any matter other than to MTI shall be regarded as a breach of this License. In either case all rights are reserved.

ADDENDUM

FOR STATE ENTITIES ONLY

This Addendum is Intended Only for State Entities that Require Contract Changes.

MTI recognizes that state entities, e.g., schools, sometimes must request changes in our standard MTI production contract to comply with restrictions under their state's law. To make this process easier, we are providing this Addendum to the standard MTI Contract agreeing to the changes below.

THIS ADDENDUM ("Addendum") is entered into between the licensee signing this Addendum below ("Licensee") and **MTI ENTERPRISES INC. d/b/a Music Theatre International** ("MTI"), located at 423 West 55th St., New York, NY 10019.

Licensee is a school, university or agency, board, district, or other entity of any branch of the government of the state in which it is located (the "State") or any political subdivision of the State ("State Entity").

Licensee has informed MTI that as a State Entity it is prohibited as a matter of law and/or policy of the State from agreeing to certain terms that appear in MTI's standard production contracts and other licensing documents (e.g., video licenses, streaming licenses) (all such documents, the "MTI License").

Accordingly, MTI and Licensee have agreed to the following modifications to the attached MTI License between MTI and Licensee:

- Conflicts.** In the event of a conflict between the terms of any MTI License and the terms of this Addendum, the terms of this Addendum shall control; in addition, in the event of any conflict between the terms of any Licensee purchase order, addendum or other special provisions provided to MTI in connection with an MTI License ("Licensee Supplements"), this Addendum shall control. For the avoidance of doubt, Licensee Supplements shall not be binding upon MTI unless MTI has signed such document or agreed in writing to incorporate such terms by reference.
- Licensee's Status.** Licensee represents that it is a State Entity (as defined above) and is therefore prohibited as a matter of law from accepting certain standard clauses that appear in MTI's Licenses.
- MTI's Status.** MTI represents that it is a corporation organized under the laws of the State of New York. MTI licenses musical plays on behalf of the copyright owners to licensees for productions to be presented by the licensees. MTI does not provide services to licensees and as such any terms of Licensee Supplements that apply to contractors providing on-site services to Licensee are deemed deleted and/or are inapplicable. In addition, Licensee acknowledges that any work for hire or other provisions that purport to vest ownership of the musical plays (or approved changes thereto) in Licensee are deemed deleted and/or are inapplicable to the play licensed by MTI.
- Governing Law.** Any provision in the MTI License selecting New York state law and any provision in a Licensee Supplement (if any) selecting the law of the State as the governing law are deleted in their entirety, and the parties agree that the MTI License shall remain silent as to the governing law of the contract.
- Indemnification.** Any provision requiring Licensee to indemnify MTI is amended in its entirety to read as follows: "To the extent allowed by the law of Licensee's State, the Licensee shall indemnify, defend, and hold MTI harmless from and against any and all liability, judgments, costs, damages, claims or demands, including, without limitation, reasonable attorney's fees, arising out of the negligent acts or omissions of the Licensee. If the law of the State does not permit Licensee to indemnify MTI in any manner, the MTI indemnification clauses are deleted and Licensee agrees it will be responsible to MTI and Rightsholder(s) for any claims arising out of Licensee's violation of any of the provisions of this License."
- Late Charges, Attorney Fees, etc.** To the extent the law of the State prohibits or limits Licensee from agreeing to any term in an MTI License that would impose cancellation fees, late charges, attorney's fees or collection expenses, such terms are deemed modified to the extent permitted by the law of the State or, if applicable, deleted.
- Sovereign Immunity.** MTI acknowledges that nothing contained in the MTI License or this Addendum is intended to be construed as a waiver of sovereign immunity by Licensee or the State.
- Effective Date.** This Addendum shall become effective upon execution and delivery to MTI of the signed Addendum and the signed MTI License for the applicable production.

IN WITNESS WHEREOF, this Addendum has been executed by the parties as of the date of the MTI License.

This Performance License (the "License"), and any Contract Riders attached to the MTI Production Contract ("Production Contract"), are incorporated by reference into the Production Contract and contain important restrictions and requirements regarding Licensee's production. Throughout this License, Music Theatre International is referred to as "MTI", "we" or "us"; the organization to which the Production Contract is issued is referred to as "Licensee" or "you"; and the individual signing on behalf of the Licensee is referred to as the "Authorized Signatory."

Please read this Performance License carefully and keep this copy for your records.

Your signature on the acceptance line of the Production Contract accompanying this License will acknowledge that:

- a) you have read and understand the terms, conditions and provisions set forth below;
- b) you are authorized to sign the Production Contract on behalf of Licensee;
- c) you agree to the terms, conditions and provisions contained herein on behalf of Licensee; and
- d) you will inform the producer(s), director(s) and creative team of Licensee's production of the terms, conditions and provisions contained in this Production Contract.

I. COPYRIGHT PROVISIONS, PRODUCTION RULES AND BILLING

Any violation of these copyright provisions shall automatically and immediately terminate the Production Contract.

1. **Rights Granted and Restrictions on Use of Replica Elements:** This Production Contract allows the public performance of the Play as represented in the rental materials provided by MTI under the following terms and conditions. The rights granted by MTI do not include the right to utilize any of the choreography, staging, direction, designs (including set, costume, video or projections), logos, or other intellectual property from any prior productions of the Play or from any film version of the Play. The rights to all of those elements, in whole or in part, are owned by third parties and are not granted as part of this Performance License. Licensee may use production elements such as choreography, direction, designs and/or logos when (i) any such elements are specifically provided as part of the standard rental materials, and thereby authorized for use by MTI, or (ii) where available, the Licensee purchases an MTI Production Resource thereby granting a license to use said element.
2. **Changing the Play; Casting:** Under federal law and under the terms of this Production Contract, you may not make any changes to the Play or any additional materials purchased or rented from MTI (the "MTI Rental Materials"), including but not limited to the following:
 - a. You may not add music, dialogue, lyrics, non-verbal scenes or anything to the Play as embodied in the MTI Rental Materials, including any songs or dialogue from any film version of the Play or from any other production of the Play.
 - b. You may not delete, in whole or in part, any material in the Play as embodied in the MTI Rental Materials.
 - c. You may not make changes of any kind, including but not limited to changes of music, lyrics, dialogue, sequence of songs and/or scenes, time period, setting, characters or characterizations or gender of characters in the Play.
 - d. You agree that any proposed change, addition, omission, interpolation, or alteration in the book, music, or lyrics of the Play shall first be submitted in writing to MTI. MTI may, in its sole discretion, seek approval for such change from the authors or other rightsholders of the Play (the "Rightsholders"). If permission for any such change is granted, such changes shall become the property of the Rightsholders without any obligation to you or any third party making such changes, and MTI may require you to enter into a work for hire agreement or copyright assignment with such third party. If MTI does not respond to a request for any changes in writing, the change shall be deemed disapproved. No such change shall be implemented in your production unless and until MTI has notified you in writing that the change is approved.
 - e. The use of makeup to alter a performer's race or ethnicity (e.g., blackface, etc.) is strictly prohibited under this Performance License. Certain titles may have additional casting requirements set forth in a separate contract rider.
 - f. You may not make any physical or digital copies of the materials provided or physically alter, amend, or change them, or digitally distribute them, without MTI's prior written permission. If such permission is granted, you agree to collect and destroy all such copies upon the completion of your production.
 - g. MTI and the Rightsholders shall not be obligated at any time to offer royalty participation or make any payment to any person whom you may hire to direct, choreograph, stage, design, furnish musical services or otherwise actualize your production unless that person has entered into a written agreement directly with the Rightsholders or MTI.
 - h. **The Authorized Signatory agrees to review these copyright provisions with the director and entire creative team of your production.**

3. **Advertising/Recording/Broadcast (Audio, Video, Digital, etc.):** Except for the customary right to advertise and publicize the Play by means of print, radio, television, online and social media, including TV commercials and B-Roll (in which no radio, television or digital commercial produced by Producer shall contain excerpts from the Play in excess of 30 seconds (90 seconds in the aggregate)), this Production Contract grants no rights to record, stream or distribute the Play or any portion of it by any means whatsoever (subject to the last sentence of this Paragraph). Specifically, except as set forth in the previous sentence, this Production Contract does not grant you any right to (i) make an audio or audiovisual recording (rehearsal, performance or otherwise) of the Play or any portion of it by any means whatsoever, including, but not limited to, tape, film, CD, DVD or digital versions; or (ii) to televise, broadcast, stream, make available for download or otherwise post online or in social media or through any mobile device the Play or any portion of it. You agree to inform all audience members of the above prohibitions against recording the show by means of both a program note and a pre-show announcement. If you have purchased a Streaming or Video License (where available) for your production of the Play, you may permit limited recording in accordance with the terms of the Streaming or Video License.
4. **Billing Credits and Use of Logos in Advertising and Promotion:**
- a. **Billing:** You must bill the Play, the authors and other creative personnel in all programs, houseboards, displays, websites, advertising and publicity (print or digital) exactly as set out in the Billing Credits section of this Production Contract. Your program must also include any other required language that appears in the Billing Credits (e.g., MTI credit, video recording warning language).
 - b. **Bios:** If your program or website includes bios of any member of your creative team, you must include both (i) author bios and (ii) Music Theatre International's bio in your program. Bios may be found on our website at www.mtishows.com/bios or may be obtained by request from MTI.
 - c. **Logos:** You may not use the copyrighted logo of the Play or any logo associated with any other production or film version of the Play, unless you purchase an MTI Logo Pack featuring that logo (where available) and you pay MTI the appropriate fee, if required.
 - d. **Use of Play Title in Domain Names and Social Media:** You may not use any domain name or social media or account/handle incorporating the name of the Play without the prior written permission of MTI. If permission is granted, you must agree to assign the domain name to the Rightsholders or their duly authorized representatives.
 - e. **Program Copies:** One (1) print copy of the program for your production should be sent to MTI's Business Office (in lieu of a print version, digital copies can be emailed to licensing@mtishows.com) not later than three (3) days following the opening performance.
5. **Merchandise:** You may not create merchandise based on the Play or using the Play's title, logo, characters, lyrics or text, whether for sale or distribution, without written permission from MTI acting on behalf of the Rightsholders or their duly authorized representatives. You may sell merchandise purchased from MTI (e.g., T-shirts), where available.

II. PERFORMANCE LICENSE AND PAYMENT PROVISIONS

1. **License Effective Date; Payments:** MTI must receive, prior to the Offer Expiration Date on the first page of the Production Contract, (i) a signed copy of the Production Contract and (ii) your security fee and any other payments that are due on execution, in U.S. funds, or your application for a license to produce the Play on the performance dates listed in the Production Contract will expire. Furthermore, MTI reserves the right to revoke the license offer at any time in its sole discretion before it has received the signed Production Contract and required payments. You will receive a confirmation from MTI when all such necessary submissions have been received and accepted (please allow approximately ten (10) business days) and at such time your Production Contract will take effect and your production will be considered licensed ("Fully Licensed"). Until such time, you agree not to advertise, announce, audition, present or sell tickets for any performances of the Play. Your license to produce the Play is conditioned on MTI receiving payment in full of all royalties, rental fees and other materials costs under this Production Contract (including payment for any ancillary productions or services purchased subsequent to the date the Production Contract was issued). (Accredited schools and government agencies only may provide a purchase order in lieu of upfront payment pursuant to Paragraph II. below). Payment in full is required before MTI will ship materials to you. In any case, if payment in full has not been received by MTI prior to the first scheduled performance date, the rights granted to you in this Production Contract will terminate and your production will be deemed to be unlicensed. You agree to pay all royalties, rental and any other amounts due to MTI upon execution or within the time period specifically set forth in the Production Contract and any rider. If no time period is listed for any other charges, you agree to pay such amounts owing to MTI within forty-five (45) days from the end of your production or within thirty (30) days of receipt of an invoice from MTI, as applicable.

2. **Changes:** If you wish to change any of the conditions set forth in this Production Contract in any way (including change of dates, reducing or increasing the number of performance(s), ticket price adjustments or change of venue), you must submit such requested changes to MTI's Business Office in writing immediately, and MTI must approve all changes before they may take effect. Changes in dates may be disallowed because of licensing restrictions on the Play (e.g., due to tours). Changes in the number of performances, tickets prices and venue or seating capacity may alter the fees quoted in the Production Contract. If MTI does not receive notice of changes prior to your first scheduled performance date under your Production Contract, MTI reserves the right to retain all amounts received or due to MTI under the original Production Contract. In addition, if any such changes would increase the amount owing to MTI (e.g., increased ticket prices; adding performances or increasing seating capacity), MTI will charge your account for such additional amounts. MTI in its discretion may charge a change fee of \$25 each time changes (other than addition of performances or increased ticket prices) are made following the issuance of this Production Contract. If you wish to cancel your entire production, you must do so in accordance with Paragraph 11.4 below.
3. **Additional Performances:** If you request the right to add performances or sell additional seats per performance pursuant to Paragraph 2 above, you agree to make additional royalty and rental payments for all such additional performances. You agree not to announce, advertise, present or sell tickets for such additional performances or additional capacity without prior written permission from MTI and payment of the additional royalty and fees due.
4. **Cancellation of Production:** If you wish to cancel your entire production, you must notify MTI's Business Office in writing immediately, but in any case prior to the date of the first scheduled performance set forth in the Production Contract. You understand that, even if you do not present the Play, you may be obligated for the fees set forth in this License and the Production Contract. MTI reserves the right to charge a cancellation fee of fifty dollars (\$50.00) and is entitled to retain all other amounts paid or owing to MTI under this Production Contract. Cancellation of individual performances is covered in Paragraph 11.2 above. Refunds, if any, for a cancelled production will be issued in accordance with Paragraph 11.14 below. If MTI does not receive notice of cancellation of your production prior to the first scheduled performance date under your Performance license, MTI reserves the right to retain all amounts received or due to MTI under the original Production Contract as well as any other payments received for ancillary products and services after the Production Contract was issued. You acknowledge that if materials have shipped MTI has the right to retain a pro-rated portion of the rental fees and all shipping costs incurred if your production is cancelled for any reason, including all fees paid for additional rental weeks, all of which would be determined by MTI in its sole discretion.
5. **Complimentary Tickets:** You agree as a condition of this Production Contract to reserve two (2) complimentary tickets for each performance (if requested) for the use of MTI and the Rightsholders and MTI agrees not to sell such tickets.
6. **Purchase Orders:** For accredited schools and government agencies only, a signed, authorized Purchase Order is acceptable in lieu of upfront payment. You must still provide a check, credit card or money order for the SECURITY FEE as well as your signed, authorized Purchase Order when you return the signed Production Contract to cause materials to be shipped. Following the end of the production, you agree to promptly pay royalty and rental payments as well as any other amounts owing for ancillary products and services purchased after the original Production Contract was issued.
7. **Accounting:** You agree to keep and maintain full and regular books and records in which you shall record all items in connection with the production and presentation of the Play, including dates of performance, ticket prices and number of tickets sold. Such books and records shall be open at all reasonable business hours for inspection by MTI or its representatives at your office, and MTI shall have the right to make copies of and take extracts from such books and records. You shall submit to MTI's Business Office, within five (5) days following demand by MTI, a sworn statement setting forth the total number of performances actually presented and the precise date and place of each such performance. MTI's rights under this Paragraph shall continue for five (5) years following (i) the date of the last performance licensed under the Production Contract or (ii) the date on which MTI received final payment due hereunder, whichever is later.
8. **Default:** This License is conditioned upon your fulfillment of all obligations set forth in the License and in the accompanying Production Contract, including the prompt payment of all rental, royalty, security and other fees owing to MTI in U.S. funds when due. If any such payments are not made in full to MTI when due, the rights granted to you under this License will be deemed void ab initio (i.e., this License will be deemed invalid from the outset) and the production that is the subject of this License (and all performances thereof) will be deemed to constitute infringement and breach of contract under applicable law. Nevertheless, you will remain liable for the payment of all fees that might be due to us under this License and will be subject as well to statutory damages for copyright infringement. If you default in the performance of any of the terms of this License, then, in addition to any and all other remedies which we might have at law, we shall have the right to a preliminary injunction to enjoin further performance of the Play. You agree to reimburse us for any expenses incurred by us in enforcing our rights under this Paragraph 8, including, but not limited to, attorneys' fees,

telephone, fax, and postage charges and collection expenses. If you pay by check and it is returned insufficient funds or if you stop payment, MTI will charge a returned check fee (currently \$45).

9. **Warranty:** MTI warrants that, on behalf of the Rightsholders of the Play, it is authorized to grant this License to you. MTI makes no other warranties.
10. **Reserved Rights:** All rights in and to the Play other than those specifically licensed to you under the terms of this Production Contract are reserved to MTI, with the unrestricted right of MTI to use, exploit or dispose of any of them at any time, whether or not the exercise of such rights may be in competition with the rights granted to you in this License.
11. **Transfer of Rights:** Under no conditions can this License be assigned or transferred without written consent from MTI.
12. **Governing Law:** This License shall be governed by the Laws of the State of New York, and any dispute arising out of or under this License agreement shall be litigated only in the courts of the City or State of New York in the City of New York or the United States District Court in the Southern District of New York, and in no other forum.
13. **Indemnification of Licensor:** You agree to indemnify MTI and its affiliates and the Rightsholders of the Play from any claim arising out of your violation of any of the provisions of this Production Contract.
14. **Refunds:** Refunds will be issued in the following circumstances.
 - a. Following the conclusion of your production, if any refund is due to you (e.g., unused portion of security fee), you may elect to keep such amounts on your account to be used for future productions. If you do not elect to keep your refund amount on account, MTI will automatically process the refund within 6 to 8 weeks from the conclusion of your production. Your refund amount may be affected by charges such as shipping fees, missing materials charges, bank charges and other charges and fees specifically mentioned in this Production Contract.
 - b. If you have cancelled your entire production in a timely manner in accordance with Paragraph II.4 above and are entitled to a refund, you may elect to keep the refund on your account to be used for future productions. If you do not elect to keep your refund on account, MTI will process your refund within 6 to 8 weeks from the date MTI receives written notice of the cancellation. Your refund amount may be affected by charges such as shipping fees, missing materials charges, bank charges and other charges and fees specifically mentioned in this Production Contract.

You acknowledge that during a Force Majeure Event (as defined in Paragraph II.15 below), any refunds due to you may be delayed due to the volume of cancellations and refunds to be processed.

15. **Force Majeure:** Neither MTI nor the Licensee will be deemed in default of this License as a result of its delay or failure to perform its obligations (other than the Licensee's payment obligations) when such delay or failure arises out of causes beyond the reasonable control of MTI or the Licensee. Such causes may include, but are not restricted to, acts of God or the public enemy, war, insurrections, riots, civil disturbances, acts of terrorism, government restriction, fires, floods, strikes, unusually severe weather, epidemics, pandemics or other large-scale health events; but, in every case, delay or failure to perform must be beyond the reasonable control of and without the fault or negligence of the party (a "Force Majeure Event").

In the case of a Force Majeure Event that results in the cancellation or postponement of Licensee's production, Licensee must, as soon as reasonably practicable after the onset of a Force Majeure Event, (a) provide written notice to MTI of the nature and extent of such Force Majeure Event and (b) inform MTI whether it has cancelled or changed the production dates or intends to do so. Cancellation of Licensee's production shall be in accordance with Paragraph II.4. Proposed changes (such as postponement) to Licensee's production shall be in accordance with Paragraph II.2. If Licensee is unable to notify MTI in writing prior to the cancellation or proposed change, Licensee shall do so as soon as reasonably practicable but in any event within five (5) business days of the originally scheduled first performance date (or if the Force Majeure Event begins after performances have begun, within five (5) business days of the onset of the Force Majeure Event). If MTI does not receive written notice that Licensee has cancelled its production due to the Force Majeure Event within such time period, MTI will assume such production has taken place in accordance with the terms of the Production Contract and will have the right to retain all amounts previously paid or owing to MTI for such production (and no refunds will be issued).

Except in the case of cancellations and changes for which Licensee has notified MTI as provided above, nothing in this Paragraph shall affect or reduce Licensee's payment obligations under this Production Contract. Licensee shall remain liable for any cancellation fees, missing materials charges, shipping fees and other charges set forth in the Production Contract, including royalties for performances of the Play that were presented prior to the Force Majeure Event. Licensee also will

remain liable for amounts owing for ancillary products and services purchased after the original Production Contract was issued, all of which MTI may deduct from the security fee or other funds on account at MTI.

In the case of a Force Majeure Event affecting MTI, MTI shall, as soon as reasonably practicable after the occurrence of the Force Majeure Event, (a) provide written notice (such notice may be given by emails, social media or website postings to customers generally); and (b) use commercially reasonable efforts to resume performance (e.g., shipping materials) as reasonably practicable.

16. **Compliance with Laws.** Licensee represents and agrees that it shall be aware of and comply with all federal, state and local laws applicable to its production, including laws, regulations and ordinances pertaining to in-person gathering restrictions as well as any other rules or guidelines regarding any public health emergency (or similar situation) which may impact any aspect of Licensee's production, including but not limited to rehearsals, performances and audience attendance. MTI makes no representation or assessment of the legality or prudence of Licensee's decision to proceed with its production, nor shall MTI or the Rightsholders be held liable for any claims arising out of Licensee's decision to proceed with its production. Licensee shall indemnify and hold MTI and the rightsholders harmless from any claims, costs, and damages arising out of Licensee's production.

III. MATERIALS RENTAL PROVISIONS

1. **Rental Term and Delivery:** Delivery of the MTI Rental Materials is conditioned on your production being Fully Licensed as described in Paragraph II.1 (i.e., you have received written confirmation from MTI after submitting the signed Production Contract and paying all applicable royalty, rental and security fees). Provided your production is Fully Licensed, the MTI Rental Materials will be shipped approximately two (2) months prior to the first performance of your production; however, if you have not signed and submitted the Production Contract and remitted full payment in time to enable shipment by such date, MTI will process your shipment as soon as practicable once your production is Fully Licensed. In such case, MTI cannot guarantee the MTI Rental Materials will be delivered in sufficient time to meet your production schedule. If the MTI Rental Materials are needed in advance of the two (2)-month period, the charge is one hundred dollars (\$100.00) for each additional week or partial week, subject to availability. MTI strongly recommends that delivery of materials be made to staffed locations where receipt can be confirmed. Signature confirmation of delivery significantly reduces the risk of loss to you. After MTI has received confirmation from the carrier that the materials have been delivered to the designated address, you acknowledge and agree that you shall be responsible for any loss or damage to the materials including costs to replace the materials and reship them to you.
2. **Authorized Rental Materials:** The MTI Rental Materials are the only Play materials authorized by the Rightsholders and must be rented from MTI as a condition of this Production Contract. You may not use scripts or orchestra parts obtained from other sources (including materials posted online). The full rental fee must be paid even if you do not intend to use all of the MTI Rental Materials in your production.
3. **Ownership:** All MTI Rental Materials, including missing materials, remain the property of MTI and must be returned to MTI following the conclusion of your production. You understand that the MTI Rental Materials (i) cannot be used for any purpose other than as stated in this License and (ii) may not be copied, scanned or otherwise reproduced, sold, traded, offered for sale or trade, posted online, used for performances other than those specified in this Production Contract or otherwise transferred physically or digitally.
4. **Suitability:** Although MTI strives to provide the highest quality service to you, MTI makes no representation as to the adequacy, suitability and/or condition of the MTI Rental Materials. Any missing or damaged materials MUST be reported to MTI's Business Office within five (5) business days after receipt of your shipment, or you may be liable for full replacement charges upon their return to MTI.
5. **Shipping Charges:** You are responsible for shipping charges BOTH WAYS for materials that MTI rents and/or supplies to you, as well as all customs charges, duties and the like in connection with shipments of materials outside of the United States and return shipment to MTI. You are responsible for complying with all customs regulations applicable to the return of materials to the United States. MTI ships by USPS, FedEx, UPS or other carriers at its sole option. Any expense that MTI incurs with respect to the delivery or return of the materials to its library shall be charged to you; you agree upon demand promptly to reimburse MTI for the full amount of such expense, whether or not your production is cancelled. A \$10 handling fee is applied to each order.
6. **Return of Materials:** You agree that, no later than seven (7) days after the last performance under this Production Contract, you will return to MTI, by prepaid carrier, insured for not less than seven hundred fifty dollars (\$750.00), the complete

set of materials (including any additional materials ordered) in as good condition as when you received it. Should you fail to do so, MTI shall be entitled to an additional rental fee of twenty dollars (\$20.00) per item for each day that you retain any material beyond the period of seven (7) days after the last performance. You are responsible for the safe return to MTI of all MTI Rental Materials. If complete materials are not returned all at once and properly labeled, your account may not be credited or you may be liable for a restocking fee. If a Force Majeure Event (as defined in Paragraph II.15) prevents you from returning the materials, you will not be charged a missing materials fee for any days covered by the Force Majeure Event provided (a) you have notified MTI you are unable to return the materials due to the Force Majeure Event and (b) you return the materials promptly after circumstances permit you to do so but in no event later than three (3) months after the onset of the Force Majeure Event.

7. **Address for Return of Materials:** All materials must be returned to MTI's Music Library in Connecticut (Address listed below):
8. **DO NOT SHIP RENTED PRODUCTION MATERIALS TO THE NEW YORK BUSINESS OFFICE!**

**RETURN ALL RENTED

9. **Damage/Loss:** Any damage to or loss of the materials shall be charged to you. You agree upon demand promptly to reimburse MTI for the full amount of such evaluated damage to or loss of materials. Any materials lost or damaged while in your possession will be assessed replacement fees as set forth in this Production Contract. Materials are deemed to be in your possession, and risk of loss passes to you, once the carrier has confirmed to MTI that the materials have been delivered to your designated address.

LIMITED STREAMING LICENSE

Defined Terms Used in this License:

MTI Access Code: LES4810303

Licensee: EL PASO ISD FINE ARTS

Streaming License Fee: \$ 75.00

Play: LES MISERABLES SCHOOL EDITION

Minimum Per Performance Royalty of \$ 35.00 against 15.00% of gross receipts, whichever is greater

When signed by Licensee in the space indicated below, and upon receipt by Music Theatre International ("MTI") of Licensee's payment of the Streaming License Fee, the following terms shall constitute an agreement between the Licensee and MTI with respect to the Play.

Licensee has requested the right to record its AMATEUR production of the Play to make it solely available for viewing remotely on the CUR8.com streaming platform ("MTI Authorized Streaming Platform"), and MTI has agreed, insofar as it is concerned, to permit such recording and streaming, strictly on the terms and conditions set forth in this Limited Streaming License and the associated Production Contract.

Accordingly, the Licensee agrees as follows:

A. GRANT OF RIGHTS AND STREAMING OPTIONS

- 1. Grant of Capture and Streaming Rights.** Notwithstanding any prohibition against video recording in the associated Production Contract for the Play, this Streaming License grants Licensee permission to capture its live stage production of the Play, solely for the purpose of streaming it on the MTI Authorized Streaming Platform to remote audience members who have purchased tickets to view the stream through the MTI Authorized Streaming Platform ("Stream Viewers"). Licensee acknowledges and agrees that (i) all terms and conditions of the Production Contract and any associated riders, including the prohibition on making changes to the book, music and lyrics of the Play, apply to any performance livestreamed or recorded pursuant to this Streaming License (each, a "Video Performance"), and (ii) all Video Performances may be distributed only via the MTI Authorized Streaming Platform, and streaming, broadcasting or any other distribution of the Video Performance is not permitted on any other platform or service (e.g., YouTube, Vimeo, Google Classroom, Facebook, Zoom or other social media).
- 2. Streaming Options for the Play:** This Streaming License permits the Licensee to do the following using the MTI Authorized Streaming Platform:
 - (a) Livestream:** Licensee may livestream one or more performances of its live stage production solely to Stream Viewers broadcast live in real-time. Livestreams may be shown only live, although the MTI Authorized Streaming Platform will permit Stream Viewers a limited period of time to pause or restart from the beginning.
 - (b) Scheduled Stream:** Licensee may live-capture one or more performances of its live stage production of the Play (either at a live performance in front of an audience and/or at an onstage, recording session scheduled for this purpose, all of which may be edited into one Video Performance provided that no changes or additions in the book, lyrics or music of the Play may be made in the editing process) and make such capture available for viewing solely by Stream Viewers who have purchased tickets to view at limited, scheduled times during the Term of Licensee's Production Contract.
- 3. Streaming Platform:** As a condition of this Streaming License, all streams must take place on the MTI Authorized Streaming Platform and Licensee must make arrangements with the MTI Authorized Streaming Platform separately. Licensee acknowledges that the MTI Authorized Streaming Platform will be password-protected and will not permit downloading, copying or other duplication or redistribution of the Video Performance.
- 4. Royalties and Fees:** Licensee acknowledges that in addition to the royalties payable pursuant to the Production Contract for the right to produce and present the Play and the Streaming License Fee to acquire the rights granted in this Streaming License, Licensee must pay the Streaming Royalty listed at the top of this Streaming License. The Streaming Royalty is the greater of (a) the gross proceeds from all streaming tickets sold times the streaming royalty percentage set forth above and (b) the Per Performance Minimum Royalty set forth above. For example, if you are not charging for streaming tickets, you must still pay the Per Performance Minimum Royalty for each streaming performance. The aggregate Streaming Royalty will be deducted from the proceeds of all streaming tickets sales and paid directly to MTI by the MTI Authorized Streaming Platform. Additional per ticket charges may be imposed by the MTI Authorized Streaming Platform.

LIMITED STREAMING LICENSE *continued*

B. GENERAL TERMS AND CONDITIONS

5. **Changes:** If any of the conditions set forth in the Production Contract have changed in any way that would affect streaming performances (including change of dates, cancellation or addition of performance(s), ticket price adjustments), Licensee agrees it will notify its MTI customer representative in writing immediately, and MTI must approve all changes in writing before they may take effect. Such changes may alter the fees quoted in the Production Contract. If Licensee requests the right to add additional streaming performances, Licensee agrees not to announce, advertise, present or sell tickets for such additional performances without prior written approval from MTI.
6. **Advertising Restrictions:** Licensee is not permitted to advertise and sell tickets for the Video Production regionally or nationally. Accordingly, Licensee agrees that its advertising, marketing and promotion of the Video Performance will be limited to its customary local outlets and its social media accounts. Licensee shall not issue any advertising or publicity for streaming to national media such as Broadway.com, Broadway World, Playbill, etc.
7. **Non-Commercial Venture.** Licensee acknowledges that the Video Performance may be created by Licensee solely for streaming on the MTI Authorized Streaming Platform and neither the Video Performance nor any other video recording of the Play may be sold, leased, duplicated or rented except as provided as herein or in a separate MTI video license (available for certain titles only).
8. **Billing.** Licensee shall post the full billing credits for the Play onscreen, and shall follow all requirements as to order, size and wording of credits, as provided in the associated Production Contract. Licensee may also distribute a digital program to each Stream Viewer. Such billing shall include the following credit:

**STREAMING IS PRESENTED BY SPECIAL ARRANGEMENT WITH

All authorized performance materials are also supplied by MTI. mtishows.com

9. **Restriction on Distribution.** In no event may any recording of the Play authorized herein, either in whole or in part, be otherwise reproduced and/or disseminated in any way, including broadcasting, televising, sale or electronic transmission and/or posting on the Internet or social media except as expressly authorized in this Streaming License.
10. **Copyright Infringement.** Licensee understands that its failure to follow the above requirements, even if inadvertent, could subject Licensee to liability for statutory copyright infringement under federal law. Licensee agrees that, without limiting any other recovery that MTI and/or the rightsholder(s) may obtain against Licensee, whether at law or at equity, for its breach of this Agreement, Licensee shall, at a minimum, reimburse MTI and/or the rightsholder(s) for its out-of-pocket expenses and shall pay to MTI and/or the rightsholder(s) damages equal to three times the total license royalty fees paid or payable to MTI by Licensee for its production of the Play or statutory damages in lieu thereof.
11. **Third-Party Permissions.** Permission granted herein to make a Video Performance available to Stream Viewers is limited to rights in the Play only. MTI cannot grant permission for others whose permission may be required such as, but not limited to, performers, production personnel, directors, choreographers, and designers as well as the theatre or venue owner. Licensee shall obtain all necessary releases and permissions from such personnel (including parents or legal guardians of minor children) and any applicable unions (e.g., Actors Equity, American Federation of Musicians, etc.).
12. **Compliance with Laws.** Licensee represents and agrees that it shall be aware of and comply with any and all applicable federal, state and local laws applicable to its production, including laws, regulations and ordinances pertaining to in-person gathering which may impact any aspect of Licensee's production of the Play, including but not limited to Licensee's rehearsals, performances and audience attendance. By permitting Licensee to stream its production, MTI makes no representation or assessment of the legality or prudence of the Licensee's decision to proceed with its production, nor shall MTI or the rightsholders be held liable for any claims arising out of Licensee's decision to proceed with its production.
13. **Limited Audiovisual Rights.** Other than to the limited extent provided for in the foregoing, no film rights, television rights or merchandising rights are made available to Licensee as part of this Streaming License. Licensee acknowledges that the rights granted are limited to capturing a live-stage performance and Licensee is not permitted to adapt the Play for video conferencing (e.g., Zoom) unless Paragraph 2 of this Streaming License includes remote performance rights.
14. **Limitation of Liability.** To the fullest extent provided by law, except as provided in the next sentence, in no event will MTI or the rightsholders of the Play be liable to Licensee on any legal theory (including, without limitation, negligence) or for its errors or omissions, or otherwise for any direct, special, indirect, incidental, consequential, punitive, exemplary, or other losses, costs,

expenses, or damages arising out of this Limited Streaming License, even MTI has been advised of the possibility of such losses, costs, expenses, or damages. MTI's and the rightsholders' total liability is limited to the total compensation paid to MTI under this Limited Streaming License.

15. Miscellaneous. All other provisions, terms and conditions of the Production Contract and Riders shall continue in full force and effect.

1. Notwithstanding the general prohibition against any video recording whatsoever in the License, MTI hereby grants permission for your organization to permit one authorized videographer (who can be an individual associated with your production or a commercial videographer as set forth in Paragraph 2 below) to record a single performance of your production of the Play, subject to Licensee's strict observance of the conditions set forth herein.

4. In no event may any video recording of the Play authorized herein, either in whole or in part, be otherwise reproduced and/or disseminated in any way, including broadcasting, televising, sale and/or electronic transmission and/or posting on the Internet.

5. Licensee understands that its failure to follow the above requirements, even if inadvertent, will incur liability for statutory copyright infringement under federal law. Licensee agrees that, without limiting any other recovery that MTI may obtain against Licensee, whether at law or at equity, for its breach of this Agreement, Licensee shall, at a minimum, reimburse MTI for its out-of-pocket legal fees and shall pay to MTI damages equal to three times the total license royalty fees paid or payable to MTI by Licensee for its production of the Play. In addition, Licensee shall indemnify MTI and the authors and owners of the Play and hold them harmless from any costs or expenses arising out of claims made by third parties appearing in the video, or whose work is used in the video (such as performers, musicians, directors, choreographers or designers).

ADDENDUM

FOR STATE ENTITIES ONLY

This Addendum is Intended Only for State Entities that Require Contract Changes.

MTI recognizes that state entities, e.g., schools, sometimes must request changes in our standard MTI production contract to comply with restrictions under their state's law. To make this process easier, we are providing this Addendum to the standard MTI Contract agreeing to the changes below.

THIS ADDENDUM ("Addendum") is entered into between the licensee signing this Addendum below ("Licensee") and **MTI ENTERPRISES INC. d/b/a Music Theatre International** ("MTI"), located at 423 West 55th St., New York, NY 10019.

Licensee is a school, university or agency, board, district, or other entity of any branch of the government of the state in which it is located (the "State") or any political subdivision of the State ("State Entity").

Licensee has informed MTI that as a State Entity it is prohibited as a matter of law and/or policy of the State from agreeing to certain terms that appear in MTI's standard production contracts and other licensing documents (e.g., video licenses, streaming licenses) (all such documents, the "MTI License").

Accordingly, MTI and Licensee have agreed to the following modifications to the attached MTI License between MTI and Licensee:

- Conflicts.** In the event of a conflict between the terms of any MTI License and the terms of this Addendum, the terms of this Addendum shall control; in addition, in the event of any conflict between the terms of any Licensee purchase order, addendum or other special provisions provided to MTI in connection with an MTI License ("Licensee Supplements"), this Addendum shall control. For the avoidance of doubt, Licensee Supplements shall not be binding upon MTI unless MTI has signed such document or agreed in writing to incorporate such terms by reference.
- Licensee's Status.** Licensee represents that it is a State Entity (as defined above) and is therefore prohibited as a matter of law from accepting certain standard clauses that appear in MTI's Licenses.
- MTI's Status.** MTI represents that it is a corporation organized under the laws of the State of New York. MTI licenses musical plays on behalf of the copyright owners to licensees for productions to be presented by the licensees. MTI does not provide services to licensees and as such any terms of Licensee Supplements that apply to contractors providing on-site services to Licensee are deemed deleted and/or are inapplicable. In addition, Licensee acknowledges that any work for hire or other provisions that purport to vest ownership of the musical plays (or approved changes thereto) in Licensee are deemed deleted and/or are inapplicable to the play licensed by MTI.
- Governing Law.** Any provision in the MTI License selecting New York state law and any provision in a Licensee Supplement (if any) selecting the law of the State as the governing law are deleted in their entirety, and the parties agree that the MTI License shall remain silent as to the governing law of the contract.
- Indemnification.** Any provision requiring Licensee to indemnify MTI is amended in its entirety to read as follows: "To the extent allowed by the law of Licensee's State, the Licensee shall indemnify, defend, and hold MTI harmless from and against any and all liability, judgments, costs, damages, claims or demands, including, without limitation, reasonable attorney's fees, arising out of the negligent acts or omissions of the Licensee. If the law of the State does not permit Licensee to indemnify MTI in any manner, the MTI indemnification clauses are deleted and Licensee agrees it will be responsible to MTI and Rightsholder(s) for any claims arising out of Licensee's violation of any of the provisions of this License."
- Late Charges, Attorney Fees, etc.** To the extent the law of the State prohibits or limits Licensee from agreeing to any term in an MTI License that would impose cancellation fees, late charges, attorney's fees or collection expenses, such terms are deemed modified to the extent permitted by the law of the State or, if applicable, deleted.
- Sovereign Immunity.** MTI acknowledges that nothing contained in the MTI License or this Addendum is intended to be construed as a waiver of sovereign immunity by Licensee or the State.
- Effective Date.** This Addendum shall become effective upon execution and delivery to MTI of the signed Addendum and the signed MTI License for the applicable production.

IN WITNESS WHEREOF, this Addendum has been executed by the parties as of the date of the MTI License.

*Competitive
Bidding*

Except to the extent prohibited by other law and to the extent consistent with Education Code Chapter 44, Subchapter B, a district may use competitive bidding to select a vendor as authorized by Education Code 44.031(a)(1).

A district shall award a competitively bid contract at the bid amount to the bidder offering the best value for the district. In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria. The selection criteria may include the factors listed in Education Code 44.031(b) [see Contract Selection Factors, below].

Except as provided below, Local Government Code Chapter 271, Subchapter B (Competitive Bidding on Certain Public Works Contracts) does not apply to a competitive bidding process under this policy.

Local Government Code Sections 271.026 (Opening of Bids), 271.027(a) (Award of Contract), and 271.0275 (Safety Record of Bidder Considered) apply to a competitive bidding process under Education Code Chapter 44, Subchapter B. [See CVA for these requirements.]

Education Code 44.0351

[For information on additional competitive procedures under the Public Property Finance Act, see CHH.]

*Competitive
Sealed Proposals*

In selecting a vendor through competitive sealed proposals as authorized by Education Code 44.031(a)(2), a district shall follow the procedures prescribed below.

Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

Selection

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract with the selected offeror. The district may discuss with the selected

offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria.

Compliance with Law

The Superintendent or designee shall establish procedures that ensure that all school facilities within the District comply with applicable laws and local building codes.

Construction Contracts

Delivery /
Procurement
Method

For each construction contract valued at or above ~~\$100,000~~ **THE COMPETITIVE PURCHASING THRESHOLD** in the aggregate, except as noted below for job-order contracts, the Board designates the competitive sealed proposal project delivery procurement method as the default "best value" method. The Board determines that the competitive sealed proposal procurement method offers the most flexibility to the District in procuring a final best value purchase through direct negotiations with the offeror as permitted under state law.

Those services that qualify for procurement as job-order contracts shall be procured in accordance with the provisions of state law. The Board determines that procurement of qualifying facilities construction or repair through job-order contracts provides for the time-liest completion of construction or repairs. [See CVF]

If any other project delivery procurement method is to be employed, the Superintendent or designee shall first recommend the same to the Board for its approval.

[See CV series generally and CBB(LEGAL) for requirements if federal funds are involved.]

Approval Authority

For construction contracts valued at or above ~~\$100,000~~ **\$250,000** in the aggregate, **(INCLUDING JOB ORDER CONTRACT MASTER AGREEMENTS WITH A MAXIMUM AGGREGATE PRICE AT OR ABOVE \$250,000), AND FOR EACH JOB ORDER AT OR ABOVE \$500,000**, the Superintendent or designee shall recommend to the Board for its approval the contract award the Superintendent or designee determines provides the best value to the District. [See CV series generally and CBB(LEGAL) for requirements if federal funds are involved.]

FOR CONSTRUCTION CONTRACTS AND JOB ORDER MASTER AGREEMENTS VALUED AT OR ABOVE \$250,000, AND FOR JOB ORDERS VALUED AT OR ABOVE \$500,000 THE SUPERINTENDENT SHALL SUBMIT THE RESULTING CONTRACT TO THE BOARD FOR APPROVAL. LESSER EXPENDITURES FOR CONSTRUCTION AND CONSTRUCTION-RELATED MATERIALS OR SERVICES SHALL BE AT THE DISCRETION OF THE SUPERINTENDENT AND CONSISTENT WITH LAW AND POLICY ~~The Board authorizes the Superintendent or designee to approve contracts for lesser expenditures for construction and construction-related materials or services.~~

Gov't Code 2269.060

**Uniform General
Conditions for
Contracts**

After reviewing the uniform general conditions adopted by the Texas Facilities Commission under Government Code 2166.302, a school district may adopt uniform general conditions to be incorporated in all district building construction contracts. *Education Code 44.035*

Right to Work

While engaged in procuring goods or services, awarding a contract, or overseeing procurement or construction for a public work or public improvement under Government Code Chapter 2269, a district:

1. May not consider whether a person is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to an organization.

Gov't Code 2269.054

**Collective
Bargaining**

A district awarding a public work contract funded with state money, including the issuance of debt guaranteed by the state, may not:

1. Prohibit, require, discourage, or encourage a person bidding on the public work contract, including a contractor or subcontractor, from entering into or adhering to an agreement with a collective bargaining organization relating to the project; or
2. Discriminate against a person described by item 1 based on the person's involvement in the agreement, including the person's status or lack of status as a party to the agreement or willingness or refusal to enter into the agreement.

Gov't Code 2269.0541(a)

**Out-of-State Bidders
Change Orders**

For legal requirements regarding out-of-state bidders, see CH.

If a change in plans or specifications is necessary after the performance of a contract is begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the district may approve change orders making the changes. The district may grant general authority to an administrative official to approve the change orders.

The total contract price may not be increased because of the changes unless additional money for increased costs is approved for that purpose from available money or is provided for by the authorization of the issuance of time warrants.

A contract with an original contract price of \$1 million or more may not be increased by more than 25 percent. If a change order for a contract with an original contract price of less than \$1 million increases the contract amount to \$1 million or more, the total of the subsequent change orders may not increase the revised contract amount by more than 25 percent of the original contract price.

Education Code 44.0411

Unsigned Change
Orders

A vendor may elect not to proceed with additional work directed by a district under a public work contract if:

1. The vendor has not received a written, fully executed change order for the district-directed additional work; and
2. The aggregate actual or anticipated value of the additional work under the vendor's contract terms plus any previous district-directed additional work for which the vendor has not received a written, fully executed change order exceeds 10 percent of the vendor's original public work contract amount.

A subcontractor may elect not to proceed with additional work directed by a vendor under a subcontract if:

1. The subcontractor has not received a written, fully executed change order for the district-directed additional work from the vendor; and
2. The aggregate actual or anticipated value of the additional work under the subcontractor's subcontract terms plus any previous district-directed additional work for which the subcontractor has not received a written, fully executed change order exceeds 10 percent of the subcontractor's subcontract amount.

A vendor or subcontractor who elects not to proceed with additional work is not responsible for damages associated with the election not to proceed.

Gov't Code 2251.0521

**Inspection,
Verification, and
Testing**

Independently of the contractor, construction manager-at-risk, or design-build firm, a district shall provide or contract for the construction materials engineering, testing, and inspection services and the verification testing services necessary for acceptance of the facility by the district. The district shall select the services for

which it contracts in accordance with Government Code 2254.004.
Gov't Code 2269.058

Note: For additional requirements related to code compliance, including fees and contracts, see 19 Administrative Code 61.1040(e)(5).

Impact Fees

A district is not required to pay impact fees imposed under Local Government Code Chapter 395 unless the board consents to the payment of the fees by entering a contract with the political subdivision that imposes the fees. The contract may contain terms the board considers advisable to provide for the payment of the fees.
Local Gov't Code 395.022

Design Professionals

A district shall designate one design professional to be the prime design professional for a capital improvement project and shall contractually engage the prime design professional to review and coordinate the design of the project, allowing the prime design professional to rely on and contract for other design professionals where appropriate. *19 TAC 61.1040(a)(4), (e)(4)(D)*

A district shall require any design professional contractually engaged to procure professional design services from any other design professional as a subconsultant to select and subcontract the professional design services based on the qualification-based selection process established in Government Code Chapter 2254. [See Procuring Architectural or Engineering Services, below] *19 TAC 61.1040(e)(5)(B)*

Architects and Engineers

An architect or engineer required to be selected or designated under Government Code Chapter 2269 has full responsibility for complying with Occupations Code Chapter 1051 or 1001, as applicable.

If the selected or designated architect or engineer is not a full-time employee of the district, the district shall select the architect or engineer on the basis of demonstrated competence and qualifications as provided by Government Code 2254.004 [see Procuring Professional Services, below].

Gov't Code 2269.057

Registered Architect

An architectural plan or specification for any of the following may be prepared only by an architect:

1. A new building having construction costs exceeding \$100,000 that is to be:
 - a. Constructed and owned by a district; and

- b. Used for education, assembly, or office occupancy; or
- 2. An alteration or addition having construction costs exceeding \$50,000 that:

 - (1) Is owned by a district; and
 - (2) Is or will be used for education, assembly, or office occupancy; and
 - b. Requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.

This provision does not prohibit an owner of a building from contracting with an architect or engineer as the prime design professional for a building construction, alteration, or addition project. Designation as the prime design professional does not expand the scope of practice of an architect or engineer beyond the scope of practice that the architect or engineer is authorized to practice under Occupations Code Chapter 1001 or 1051.

Occupations Code 1051.703; 22 TAC 1.212

- 1. The engineering plans, specifications, and estimates have been prepared by an engineer; and
- 2. The engineering construction is to be performed under the direct supervision of an engineer.

Occupations Code 1001.407

The following work is exempt from Occupations Code Chapter 1001 (Texas Engineering Practice Act):

*Certification for
Purchases

Purchasing

1. The project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Occupation Code Chapter 1001 or 1051; or
2. The plans and specifications required under Occupation Code Chapters 1001 and 1051 have been prepared.

“Purchasing cooperative” means a group purchasing organization that governmental entities join as members and the managing entity of which receives fees from members or vendors.

Education Code 44.031 does not apply to a contract for professional services rendered, including the services of an architect. *Education Code 44.031(f)* [See CH for information on the Professional Services Procurement Act generally.]

In procuring architectural, engineering, or land-surveying services, a district shall:

1. First select the most highly qualified provider on the basis of demonstrated competence and qualifications; and
2. Then attempt to negotiate with that provider a contract at a fair and reasonable price.

If a satisfactory contract cannot be negotiated with the most highly qualified provider of architectural, engineering, or land-surveying services, a district shall formally end negotiations with that provider, select the next most highly qualified provider, and attempt to negotiate a contract with that provider at a fair and reasonable price. The district shall continue this process to select and negotiate with providers until a contract is entered into.

	An interlocal contract between a district and a purchasing cooperative may not be used to purchase engineering or architectural services. <i>Gov't Code 791.011(h)</i>
Contracts for Engineering, Architectural, or Land Surveying Services	A covenant or promise in, in connection with, or collateral to a contract for engineering, architectural, or land surveying services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer, registered architect, or land surveyor whose work product is the subject of the contract must indemnify or hold harmless the district against liability for damage, other than liability for damage to the extent that the damage is caused by or results from an act of negligence, intentional tort, intellectual property infringement, or failure to pay a subcontractor or supplier committed by the indemnitor or the indemnitor's agent, consultant under contract, or another entity over which the indemnitor exercises control.
<i>Indemnification</i>	
<i>Duty to Defend</i>	Except as provided below, a covenant or promise in, in connection with, or collateral to a contract for engineering, architectural, or land surveying services to which a district is a party is void and unenforceable if the covenant or promise provides that a licensed engineer, registered architect, or land surveyor whose work product is the subject of the contract must defend a party, including a third party, against a claim based wholly or partly on the negligence of, fault of, or breach of contract by the district, the district's agent, the district's employee, or other entity, excluding the engineer, architect, or land surveyor or that person's agent, employee, or subcontractant, over which the district exercises control. A covenant or promise may provide for the reimbursement of a district's reasonable attorney's fees in proportion to the engineer's, architect's, or land surveyor's liability.
<i>District as Additional Insured</i>	A district may require in a contract for engineering, architectural, or land surveying services to which the district is a party that the engineer, architect, or land surveyor name the district as an additional insured under the engineer's, architect's, or land surveyor's general liability insurance policy and provide any defense provided by the policy.
<i>Standard of Care</i>	A contract for engineering, architectural, or land surveying services to which a district is a party must require a licensed engineer, registered architect, or land surveyor to perform services: <ol style="list-style-type: none">1. With the professional skill and care ordinarily provided by competent engineers, architects, or land surveyors practicing under the same or similar circumstances and professional license; and

2. As expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer, architect, or land surveyor.

In a contract for engineering, architectural, or land surveying services to which a district is a party, a provision establishing a different standard of care than a standard described above is void and unenforceable. If a contract contains a void and unenforceable provision, the standard of care described above applies.

Nothing in these provisions prohibits a district in a contract for engineering or architectural services to which the district is a party from including and enforcing conditions that relate to the scope, fees, and schedule of a project in the contract.

Local Gov't Code 271.904

**Payment and
Performance Bonds**

A district that makes a public work contract with a prime contractor shall require the contractor, before beginning the work, to execute to the district:

1. A performance bond if the contract is in excess of \$100,000; and
2. A payment bond if the contract is in excess of \$25,000.

A bond required by this provision must be executed by a corporate surety in accordance with Insurance Code Article 7.19-1 (now Insurance Code 3503.001-.005). A bond for a public work contract with a district must be payable to and its form must be approved by the awarding board.

Gov't Code 2253.021(a), (d)-(e)

The performance bond is solely for the protection of the district awarding the public work contract, in the amount of the contract, and conditioned on the faithful performance of the work in accordance with the plans, specifications, and contract documents.

Gov't Code 2253.021(b)

The payment bond is solely for the protection and use of payment bond beneficiaries who have a direct contractual relationship with the prime contractor or a subcontractor to supply public work labor or material, and in the amount of the contract. *Gov't Code 2253.021(c)*

**Failure to Obtain
Payment Bond**

If a district fails to obtain from a prime contractor a payment bond as required above or fails to include in a lease the lease terms required by Government Code 2252.909 [see CDB]:

1. The district is subject to the same liability that a surety would have if the surety had issued a payment bond and if the district had obtained the bond; and
2. A payment bond beneficiary is entitled to a lien on money due to the prime contractor in the same manner and to the same extent as if the public work contract were subject to Property Code Chapter 53, Subchapter J (Lien on Money Due Public Works Contractor).

Gov't Code 2253.027(a)

**Bond for Insured
Loss**

A district shall ensure that an insurance company that is fulfilling its obligation under a contract of insurance by arranging for the replacement of a loss, rather than by making a cash payment directly to the district, furnishes or has furnished by a contractor:

1. A performance bond as described above for the benefit of a district; and
2. A payment bond, as described above for the benefit of the beneficiaries described above.

If the payment bond is not furnished, the district is subject to the same liability that a surety would have if the surety had issued the payment bond and the district had required the bond to be provided.

The bonds required to be furnished by the provisions above shall be furnished before the contractor begins work. It is an implied obligation under a contract of insurance for the insurance company to furnish these bonds.

*Exception to

**Prevailing Wage on
Public Works**

"Worker" includes a laborer or mechanic. *Gov't Code 2258.001(3)*

A worker employed on a public work by or on behalf of a district shall be paid:

1. Not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the work is performed; and
2. Not less than the general prevailing rate of per diem wages for legal holiday and overtime work.

The requirements above do not apply to maintenance work. A worker is employed on a public work for purposes of this provision if the worker is employed by a contractor or subcontractor in the execution of a contract for public work with a district.

Gov't Code 2258.021

For a contract for a public work awarded by a district, the board shall determine the general prevailing rate of per diem wages in the district for each craft or type of worker needed to execute the contract and the prevailing rate for legal holiday and overtime work by:

1. Conducting a survey of the wages received by classes of workers employed on projects of a character similar to the contract work in the district in which the public work is to be performed; or
2. Using the prevailing wage rate as determined by the U.S. Department of Labor in accordance with the Davis-Bacon Act (40 U.S.C. Section 276a et seq.), and its subsequent amendments.

The board shall determine the general prevailing rate of per diem wages as a sum certain, expressed in dollars and cents. A board shall specify in the call for bids for the contract and in the contract itself the wage rates determined under these provisions. The board's determination of the general prevailing rates of per diem wages is final.

Government Code 2258.022(b) applies to a public work located in a county bordering the United Mexican States or in a county adjacent to a county bordering the United Mexican States. *Gov't Code 2258.022(b)*

Enforcement

A board awarding a contract, and an agent or officer of the board, shall:

1. Take cognizance of complaints of all violations of Government Code Chapter 2258 committed in the execution of the contract; and
2. Withhold money forfeited or required to be withheld under Government Code Chapter 2258 from the payments to the contractor under the contract, except that the board may not withhold money from other than the final payment without a determination by the board that there is good cause to believe

that the contractor has violated Government Code Chapter 2258.

On receipt of information, including a complaint by a worker, concerning an alleged violation of Government Code 2258.023 [see Penalty for Noncompliance, below] by a contractor or subcontractor, a board shall make an initial determination as to whether good cause exists to believe that the violation occurred. A board must make its determination before the 31st day after the date the board receives the information. A board shall notify in writing the contractor or subcontractor and any affected worker of its initial determination.

Retainage and
Reimbursement

A board shall retain any amount due under the contract pending a final determination of the violation. *Gov't Code 2258.052(d)*

Note: Arbitration of unresolved issues is governed by Government Code 2258.053-.055.

A board shall use any amounts retained under Government Code Chapter 2258 to pay the worker the difference between the amount the worker received in wages for labor on the public work at the rate paid by the contractor or subcontractor and the amount the worker would have received at the general prevailing rate as provided in the arbitrator's award. The board may adopt rules, orders, or ordinances relating to the manner in which the reimbursement is made. *Gov't Code 2258.056(a)-(b)*

Penalty for
Noncompliance

The contractor who is awarded a contract by a district or a subcontractor of the contractor shall pay not less than the rates determined under these provisions to a worker employed by it in the execution of the contract. A contractor or subcontractor who violates this provision shall pay to the district on whose behalf the contract is made, \$60 for each worker employed for each calendar day or part of the day that the worker is paid less than the wage rates stipulated in the contract. A board awarding a contract shall specify this penalty in the contract. A contractor or subcontractor does not violate this section if a board awarding a contract does not determine the prevailing wage rates and specify the rates in the contract as required by these provisions. The board shall use any money collected under this provision to offset the costs incurred in the administration of Government Code Chapter 2258. *Gov't Code 2258.023*

If the district fails to comply with this provision, the court or an arbitrator or other adjudicating authority shall dismiss the action without prejudice. The notice must include a copy of the petition and an itemized list of the defects in the design, construction, renovation, or improvement for which the district is seeking damages under the action.

In an action involving an instructional facility financed by bonds for which the district receives state assistance under Education Code Chapter 46, Subchapter A (Instructional Facilities Allotment), the commissioner may join in the action on behalf of the state to protect the state's share in the action.

A district that brings an action under these provisions shall use the net proceeds from the action for:

**IN THE STATE OF TEXAS
COUNTY OF EL PASO**

**INTERLOCAL AGREEMENT
FOR THE ESTABLISHMENT AND OPERATION OF THE
EL PASO COUNTY JUVENILE JUSTICE ALTERNATIVE EDUCATION PROGRAM
PURSUANT TO CHAPTER 37 OF THE TEXAS EDUCATION CODE**

This Interlocal Agreement is made by and between the El Paso County Juvenile Board, hereinafter referred to as the **“Board”**, and the Ysleta Independent School District, hereinafter referred to as **“YISD”**, and the Ysleta Board of Trustees, hereinafter referred to as the **“YISD Board”**; and the following school districts: El Paso Independent School District, Anthony Independent School District, Canutillo Independent School District, Socorro Independent School District, Fabens Independent School District, San Elizario Independent School District, Tornillo Independent School District, and Clint Independent School District, hereinafter collectively referred to as the **“Districts”** and individually as a **“Participating District.”** These parties enter into this Agreement for the purpose of establishing their respective responsibilities for the operation of the Juvenile Justice Alternative Education Program (**“JJAEP”**). Nothing in this Agreement shall be construed to create a direct contractual relationship between any Participating District and YISD in its capacity as the provider of JJAEP educational services.

1. PURPOSE

The purpose of this Agreement is to provide for the establishment, by the Board, of a JJAEP approved by the Texas Juvenile Justice Department (**“TJJD”**) and operated by the YISD, for eligible students of the Participating Districts, as permitted by Texas Education Code § 37.011(e). This Agreement serves to establish a unified system of operational, programmatic, and educational standards for the JJAEP as required under Texas Education Code § 37.011(e) and Title 37, Texas Administrative Code, Chapter 348. The JJAEP shall serve only students enrolled in the Participating Districts who have been expelled from school for conduct for which expulsion is mandatory under Texas Education Code § 37.007(a), (d), and (e). The El Paso County Juvenile Probation Department shall administer funding for such placements in accordance with applicable TJJD requirements. The El Paso County JJAEP is dedicated to providing a safe, inclusive, and productive educational environment for these students, with the academic mission of enabling them to perform at grade level while empowering them to achieve both academic and personal development.

The program shall be located at YISD’s Cesar Chavez Academy, 7814 Alameda Avenue, El Paso, Texas, 79915 (**“JJAEP Campus”**), unless relocated pursuant to Section 25 of this Agreement (**“Change of Campus Location”**).

2. DUTIES OF THE JUVENILE BOARD AND JJAEP ADMINISTRATOR

For purposes of this Agreement, the Diversionary and JJAEP Programs Supervisor of the El Paso County Juvenile Probation Department, or his/her designee, shall serve as the JJAEP Administrator

and shall be responsible for performing all duties assigned to the JJAEP Administrator under this Agreement and applicable TJJD standards.

For the provision of JJAEP services, and in consideration of YISD's operation of the educational component of the JJAEP, the Juvenile Board, by and through the County of El Paso, agrees to compensate YISD at the daily rate approved by TJJD for each YISD or Participating District student enrolled in the JJAEP. Payments shall be made using state-appropriated funds from TJJD for the applicable school year, along with any pass-through funding provided by the Participating Districts. TJJD funding may also include settle-up funds resulting from unexpended year-end balances. It is understood by YISD that the daily rate of compensation for educational services is determined by the State of Texas and may be subject to change throughout the year. Payments shall be made to the attention of YISD's Chief Financial Officer on a quarterly basis, with the first payment due on or before December 15 of the applicable school year. All amounts due under this Agreement shall be paid no later than sixty (60) days following the conclusion of the respective school year.

The Board and the JJAEP Administrator shall monitor program compliance and performance. An annual JJAEP Performance Review shall be conducted following the conclusion of each school year and prior to the start of the subsequent school year to evaluate the effectiveness of the JJAEP. Additionally, an annual JJAEP Management Review of operational practices shall be completed. The JJAEP Administrator shall provide copies of both reports to the YISD School Board President, Trustees, and Superintendent within thirty (30) days following review by the Juvenile Board.

3. DUTIES OF YISD AND THE DISTRICTS

YISD shall provide the facilities, personnel, and services necessary to operate the JJAEP on behalf of the Board in accordance with the Texas Administrative Code, Chapter 348 and the Texas Education Code § 37.011(e). The educational components of the JJAEP shall be subject to the policies adopted by the YISD Board. YISD shall implement the programmatic and procedural components of the JJAEP as outlined in the El Paso County Juvenile Probation Department's JJAEP Policies, Procedures, and Standards, as well as the applicable requirements of Title 37, Texas Administrative Code, Chapter 348. Based on current building code capacity limitations, YISD shall not be required to enroll more than thirty (30) students in the JJAEP at any one time one time (“**capacity**”).

YISD agrees to continue providing the personnel and services necessary to operate the JJAEP, including the implementation of a Continuity of Operations Plan (“**C.O.O.P.**”) to ensure uninterrupted educational services in accordance with the Texas Education Code, Texas Education Agency requirements, Title 37, Texas Administrative Code, Chapter 348, the Texas Juvenile Justice Department standards, guidance from the Department of Public Health, and directives issued by the Local Health Authority. The C.O.O.P. must address potential modifications to JJAEP educational services in the event of a pandemic, natural disaster, or other emergency affecting normal operations. YISD further agrees to provide a copy of the YISD JJAEP Plan of Action prior to the start of the 2026-2027 school year. This plan shall include details regarding instructional delivery methods (synchronous, asynchronous, traditional, hybrid, or online), student and staff safety procedures, transportation procedures, meal service procedures, student search procedures, attendance

recordkeeping procedures, and other operational components necessary to maintain continuity of services. YISD shall provide updates to the JJAEP Plan of Action as revisions occur throughout the school year.

Each Participating District, including YISD, agrees to comply with the requirements of this Agreement, the El Paso County Juvenile Probation Department's JJAEP Policies, Procedures, and Standards, and the applicable provisions of the Texas Administrative Code in support of the successful transition of students to and from the JJAEP.

4. TERMS OF PLACEMENT DUE TO EXPULSION

To be eligible for expulsion and subsequent placement in the JJAEP, a Participating District must expel a student who commits a mandatory expulsion offense as defined under Texas Education Code § 37.007(a), (d), or (e), regardless of whether the offense occurred on or off school property. A complete list of applicable **MANDATORY EXPULSIONS OFFENSE CODES** is included in (**EXHIBIT "A"**), attached hereto. Furthermore, to be accepted for placement in the JJAEP, the student must be expelled for a minimum of seventy-five (75) school days. The maximum expulsion term shall not exceed one hundred eighty (180) school days, except in cases involving a firearm, for which the maximum term shall be one (1) calendar year. Expulsion terms beyond one (1) calendar year may only occur in accordance with applicable state law and Participating District policy. While Texas Education Code § 37.011(k)(3) permits placement in a JJAEP based on serious misbehavior, as defined in Texas Education Code § 37.007(c), the Board and YISD shall only accept students who have been expelled for mandatory offenses listed in Exhibit A.

To be placed in JJAEP, a student must be at least ten (10) years of age and enrolled in the sixth (6th) grade or higher. Prior to making a JJAEP placement recommendation, the Participating District shall consider all applicable mitigating factors, exhaust all appeals, and explore all available Disciplinary Alternative Education Programs (DAEP) placements options. The Participating District acknowledges and agrees that eligible elementary students who are ten (10) years of age and enrolled in the sixth (6th) grade may be placed at Cesar Chavez Academy's Middle School and receive educational services alongside middle school students. Such placement shall not exceed twenty (20) school days, and enrollment of any elementary school student shall not require YISD to add or reassign staff to meet teacher-to-student ratios at secondary level. All Participating Districts acknowledge and accept that YISD may, but is not required to, separate middle school students from high school students enrolled in the JJAEP.

The Participating District shall provide a copy of the expulsion notice and all required documentation to the El Paso County Juvenile Probation Department pursuant to Texas Education Code § 37.007 and the Texas Family Code § 52.041 no later than two (2) school days after the final appeal hearing has concluded and the expulsion has been upheld. Failure to provide the required documentation shall result in the student remaining in the Participating District's Disciplinary Alternative Education Program. The expulsion packet must include the expulsion notice, parent/guardian notification, and the following student information: student name, date of birth, student ID number, TSDS number, Law Enforcement Agency (LEA) report number, expulsion term with specific end date, review date,

and any applicable special program documentation, including Special Education or Section 504 records.

Upon formal acceptance into the JJAEP by the JJAEP Administrator or Designee, the Participating District shall immediately provide all required school withdrawal and educational records, including transcripts and any special education documents, to the JJAEP Campus. This will facilitate the development of an appropriate educational plan within three (3) school days of the JJAEP acceptance. Required school records are outlined in the **JJAEP SCHOOL RECORDS REQUEST FORM (EXHIBIT “B”)**.

The Participating District and the JJAEP Campus shall collaborate to ensure completion of the JJAEP intake process within seven (7) to ten (10) school days following formal acceptance. This process is intended to minimize delays in a student’s attendance or access to educational services. Although a student may be accepted into the JJAEP, actual enrollment may be delayed due to capacity limitations or other special circumstances. In such cases, the parties shall provide a minimum of three (3) school days advance notice prior to the scheduled intake. If a student remains in the sending district’s DAEP while pending intake or while on the JJAEP waiting list, those days shall be credited towards the student’s JJAEP total placement term.

If a student is expelled and accepted into the JJAEP but does not enroll due to withdrawal by a parent/guardian, the student shall remain eligible for JJAEP placement upon re-enrollment in a local school district. However, the expelling school district must hold a new expulsion hearing, issue a new expulsion order, and submit a complete expulsion packet before placement may occur. Participating Districts shall adhere to the guidelines established under Texas Education Code §§ 37.302, 37.303, 37.304, 37.305, 37.306, 37.307, 37.308, 37.309, 37.310, and 37.311 for students placed in a JJAEP as a result of an offense requiring sex offender registration. Additionally, all Participating Districts shall also adhere to the expulsion term guidelines outlined in this Agreement.

In the event that JJAEP enrollment reaches ninety (90%) of its approved capacity, a waiting list shall be established for consideration of additional placements. While on the waiting list, Participating Districts may assign expelled students to their respective DAEPs. Students shall be accepted into the JJAEP in the order they are placed on the waiting list, provided that a minimum of forty-five (45) school days remain in the student’s expulsion term. Students expelled for acts of violence or firearm-related offenses shall be given priority placement on the waiting list and may be accepted into the JJAEP up to the approved capacity limit.

The JJAEP shall not accept new referrals within the last three (3) weeks of YISD’s instructional school year. Referrals submitted during this period may be denied placement or, at the discretion of the JJAEP Administrator, considered for placement during the following academic year. In either case, the referred student shall remain the responsibility of the Participating District, which shall continue placement in its DAEP until the student is formally accepted into the JJAEP.

Students who engage in conduct during the summer break that would otherwise qualify for mandatory expulsion and placement in the JJAEP under Texas Education Code § 37.007(a), (d), or

(e) may be considered for placement in the JJAEP during the subsequent school year. In such cases, the Participating District shall conduct all required disciplinary proceedings and submit the required referral documentation to the JJAEP Administrator. Placement shall be subject to the eligibility requirements, capacity limitations, and enrollment procedures established by this Agreement.

5. SPECIAL CIRCUMSTANCES AFFECTING LENGTH OF PLACEMENT

YISD agrees to provide capacity for up to thirty (30) students at the JJAEP. However, the Parties agree that special circumstances may arise if the JJAEP reaches ninety percent (90%) of its capacity, or if any single Participating District accounts for more than sixty-seven percent (67%) of total student enrollment. Under such conditions, YISD may limit the length of an individual student's placement at the JJAEP to a maximum of one hundred (100) school days, with the required seventy-five (75) placement review held at an earlier date mutually agreed upon by the JJAEP Administrator and the Participating District. These placement limitations shall not apply to students expelled for offenses involving firearms or those who, as determined by the Participating District and with the concurrence of the JJAEP Administrator, pose an ongoing threat to the safety of other students or district employees. In the event a student enrolled in the JJAEP commits an infraction that violates the YISD or JJAEP Student Code of Conduct, YISD reserves the right to take disciplinary action in accordance with the JJAEP Student Code of Conduct. Such action may result in an extension of the student's term of expulsion and continued placement at the JJAEP.

6. TERMS OF EXIT

A student shall be exited from the JJAEP upon the earliest occurrence of any of the following: completion of court-ordered supervision or deferred prosecution terms and conditions, completion of the expulsion term that resulted in the student's placement in the JJAEP, a decision by the Participating District to remove the student from JJAEP placement following a review hearing, decline or dismissal of the charge associated with the student's JJAEP placement by the Court or Prosecutor, withdrawal from the JJAEP by the student's parent/guardian, or withdrawal due to "Inactive" Status following thirty (30) consecutive school days on non-attendance. Except in cases where a parent, guardian, or custodian initiates the withdrawal, the JJAEP shall notify the student's parent, guardian, or custodian in writing of the student's withdrawal prior to the effective date of withdrawal, unless the withdrawal date is not known in advance. The JJAEP shall maintain documentation of such notification.

The Participating District agrees to attend and collaborate with YISD in the JJAEP Exit Transition Meeting to jointly develop a written exit plan and transition plan to support the student's reintegration into his or her home school. The transition planning shall include an academic review consisting of courses attended, credits earned and pending, attendance records, discipline reports, identified follow-up areas, state assessment, and IOWA skills test scores (Pre and Post). As part of the JJAEP Exit Transition Meeting, the Participating District agrees to initiate the student's return schedule, identify strategies to be implemented upon reentry to the home school, and coordinate support through the Communities In Schools (if applicable), the graduation coach, at-risk coordinator, counselor, or other designated staff responsible for re-entry services. To ensure a smooth transition and support long-term success, the JJAEP Exit Transition Meeting shall occur prior to the student's

withdrawal from the JJAEP and shall include the student's home campus administrator or designee, YISD campus administrator or designee, the assigned Juvenile Probation Officer or JPD representative, the student, and the student's parent or guardian.

For students expelled and placed in the JJAEP for a term of seventy-five (75) school days or more, Participating Districts agree to attend a placement review as requested by the JJAEP to evaluate eligibility for early removal based on academic progress, behavioral performance, successful participation in programming, and other relevant factors. Placement reviews may occur at any time during the student's placement in the JJAEP. On a case-by-case basis, the JJAEP may also conduct placement reviews for returning students who were carried over from the previous school year and are being considered for an early release due to demonstrated progress or other qualifying circumstances. The JJAEP shall facilitate such placement review hearings and coordinate efforts with the student's home district and campus.

For students expected to satisfy all graduation credit requirements and state-mandated graduation requirements while enrolled in the JJAEP, the Participating District shall collaborate with YISD to ensure the student is provided with the opportunity to graduate on time. This collaboration shall include verification of the student's academic status, coordination of final credit evaluations, provision of all necessary documentation, and assistance with graduation-related planning. Because the JJAEP does not award diplomas or conduct graduation ceremonies, students who become eligible for graduation while enrolled in the JJAEP shall be returned to their home campus or otherwise released to the Participating District for graduation purposes. The Participating District shall be responsible for verifying graduation eligibility, awarding credit, issuing the diploma, and facilitating the student's participation in all applicable graduation activities and ceremonies.

The Participating District and YISD shall work collaboratively to ensure all necessary supports are in place to facilitate the successful completion of the student's high school education and transition from the JJAEP.

Each Participating District acknowledges that student reintegration procedures may vary based on local district policy, administrative guidelines, and individual student circumstances. Unless otherwise determined by the Participating District, students exiting the JJAEP shall return to their home campus. However, the Participating District may consider placement at an alternative campus, transfer to another school within the district, or other educational placement deemed appropriate to support the student's successful transition, continued academic progress, and overall educational needs.

7. CURRICULUM AND ATTENDANCE

YISD shall provide a JJAEP to serve students referred by YISD and Participating Districts. The JJAEP shall operate in full compliance with all applicable requirements under Chapter 37 of the Texas Education Code, rules adopted by the State Board of Education, Chapter 348 of the Texas Administrative Code, and the Texas Juvenile Justice Department. This includes, but is not limited to, providing a curriculum in English Language Arts, Mathematics, Science, Social Studies, Self-

Discipline, and a High School Equivalency Program that meets the requirements of Texas Administrative Code, Chapter 348.206 (b)(3), as well as administering assessment instruments in accordance with Subchapter B, Chapter 39 (State Assessment) of the Texas Education Code. All students enrolled in the JJAEP shall participate in statewide assessments as required under Section 39.023 of the Texas Education Code. YISD and the Participating Districts agree to the use of the online version of the Iowa Test of Basic Skills (ITBS), a nationally standardized achievement test, and the development of an individualized academic plan based on ITBS results to meet each student's educational needs. Students enrolled in the JJAEP for a minimum of seventy-five (75) school days shall be administered a pre-test within ten (10) school days of enrollment. Students enrolled for at least sixty-five (65) school days shall be administered a post-test prior to exiting the JJAEP.

YISD shall collaborate with students and their parents/guardians to review academic progress at least twice during the student's JJAEP placement and to establish a specific graduation plan for high school students. At a minimum, academic reviews shall be conducted at the time of the JJAEP Intake and during the JJAEP Exit Transition Meeting. During the intake meeting, YISD shall require the participation and input of the student's corresponding counselor, assistant principal, or other designated representative from the Participating District to support decisions regarding grade retention or promotion in accordance with applicable law and YISD policy. YISD reserves the right to conduct additional transition or grade placement conferences when necessary to determine appropriate grade promotion, particularly for students placed in the JJAEP near the conclusion of the school year.

The JJAEP shall operate for a minimum of seven (7) hours per instructional day over one hundred eighty (180) school days, totaling at least 75,600 instructional minutes annually. Instructional minutes may include lunch periods and transition time but shall not include early release days, inclement weather days, or other approved waiver days. A JJAEP student shall be considered present for attendance purposes when the student attends at least four (4) hours of instructional time in a school day. Attendance shall be documented and verified through daily sign-in sheets and official attendance records for each enrolled JJAEP student. A student may be placed on inactive status when the student is detained or incarcerated, absent for a minimum of ten (10) consecutive school days, reported as a runaway, experiencing an extended illness or medical condition, or admitted to an inpatient treatment facility. Time spent on inactive status shall not be counted as either absent or present for JJAEP reporting purposes. Students who remain on inactive status for thirty (30) consecutive school days shall be withdrawn from the JJAEP on the thirty-first (31st) consecutive inactive day. The Participating District shall be notified in writing when a student is placed on inactive status and again prior to the student's withdrawal from the JJAEP due to exceeding the thirty (30) consecutive school days inactive status limit.

The JJAEP shall provide the El Paso County Juvenile Probation Department with monthly attendance records for all enrolled students. YISD agrees to complete and submit the **JJAEP MONTHLY ACTIVITY REPORT (MAR) (EXHIBIT "C")** no later than the third (3rd) calendar day of each month. If the third (3rd) calendar day falls on a weekend or holiday, the report shall be submitted on the next business day. YISD acknowledges that subsequent payments under this Agreement are contingent upon the data reported in the JJAEP attendance records and the Monthly Activity Report (MAR).

Participating Districts agree to invite a representative of the JJAEP Campus to attend the student's ARD or section 504 Committee meeting as a non-consensus participant. The Participating District shall provide reasonable advance notice of the meeting to both the JJAEP Campus Administrator and the JJAEP Administrator. As such, the JJAEP Campus Administrator or designee shall make reasonable efforts to attend such meetings, as participation is critical to planning for the student's educational, behavioral, and related service needs and ensuring continuity of services upon placement in the JJAEP.

For all students receiving special education services who are placed in the JJAEP, the Participating District shall provide the JJAEP with a complete copy of the student's most recent Admission, Review, and Dismissal (ARD) report. This documentation must include the full and current ARD meeting report, the manifestation determination ARD documentation, and the most recent special education eligibility evaluation.

The Participating District shall remain responsible for ensuring compliance with all procedural safeguards and requirements under IDEA and Section 504 during the student's placement in the JJAEP. If JJAEP staff suspect that a student who has not previously been identified under IDEA may be eligible for special education services, the JJAEP shall promptly notify and refer the student to the student's home district for consideration of an evaluation in accordance with applicable state and federal laws and regulations. The home district shall retain responsibility for conducting the evaluation and determination eligibility.

9. ENGLISH AS A SECOND LANGUAGE (ESL) SERVICES

The JJAEP, in collaboration with the student's sending Participating District, shall ensure that students identified as Emergent Bilingual (EB) or students eligible for English as a Second Language (ESL) services receive instructional support and accommodations appropriate to their language proficiency needs. The determination of eligibility, placement, accommodations, and required language support services shall be made by the student's Language Proficiency Assessment Committee (LPAC) in accordance with applicable federal and state laws. Such determination must be supported by documented assessment data and reflected in the student's educational records.

The Sending Participating District shall provide the JJAEP with copies of all current LPAC documentation, language proficiency assessment results, accommodation plans, and any other records necessary to ensure continuity of services upon the student's enrollment in the JJAEP. All LPAC decisions and service plans shall be maintained in the student's educational record and implemented by the JJAEP to the extent required by law.

10. TRANSPORTATION SERVICES

Transportation of students attending the JJAEP shall be the sole and exclusive responsibility of the student's Sending Participating District. Under no circumstances shall the JJAEP or the Educational Fiscal Agent be responsible for transporting students referred by Participating Districts. While YISD may elect to provide transportation for its own students to the JJAEP, YISD shall have no obligation to provide transportation to or from the JJAEP for students enrolled from other school districts. This

responsibility includes transportation required as a related service under a student's Individualized Education Program (IEP), Section 504 Plan, or any other educational service plan.

Before a student is recommended or referred for placement at the JJAEP, the Participating District must evaluate the student's access to reliable transportation and must develop a written transportation plan. This transportation plan is a required condition of placement and must be completed and confirmed prior to initiating the referral process. The transportation plan must acknowledge and align with the YISD's board approved instructional calendar (**EXHIBIT "H"**), including all professional development days, early release days, holiday closures, inclement weather delays or closures, intersessions, Spring Break, and the start and end of the instructional year. Participating Districts are solely responsible for making necessary adjustments to their transportation plans to account for any calendar differences or conflicts with YISD.

The Participating District shall be responsible for notifying the student's parents or guardians of the initial transportation plan prior to placement and for communicating any subsequent changes in a timely manner. If transportation issues arise after placement and interfere with the student's ability to attend the JJAEP, the Participating District shall promptly convene a meeting with the student's parent or guardian, JJAEP Administrator, and any other appropriate parties to develop corrective actions. If transportation barriers cannot be resolved within a reasonable period of time and continue to prevent regular attendance, the JJAEP Administrator may recommend the student's withdrawal from the JJAEP and return the student to the Participating District for alternative placement, educational services, or other action deemed appropriate by the Participating District.

11. POLICY, PROCEDURES, AND STUDENT CODE OF CONDUCT

YISD shall implement the programmatic, operational, and procedural components of the JJAEP in accordance with the **EL PASO COUNTY JJAEP POLICIES, PROCEDURES, AND STANDARDS**, attached hereto as (**EXHIBIT "D"**). All references within Exhibit D to the "JJAEP Campus" shall refer specifically to the YISD's JJAEP Campus, including its operations and staff, unless the context clearly indicates otherwise. YISD shall establish, implement, and enforce the **EL PASO COUNTY JJAEP STUDENT CODE OF CONDUCT (EXHIBIT "E")** as a supplement to, but not a replacement for, the YISD Student Code of Conduct. This requirement is consistent with Texas Education Code § 37.001 and mandated by Texas Education Code § 37.011(c).

YISD, the JJAEP Campus, the JJAEP Administrator, and representatives of the Participating Districts agree to actively participate in collaborative efforts to support the effective operation of the JJAEP. Such efforts shall include, at a minimum, quarterly meetings to review program performance, discuss areas of concern, provide updates, address challenges, evaluate compliance requirements, consider legislative or regulatory changes affecting the JJAEP, and identify opportunities for program improvement. The parties further agree that these collaborative conversations may be used to review and recommend revisions to the El Paso County JJAEP Policies, Procedures, and Standards, the El Paso County JJAEP Student Code of Conduct, and the El Paso County JJAEP Interlocal Agreement. All such documents must be approved by the El Paso County Juvenile Board, the YISD Board of Trustees, and the School Boards of all Participating Districts, and must be

submitted to the Texas Juvenile Justice Department (TJJD) in accordance with applicable regulations.

12. JJAEP EDUCATIONAL STAFF

JJAEP educational staff shall be employees of YISD and shall be subject to all applicable YISD personnel policies, procedures, and the YISD Employee Code of Conduct. YISD further agrees to comply, as its sole expense, with Section 22.0834 of the Texas Education Code (“Criminal History Record Information Review of Certain Contract Employees”), along with applicable rules adopted by the Texas Commissioner of Education, High School/College Board policies, and other related regulations. YISD shall certify that all employees assigned to the JJAEP, including “Covered Employees” do not possess a “Disqualifying Criminal History” as defined under applicable law. YISD shall ensure that all JJAEP staff, including temporary, seasonal, substitute employees, and volunteers have successfully completed and passed a criminal background check **prior to having any “direct” contact with JJAEP students**. YISD agrees that all assigned JJAEP employees (including substitutes that will work within a JJAEP for six (6) weeks or more) shall attend both the JJAEP New Employee Orientation and the JJAEP Annual Refresher Training, as applicable.

YISD agrees to complete the **JJAEP HR RECORDS AND CERTIFICATION FORM (EXHIBIT “F”)** for each employee assigned to work with JJAEP students. YISD will provide verification that all required certifications are current and that the employee has completed the necessary training as required by this agreement. The form must be completed and signed by an authorized Human Resources representative certifying that the employee meets all qualifications for the position held. For returning YISD employees, the **JJAEP HR RECORDS AND CERTIFICATION FORM (EXHIBIT “F”)** shall be re-certified annually and submitted to the Juvenile Probation Department no later than October 15 of each school year. YISD shall promptly notify the JJAEP Administrator of any personnel changes affecting JJAEP staffing, including resignations, terminations, extended leaves of absence, or changes in assignment.

In accordance with Texas Administrative Code, Chapter 348.200(g)(4), YISD shall maintain adequate staffing and supervision levels necessary to ensure the safe and effective operation of the JJAEP. All JJAEP employees, including long-term substitutes assigned for six (6) weeks or more, who do not meet the “professional” designation (e.g., certified teachers, student aides, paraprofessionals, nurses, physicians, commissioned law enforcement officers) must maintain current certifications in Crisis Prevention Intervention (CPI), Cardiopulmonary Resuscitation (CPR), and First Aid through training approved and provided by YISD. Teacher aides and Communities in School (CIS) Coordinators are exempt from obtaining the Community Activities Officer (CAO) certification requirement, as they are not employed by a juvenile probation department or juvenile facility.

Pursuant to Texas Administrative Code § 350.100, the JJAEP is considered a Juvenile Justice Program. As such, all YISD personnel assigned to the JJAEP must comply with the standards set forth in Texas Administrative Code, Chapter 358 regarding the identification, reporting, and investigation of abuse, neglect, exploitation, death, and serious incidents. YISD shall ensure that all JJAEP staff, including administrators, are trained in these standards and fully understand the timelines and procedures for reporting. Additionally, all staff must adhere to the Prison Rape Elimination Act

(PREA) and uphold a strict zero-tolerance policy regarding any form of physical, emotional, or sexual abuse.

In the event of a reportable incident, YISD personnel shall immediately comply with all reporting requirements established by the Texas Juvenile Justice Department. This includes completing and submitting the **TJJD INCIDENT REPORT FORM (EXHIBIT “G”)** and, when applicable, the **TJJD INTERNAL INVESTIGATION REPORT FORM (EXHIBIT “G-1”)**. All required reports and supporting documentation shall be submitted to TJJD through designated reporting channels, including the Abuse and Neglect Reporting Hotline at [1-877-786-7263](tel:1-877-786-7263) and abuseneglect@tjjd.texas.gov, as well as to the Juvenile Probation Department and any other agency required by law. YISD shall also notify local law enforcement whenever required under Chapter 348 and 358 of the Texas Administrative Code or any other applicable law. The JJAEP Administrator and the Juvenile Probation Department shall be notified of any reportable incident immediately upon discovery, but no later than the next business day. YISD shall cooperate fully with any investigation conducted by TJJD, the Juvenile Probation Department, law enforcement, Department of Family and Protective Services, or any other authorized entity.

13. RECORDS AND RETENTION

YISD shall maintain, and make available for inspection, audit, or reproduction by an authorized representative of El Paso County, the El Paso County Juvenile Probation Department, the State of Texas, or the Federal Government, all books, documents, and other records pertaining to the costs and expenses of operating the JJAEP under this Agreement, hereinafter called the “Records”. These records shall be maintained and retained for a minimum of seven (7) years following the end of the contract period. If any litigation, claim, or audit involving these “Records” is initiated before the end of the seven (7) year period, YISD shall retain the “Records” until all such matters are resolved or until the seven (7) year period ends, whichever is later.

14. SUPPLEMENTARY PROGRAM FUNDING

Each Participating District agrees to allow and support YISD in applying for any available federal, state, local, or private grant funding for which the JJAEP may be eligible. Participating Districts shall reasonably cooperate with YISD by providing information, certifications, assurances, or other documentation necessary to complete grant applications or fulfill grant requirements. Any supplemental funding received for the JJAEP shall be used in a manner consistent with the requirements and restrictions of the applicable funding source. To the extent permitted by law and grant conditions, such funds shall first be used to offset educational and operational costs associated with providing JJAEP services to Participating Districts, including YISD. Any remaining funds may be used to enhance, expand, improve, or sustain JJAEP operations, programming, staffing, technology equipment, training, facility improvements, or other initiatives that support the educational, behavior, and rehabilitative mission of the JJAEP.

15. EFFECTIVE DATE

This Agreement shall become effective on August 3, 2026, regardless of the date of execution by the parties. The parties agree that the authorized signature of any additional Participating District joining this Agreement by counterpart shall constitute a binding commitment and shall be effective as to all signatories once executed by YISD.

16. TERMINATION

This Agreement shall remain in effect through August 2, 2027, unless earlier terminated in accordance with the provisions of this Agreement. Either the “Board” or “YISD” may terminate this Agreement by providing ninety (90) calendar days’ written notice of termination. Notice of termination by either the Board or YISD shall take effect no earlier than the 90-day notice period, on the date indicated in the notice letter.

Notice of termination by any Participating District shall apply solely to that district and shall take effect at the conclusion of the then-current contract year. The Agreement may be renewed for a maximum of two (2) additional one (1) year terms upon written agreement by the YISD and the El Paso County Juvenile Board.

YISD, the Participating Districts, and the Juvenile Board acknowledge that revisions to the El Paso County JJAEP Policies, Procedures and Standards, the JJAEP Student Code of Conduct, or this JJAEP Interlocal Agreement, may be necessary from time to time. Any such revisions shall be made in accordance with applicable law and shall become effective upon approval by the El Paso County Juvenile Board and YISD.

17. NOTICE

All notices under this Agreement shall be sent by certified mail, return receipt requested, to the individuals identified in the **CONTACT LISTING** enclosed and incorporated herein (**APPENDIX “A”**). Any Participating District joining the Agreement by counterpart shall also identify a designated representative for notice purposes.

18. SEVERABILITY

If any provision of this Agreement is found to be illegal or unenforceable, such provision shall be severed, and the remainder of the Agreement shall remain in full force and effect.

19. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding between the parties concerning the subject matter herein. All prior negotiations, representations, understandings, and agreements, whether oral or written, are hereby superseded and merged into this Agreement.

20. INSPECTION OF RECORDS

Upon reasonable request, all “Records” maintained by YISD under this Agreement shall be available for inspection at a mutually agreed-upon time, subject to applicable privacy laws including the Family Educational Rights and Privacy Rights Act (FERPA) as outlined in Title 20 of the United States Code § 1232(g), and the Texas Government Code Chapter 552, Public Information Act. The requesting party shall bear the cost of any such inspection or copying.

21. EXECUTION

This Agreement may be executed jointly or in counterparts. The signature of an authorized representative of any Participating District, whether or not named herein, shall constitute a binding commitment, provided that the Agreement is also executed by YISD.

22. EQUAL EMPLOYMENT POLICIES

YISD affirms that it is an equal opportunity employer and does not discriminate on the basis of race, color, national origin, religion, sex, disability, genetic information, or age in its programs, activities, or employment.

23. FAILURE TO PAY

In the event the Board fails to make timely payments to YISD under the terms and conditions of this Agreement within the times set forth herein, YISD may terminate this Agreement, but only if the Board has failed to make such payments following thirty (30) days’ written notice to cure from YISD. YISD may not terminate this Agreement after giving such notice unless YISD has first made itself available to meet with the Board to attempt in good faith to resolve the matter.

24. IMMUNITY

Nothing herein shall waive or reduce the sovereign immunity of the parties hereto or broaden the limited waiver of immunity provided by the Texas Tort Claims Act (TTCA) and the Texas Education Code § 37.011(o).

25. CHANGE OF CAMPUS LOCATION

YISD shall provide written notice to the Juvenile Board of any change in the physical location of the JJAEP Campus at least thirty (30) calendar days prior to the effective date of the relocation whenever reasonably practicable. If advance notice is not reasonably possible, notice shall be provided as soon as possible. A change in campus location shall not require an amendment to this Agreement.

26. CONFLICT RELATED DOCUMENTS

In the event of any conflict, inconsistency, or ambiguity among the provisions of this Agreement, its exhibits, attachments, policies, procedures, or related documents, the following order of precedence shall apply: Applicable federal, state, and local regulations, this Agreement and any duly approved

amendments, the El Paso County Juvenile Probation Department JJAEP Policies, Procedures, and Standards, and the El Paso County JJAEP Student Code of Conduct.

To the extent possible, all documents shall be interpreted in a manner that gives effect to each provision and promotes compliance with applicable law.

POLICY

The El Paso County Juvenile Board is responsible for approving and implementing the policies and procedures governing the Juvenile Justice Alternative Education Program (JJAEP). The El Paso County Juvenile Justice Alternative Education Program shall operate in accordance with these policies and procedures, which address all aspects of program operations. The JJAEP Administrator shall ensure that all written policies and procedures are made available to all JJAEP employees and that documentation acknowledging receipt is maintained in each employee's personnel or training file.

The Ysleta Independent School District (YISD) shall provide the facilities, personnel, and services necessary to operate on behalf of the Juvenile Board, a JJAEP approved by the Texas Juvenile Justice Department (TJJD), as outlined under Chapter 348 of the Texas Administrative Code and as permitted under § 37.011(e) of the Texas Education Code ("JJAEP Services"). The educational components of the JJAEP, including traditional, hybrid, online, and distance learning instruction, shall be governed by policies adopted by the YISD Board of Trustees. The JJAEP shall adhere to the programmatic and operational components outlined in the El Paso County JJAEP Policies and Procedures, as well as the applicable standards set forth in the Texas Administrative Code.

The standard instructional day for the JJAEP shall be as follows:

- High School: 8:00 a.m. - 3:15 p.m.
- Middle School: 8:30 a.m. - 3:45 p.m.

These schedules are designed to meet applicable instructional minute requirements and may be modified as necessary to address operational needs, emergency situations, or changes approved by the Juvenile Board and/or YISD. Any deviation from the established instructional schedules, including temporary adjustments, shall be reported to the JJAEP Administrator.

The JJAEP shall maintain the personnel, resources, and services necessary to ensure continued operation of the program and shall implement a Continuity of Operations Plan (COOP) to maintain educational services in accordance with guidance from the Texas Education Code, Texas Education Agency, Texas Juvenile Justice Department, Department of Public Health, and the Local Health Authority. The COOP shall address operational changes resulting from pandemics, natural disasters, public health emergencies, or other events impacting normal operations. YISD shall provide the JJAEP Administrator with all relevant documentation related to online instruction, curriculum, attendance, and student progress. In the event of a pandemic, natural disaster, or other emergency, YISD shall also develop and provide a JJAEP specific Plan of Action detailing instructional models (synchronous, asynchronous, traditional, hybrid, or online), student and staff safety protocols, transportation, meal services, search procedures, attendance accounting, and any other operational considerations necessary to ensure continuity of services. The Plan of Action shall be submitted to the JJAEP Administrator prior to the beginning of each school year and updated as necessary throughout the year.

PROCEDURE

Written policies and procedures governing all facets of the JJAEP operations, including personnel, administration, programming, training, and compliance with Chapter 348 of the Texas Administrative Code, shall be maintained and followed. The El Paso County JJAEP Policies, Procedures, and Standards are incorporated as **EXHIBIT A** of the JJAEP Interlocal Agreement between the Juvenile Board and participating school districts. This inclusion facilitates compliance with TJJD requirements and clarifies both TJJD and YISD expectations. The JJAEP Policies and Procedures and Student Code of Conduct shall be submitted to TJJD for review no later than October 1 of each year, and upon request.

1. JJAEP Policies and Procedures, JJAEP Student Code of Conduct, and applicable program forms shall be copied onto electronic storage devices and provided to the JJAEP Campus for provision to all newly hired regular status employees, temporary employees, and both short and long-term substitutes prior to having direct contact with JJAEP students.
2. The JJAEP Summary of Policies and Procedures (**APPENDIX A**) and JJAEP Student Code of Conduct (**APPENDIX B**) shall be reviewed with each employee by a Campus Administrator or designee prior to any contact with JJAEP students.
3. Policy review shall occur upon the employee's first arrival at the JJAEP Campus, with instructions to complete the review before attending the scheduled JJAEP New Employee Orientation (NEO).
4. All new employees, including regular staff, temporary employees, and substitutes, shall sign and date the JJAEP Summary of Policies and Acknowledgment Form (**APPENDIX C**) to document compliance with §348.202 and §348.224 of the Texas Administrative Code. The acknowledgment form shall also instruct employees to review the entire policies before attending the JJAEP New Employee Orientation (NEO).
5. PURPOSES OF SEARCHES:

To prevent the introduction of weapons or other dangerous contraband, ensure compliance with the JJAEP dress code, and maintain student accountability and facility security.

SEARCH GUIDELINES

1. Be professional. Never use a search as a form of punishment or as a means of harassment. Always exhibit a professional demeanor while conducting a clothed search. This reduces hostility and opposition to the search and diminishes the threat of physical confrontation.
2. Stay focused. Complete the entire procedure and continue searching when you find something. Do not become distracted or discontinue your search. This may be a decoy to deter you from other contraband the student may be holding.
3. Be orderly and systematic in your approach. Security personnel/staff must conduct clothed searches in the same manner each time; always following policy and procedure. This requires discipline, concentration, and consistency each and every time.
4. Ensure all staff and following the same steps (There should be no difference between the procedure you use and another officer's procedure). Students recognize inconsistency and incompleteness immediately and your inability to follow procedure puts the security of the school at risk.
5. Use the squeeze method of search. Do not just pat the area being searched, but gently and firmly squeeze the clothing between your fingers and palms.
6. Start your search from top to bottom and back to front. If you remember this, you will remember the rest of the steps in the clothed search procedure.

PROCEDURE-CLOTHED/PATDOWN SEARCHES

All JJAEP staff participating in the mandatory pat down/clothed searches will be trained by the JJAEP Administrator or designated trainer. Pat downs/clothed searches will always be conducted in an area the line of sight of another staff member. **Searches will be conducted for safety and security reasons only.** At all times, efforts will be made to keep the student's dignity intact. Professional actions, language, and behaviors by staff towards the students during searches will be adhered to at all times. When clothed searches are being conducted there must always be a witnessing staff member present.

2. Upon a student's return from an appointment outside the facility;
3. In the event that property or equipment cannot be located; and
4. In the event that there is reasonable suspicion or information has been received that a student may be in possession of a weapon or have contraband in their possession or on their person.

B. Components of a pat down search:

1. Searches must be systematic and orderly.
2. Searches must be conducted with care and attention.
3. The search must be conducted in an area providing distance away from other students to prevent distractions or the transference of contraband from one student to another.
4. Searches are conducted for security, never as discipline.

16. Starting at the back of the waistline, move to the front and back again coming across the abdomen moving down the buttocks and around the front covering the lower abdominal area and zipper.

17. Examine the waistband closely feeling all along the outside of the waistband as this is an area where things can be hidden easily.
18. From the back of the waistline, proceed down the back and sides of the legs to the feet. Check the trouser cuffs, bottom of the feet.
19. Proceed back up the inside of the leg, and up to the mid-thigh.

Resource Officers-El Paso Police Department Officers and/or district campus police are also available during school hours to assist in any situation requiring law enforcement presence. YISD utilizes the Crisis Prevention Intervention (CPI) approved curriculum and has designated staff who are primarily responsible for searches and restraints. The JJAEP Campus also has staff certified in CPI such as Special Education personnel, nurses, or campus patrol. To ensure for the safety of both the staff and students, under no circumstances shall staff not trained nor deemed competent in the district's approved physical restraint technique participate in a restraint of a JJAEP student.

PROCEDURE

When physical intervention is used, the philosophy of the CPI model is to provide for the care, welfare, safety, and security of the students in our charge. As such, policies and procedures are developed in relation to the Crisis Prevention Institutes' curriculum of Non-violent Crisis Intervention as the goal is to eliminate the use of physical and mechanical restraints through effective verbal de-escalation techniques, whenever possible. In the case where certified JJAEP staff at the JJAEP campus, must engage in the use of force and a restraint, the following criteria shall be followed:

1. Certified ISD staff in the approved physical restraint technique shall only use the approved physical restraint technique (CPI). As taught and outlined in the YISD and JJAEP Student Code of Conduct (SCC) ISD staff who lapse in CPI certification throughout the year must not engage in a physical restraint of JJAEP youth. It will be the responsibility of the Campus Administrator to ensure that staff does not lapse in their certification and if a lapse occurs, staff are aware as to their limitations regarding restraints.
2. El Paso County Juvenile Probation staff working directly with JJAEP students at the JJAEP Campus shall be certified and maintain their certification in Handle with Care (HWC) technique accordingly.

 - b. Injury to others.
 - c. Serious property damage.
 - d. Restraints shall only be used as a last resort; and
 - e. Only the amount of force and type of restraint necessary to control the situation shall be used; and

 - g. Restraints shall be terminated as soon as the student's behavior indicates that the threat of imminent self-injury, injury to others, or serious property damage has subsided.
5. Under no circumstances will physical force of any type be utilized or imposed on a student for the purposes of punishment, intimidation, or discipline; and
6. Students are strictly prohibited from assisting staff in the discipline or physical restraint of other students. Students may assist staff by seeking assistance when or if directed to do so by staff.

7. Texas Education Code 37.0021 requires a written parental notice each time a restraint is used on a student receiving special education. The existing rules mandate a good-faith effort to provide verbal notice on the day the restraint occurs and written notice within one (1) school day.

STAFF RESPONSE AGAINST SUDDEN ASSAULT:

Student-on-Staff Assault: If a staff member is attacked (e.g., choking, punching, tackled), they may use only the force necessary to escape and seek help. Staff must not use force to gain control or subdue the student alone.

Student-on-Student Assault: If a staff member cannot get immediate assistance and a student is in danger, they may intervene only to stop the harm or remove the endangered student. Use of force must cease once the immediate risk has ended. If alone and in imminent danger, staff may use force only to avoid, evade, or escape to get help.

POLICY

It is the policy of the El Paso County Juvenile Board to adopt the **YISD STUDENT CODE OF CONDUCT (APPENDIX B)** for implementation within the El Paso County Juvenile Justice Alternative Education Program (JJAEP). This code outlines key student expectations and consequences and includes the following components:

- Discipline procedures and sanctions
- Prohibited disciplinary practices
- Dress code requirements
- Grievance procedures
- Sexual abuse prevention and reporting protocols

In accordance with the Prison Rape Elimination Act of 2003 (PREA) and applicable district policy, the Student Code of Conduct also details prevention, intervention, and reporting procedures for incidents involving sexual abuse. All students and their parents/guardians are required to sign an acknowledgement form upon receipt of the JJAEP Student Code of Conduct.

A. ADOPTION PROCEDURE

El Paso County JJAEP adopts the Ysleta Independent School District's Student Code of Conduct through formal approval by the Juvenile Board, thereby establishing the behavior management framework for the program. YISD has implemented an in-house suspension system, whereby out-of-school suspension will be considered a last resort if other forms of behavioral management have been ineffective, or infraction requires removal from the campus (out-of-school suspension). Disruptive students may be removed from the classroom and placed in SAC. Students will be monitored and have continuous visual observation by JJAEP staff while being placed in SAC or in-school suspension (ISS).

B. NOTICE TO STAFF, STUDENT, PARENT/GUARDIAN

1. Students, parents, guardians, or custodians will receive a JJAEP Student Code of Conduct (SCC) at the time of intake.
2. Upon receipt and review, a signature will be required on the Acknowledgment of receipt of the JJAEP Student Code of Conduct (SCC).

3. A copy of the Acknowledgment form will be placed in the student's JJAEP electronic case file.
4. Prior to the start of the school year at the JJAEP Annual Refresher Training and during New Orientation Training at JPD, JJAEP staff will be provided with an electronic storage device containing the JJAEP Student Code of Conduct (SCC), and other pertinent JJAEP documents. All JJAEP staff will be required to sign an acknowledgment which will be maintained in their personnel electronic file.

C. DISCIPLINE AND SANCTIONS

The JJAEP Student Code of Conduct (SCC) outlines sanctions and disciplinary procedures applicable to students for specific behaviors, ensuring due process protections. The JJAEP Student Code of Conduct (SCC) will include sanctions and disciplinary procedures, including prohibited behaviors and conduct, disciplinary consequences, circumstances for classroom removal, and conditions for placement in another educational setting. YISD has adopted the JJAEP Student Code of Conduct (SCC) as a supplement to its Student Code of Conduct (SCC).

D. DISCIPLINE MANAGEMENT TECHNIQUES

During the student's enrollment, discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary actions will be based on the professional judgment of teachers and administrators. Discipline shall be correlated to the seriousness of the offense/infracton, a disability that impairs the student's capacity to appreciate the wrongfulness of the student's conduct, the frequency of misbehavior, a student's disciplinary history, the student's attitude, whether the student was acting in self-defense, the effect of the misconduct on the school environment, intent, or lack of intent at the time of the alleged incident of misconduct, and statutory requirements.

1. STUDENT WITH DISABILITIES

- a. Discipline for students with disabilities must comply with applicable state and federal laws, including the district's Student Code of Conduct.
- b. In accordance with the Education Code, students enrolled in Special Education programs (SPED) may not be disciplined for bullying, harassment, or making hit lists until an ARD meeting has been conducted to review the student's behavior.
- c. The JJAEP shall take into consideration a disability that substantially impairs a JJAEP SPED student's ability to understand the wrongfulness of their conduct.

2. MANAGEMENT TECHNIQUES

- a. Verbal correction (oral or written).
- b. Cooling-off time or "timeout".
- c. Seating changes within the classroom or bus transportation.

- n. Other strategies and consequences as determined by school officials.
- o. Due to JJAEP expulsion, further expulsion is not an option, and any of the above consequences may occur.

- c. When a major infraction of the JJAEP Student Code of Conduct occurs or a serious incident (as defined by TJJD) occurs, the Campus Behavior Coordinator or designated person (if in a District of Innovation) must document the behavior through a disciplinary referral, noting any action taken. Notification to parent(s)/guardian(s) will be made as soon as possible, but no later than 24 hours after a disciplinary referral has been given or suspension or removal from the classroom into the In-School Suspension (ISS) occurs. The disciplinary referral must be submitted to the JJAEP Administrator and/or assigned Juvenile Probation Officer, who documents the incident in JMIS and uploads the referral into the youth's profile.

 - i. **Suspension** – May be warranted in cases where there has been a serious violation of school rules/policies. The JJAEP Campus Administrator will have the discretion to suspend the student. Conferences will be held by some or all of the above parties to prevent more serious consequences.
- vi. **Juvenile Probation Officer/JJAEP Administrator** – Will address the behavior/incident with the student and will inform the court of incidents if applicable.

POLICY

In accordance with Texas Administrative Code and the Texas Juvenile Justice Department (TJJD) guidelines, it is the policy of the El Paso County Juvenile Justice Alternative Education Program (JJAEP) to utilize biennial performance data provided by TJJD to assess program effectiveness. In accordance with Texas Education Code §29.012 and §37.011, participating school districts that provide educational services to pre-adjudicated or post-adjudicated students confined by court order in a juvenile facility operated by a juvenile board are entitled to include those students in their Average Daily Attendance (ADA) for the purposes of Foundation School Program (FSP) funding.

JJAEP STUDENT CODE OF CONDUCT

A. ADOPTION

The Ysleta Independent School District (YISD) has adopted this JJAEP Student Code of Conduct as a supplement to the District's Student Code of Conduct. All students placed in the JJAEP are expected to comply with both the district-wide disciplinary procedures and the specific provisions contained in this JJAEP Student Code of Conduct.

B. NOTICE

Students and their parents, guardians, or custodians shall receive a copy of the JJAEP Student Code of Conduct (SCC) at the time of intake and shall acknowledge receipt by signing the designated form. As part of the student's placement in the JJAEP, families are encouraged to review the YISD Student Code of Conduct, available on the YISD website, which contains comprehensive policies regarding student behavior, expectations, and disciplinary procedures throughout the district.

C. DISCIPLINE AND SANCTIONS

The JJAEP Student Code of Conduct outlines sanctions and disciplinary procedures applicable to students assigned to the program while ensuring due process protections are upheld. The JJAEP Student Code of Conduct adopts and enforces all disciplinary provisions contained in the YISD Student Code of Conduct, while also applying additional guidelines necessary for maintaining a safe, secure, and structured alternative setting.

In accordance with the YISD Student Code of Conduct, all disciplinary action within the JJAEP shall be designed to improve student conduct and to promote positive engagement in the educational environment. Disciplinary consequences shall be determined based upon the professional judgment of teachers and administrators while considering the following factors: seriousness of the offense, student's age and grade level, frequency and nature of the misbehavior, student's attitude and response to correction, impact on the school environment, and statutory requirements. Prohibited student conduct is detailed within the YISD Student Code of Conduct. However, due to the nature of JJAEP placement, the following categories further distinguish major and minor violations.

D. DISCIPLINARY OFFENSES

MAJOR

- Possession of contraband (weapons).
- Possession of or being under the influence of drugs.
- Imminent threats toward any student, teacher, or staff member.
- Destruction of property (may require incident report to TJJD).
- Sexual misconduct (requires incident report to TJJD).
- Assault (requires incident report to TJJD if against another student).
- Sexual assault (requires incident report to TJJD).
- Any incident involving a restraint (requires incident report to TJJD).
- Any incident involving abuse, sexual abuse, neglect, or exploitation (requires incident report to TJJD).
- Any incident that causes substantial disruption during the school day, whether on or off school campus, this includes any cyberbullying that may have occurred off campus but is manifesting on campus (may require incident report to TJJD).
- Any incident warranting an arrest or meeting the elements of a Class B misdemeanor or higher (may require incident report to TJJD).

MINOR

- Refusal to follow directives from administrators, teachers, or staff.
- Verbal disrespect.

- Derogatory or offensive language
- Antagonizing others.
- Walking off campus.
- Dress code violations.
- Tardies or unexcused absences.

Note: In determining disciplinary consequences, the District shall consider mitigating factors such as self-defense, intent or lack of intent, the student's disciplinary history, and any disability that may impact the student's understanding of the behavior's wrongfulness.

DISCIPLINARY MANAGEMENT TECHNIQUES

Discipline for offenses, unless specified otherwise by law, may involve various techniques and responses, used alone or in combination, including but not limited to:

- Verbal correction (oral or written).
- Cooling-off time or "timeout".
- Seating changes within the classroom.
- Counseling by teachers, counselors, or administrative personnel.
- Parent-teacher conferences.
- Grade reductions for late assignments or academic dishonesty (including but not limited to cheating, copying the work of another student, plagiarism, and unauthorized communication between students during an examination).
- Assignment of community service.
- Withdrawal of privileges, such as participation in extracurricular activities.
- In-School Suspension (ISS). The term of the removal may prohibit the student from attending or participating in school-sponsored or school-related activities.
- Out-of-School Suspension (OSS).
- Call to law enforcement for new offense committed at the JJAEP.
- Restitution for damage.
- Notice of Absence will be issued for violation of the Texas Compulsory Attendance Law. In accordance with this law, referrals will be made, as required to school district employees, as necessary and ultimately to a Truancy Court which may assess a fine and impose other requirements to prevent truancy.
- Other strategies and consequences as determined by school officials.
- Due to JJAEP expulsion, further expulsion is not an option, and any of the above consequences may occur.
- Due to JJAEP status, for a student under formal or informal supervision under the 65th District Court, negative behavior (whether a disciplinary referral is given or not) is reported to the Juvenile Probation Department and may result in further consequences imposed by a Juvenile Probation Officer or the 65th District Court.

If a student is removed from the JJAEP and placed in another setting other than a Disciplinary Alternative Education Program (DAEP), the student will have to return to the JJAEP to complete the expulsion term upon re-enrollment. JJAEP students may have the opportunity to attend summer school, if applicable, to make up credits or fulfill STAAR/EOC testing obligations.

E. JJAEP CAMPUS ADMINISTRATOR ROLE

- Any inappropriate conduct occurring within the JJAEP shall be reported to the JJAEP Administrator and, when applicable, the assigned Juvenile Probation Officer, who will document the conduct/incident.
- Consequences for inappropriate conduct shall be explained during the JJAEP school intake to both the student and their parent/guardian. This information is incorporated in the Student Code of Conduct and Policies and Procedures for staff.

- When inappropriate conduct or an incident occurs, the JJAEP Campus Administrator must document the behavior through a disciplinary referral, noting any action taken. Parents or guardians shall be notified when a student is suspended or assigned to In-School Suspension (ISS). The disciplinary referral must be submitted to the JJAEP Administrator, who documents the incident in JMIS and uploads the referral into the youth's profile.
- Behavior management may involve counseling, suspension, conferences with parents/Juvenile Probation Officer, or placement in ISS. If an arrest is warranted, further consequences may be incurred. Possible school-based consequences include the following:
 - 1) **Suspension** – May be warranted when serious violation of school rules or policies occur. The JJAEP Campus Administrator shall have the discretion to suspend the student. Suspension is rare as sending the student home is not conducive to the JJAEP philosophy of maintaining the student in school.
 - 2) **In-School Suspension (ISS)** – ISS should be utilized whenever appropriate in lieu of suspension. ISS may be extended beyond prior limits, provided the campus conducts a formal review every 10 instructional days, documenting progress or required modifications in support plans
 - 3) **Arrest** – Warranted if an offense occurs on school grounds or during transport on a district school bus.
 - 4) **Counseling** – Provided for any inappropriate conduct/incident where there may have been a display of anger, threats to cause harm to staff or students. Such action will help intervene and prevent further incidents.
 - 5) **Conferences** – Notification to parents, administrators, JJAEP staff, and Juvenile Probation Officers will be made when there is a serious incident or recurrent inappropriate behavior such as bullying, harassment, or making hit lists. Conferences will be held by some or all of the above parties to prevent more serious consequences.
 - 6) **Juvenile Probation Officer/JJAEP Administrator** – May address behavioral concerns directly with the student and notify the court when appropriate.
 - 7) **Home Visits** – May be conducted if there is persistent unexcused absences. JJAEP Campus Administrator, Case Managers, Counselors, and/or Juvenile Probation Officer may conduct the home visit.
 - 8) **Court Ordered Counseling Services** – Service providers and therapists may be contacted to discuss behaviors observed within the educational setting and coordinate appropriate interventions.

The El Paso County JJAEP adheres to the Prison Rape Elimination Act of 2003 (PREA), a federal law aimed at preventing sexual abuse in both adult and juvenile facilities, including JJAEP and community correction programs. Across all JJAEP facilities operated by the El Paso County Juvenile Probation Department and the Texas Juvenile Justice Department (TJJD), a strict zero-tolerance policy is maintained in conjunction with PREA, addressing all forms of sexual abuse. To ensure compliance of this policy, school administrators, staff, and JJAEP personnel are designated as coordinators, tasked with overseeing the implementation and adherence.

All JJAEPs are mandated to adopt zero-tolerance policies and practices regarding sexual abuse in accordance with the Prison Rape Elimination Procedures Act of 2003 (Texas Administrative Code §358.500). All students will be supervised by JJAEP staff to ensure that they are protected from sexual abuse. Security cameras will also be utilized as additional security, but never as a substitute for face-to-face supervision.

K. HIGH SCHOOL EQUIVALENCY

Students placed in the JJAEP who have experienced difficulties within the traditional school setting may have the opportunity to participate in a High School Equivalency Program. This is an option available for any student of the JJAEP and requires pre-testing and possible remedial assistance to get student prepared for the official test. Students interested in this option should first consult with their parents/guardians, Juvenile Probation Officer, and guidance counselor to ensure they meet the following criteria:

- Student must be at least 16 years old to participate in pre-testing and remedial preparation, and have a court order authorizing pursuit of the high school equivalency final testing and certificate; or

JJAEP students who have earned fewer than 4 high school credits may be given priority consideration for participating in a High School Equivalency Program.

L. CONSIDERATION OF REMOVAL OF A CHILD

Consideration will be given as a factor in each decision concerning suspension, removal to a Disciplinary Alternative Education Program, expulsion, or placement in a Juvenile Justice Alternative Education Program, regardless of whether the decisions concern a mandatory or discretionary action, to a student's status in the conservatorship of the Texas Department of Family and Protective Services or a student's status as a student who is homeless.

YISD and receiving district will jointly develop an appropriate written exit plan *from* the JJAEP and transition plan *to* the home school. An academic review will be provided to include a review of courses attended, credits earned, credits pending, discipline and behavior progress or follow up areas, state assessment and/or IOWA skills test scores (Pre and Post), and

attendance records for JJAEP term through the JJAEP Exit Transition Meeting facilitated by Cesar Chavez Academy.

In order to promote successful transition and long-term success, said exit transition meeting will occur prior to a youth's withdrawal from the JJAEP and will include the home school (returning), Campus Administrator or designee, assigned Juvenile Probation Officer or JPD representative, the student and the student's parent or guardian. The JJAEP Exit Transition Meeting must take place no later than five (5) instructional days after the date of the student's release from an alternative education program (JJAEP).

N. CONTINUED EDUCATIONAL SERVICES AND ON-LINE INSTRUCTION/ VIRTUAL SETTING

YISD agrees to continue the provision of personnel and services necessary to operate the JJAEP and implement a Continuity of Operations Plan (C.O.O.P) for online instruction that can provide educational services in accordance with the Texas Education Code, Texas Education Agency, Texas Administrative Code (Chapter 348) and the Texas Juvenile Justice Department. Such C.O.O.P. must address any changes to the JJAEP educational components in the event of a pandemic, natural disaster, or other emergency situation.

Searches shall be conducted solely for safety and security purposes. Search procedures may be modified when necessary to ensure the safety and security of JJAEP students and staff in light of a pandemic, natural disaster, or similar emergency. PARTICIPATING GROUP CLASS OF COMPETITION:

Color Guard: ☒ SRA ☐ SA ☐ SO ☐ SW

Percussion: ☐ PSA ☐ PSO ☐ PSW ☐ PSCA ☐ PSCO ☐ PSCW

Winds: ☐ WSA ☐ WSO ☐ WSW

PARTICIPATING GROUP ADDRESS: 2231 Arizona Ave., El Paso, TX

("Participating Group") and Winter Guard International, Inc., 1994 Byers Rd, Dayton, OH, 45342 ("WGI") shall be effective on the date of the last execution signature below through June 30, 2027.

Participating Group desires to compete in WGI-sanctioned events ("the Events"). The following terms constitute an agreement made between Participating Group and WGI regarding the relationship between the parties, including during the Events and time between the Events. Participating Group and WGI now agree as follows:

I. GENERAL TERMS AND CONDITIONS

A. Participating Group shall be an entity with an existence that is separate from, and independent of, any particular individual. Ordinarily, a Participating Group will be a school district (or part thereof), or a private organization. Participating Group shall have a leadership structure that provides for meaningful leadership and oversight by more than two individuals. WGI and Participating Group are independent entities, with no partnership, joint venture, or agency relationship between them.

B. This Agreement may be terminated by either party at any time for any reason, with or without prior notice, with or without cause, and without penalty. Termination of this Agreement shall not relieve either party of liability for breaches of the Agreement occurring prior to its termination.

C. Participating Group shall be responsible for registering for the Events in which it wishes to participate, using the registration guidelines established by WGI for the period of this Agreement. All such registration guidelines are available at wgi.org/registration.

D. Participating Group shall not be eligible to participate in any WGI-sanctioned event unless this Agreement is in effect.

E. Participating Group shall comply with all rules and regulations prescribed by WGI, including without limitation all adjudication manuals and policy manuals in effect for the period of this Agreement. All such rules and regulations are available at wgi.org/rules.

F. Participating Group shall provide to WGI one (1) active mobile phone number to be used for official communication purposes during the period of this Agreement. The designated mobile phone number shall belong to an authorized representative of the Participating Group and must remain active and accessible for the duration of the Agreement. It is the responsibility of the Participating Group to notify WGI promptly of any changes to the designated mobile phone number.

II. PARTICIPANT PROTECTION

A. Participating Group shall comply with all applicable laws, including those of the state in which the group is based and any state(s) to which the group travels. All laws relating to the protection of participants within youth-serving organizations must be strictly observed. In addition, Participating Groups are required to comply to the WGI Code of Conduct.

B. WGI requires Participating Groups to obtain a national criminal history background check (or a satisfactory equivalent applicable to their country or locality) for all Adult Supervisors. An Adult Supervisor is any individual serving in a managerial, instructional, or design role who spends a cumulative total of more than two (2) hours with participants during a season.

Background checks should be conducted in accordance with the existing hiring and compliance policies of the applicable school district, university, or educational institution. If no such policies exist, the Participating Group must comply with WGI's requirement that each Adult Supervisor undergo a national criminal history background check at least once every two (2) years.

By signing this Agreement, the Participating Group certifies that it is complying with this Background Check Policy and is acting in accordance with the WGI Code of Conduct and Participant Protection Program.

To the extent permitted by applicable law, if a background check reveals any of the following, the Participating Group must notify the WGI Director of Participant Protection before permitting the individual to serve as an Adult Supervisor:

- Any history of sexual misconduct or sexual harassment resulting in a plea, conviction, verdict, or public disciplinary action.
- Any charge or conviction involving a minor, including child abuse, child endangerment, or child pornography.
- Any charge, plea, conviction, verdict, professional licensing restriction, or public disciplinary action involving violence, threats of violence, or domestic violence.
- Any felony conviction within the past ten (10) years involving assault, weapons offenses, kidnapping, or stalking.
- Placement on any sex offender registry.
- Any restriction, suspension, or revocation of teaching, coaching, professional, or volunteer privileges resulting from misconduct related to any of the conduct described above.

Any notification does not automatically disqualify an individual from participating in WGI. The WGI Director of Participant Protection will review the information, together with any relevant facts and circumstances, and determine whether the individual is eligible to participate or subject to any restrictions deemed appropriate under WGI's Participant Protection Program and applicable law.

C. All adult supervisors, as defined in Section B, must complete WGI-prescribed abuse prevention training prior to engaging in regular contact with participants. This training must be completed by the date published by WGI the year preceding the competition season or within 45 days of assuming a new role. By signing this Agreement, the Participating Group affirms that it requires such abuse prevention training and that it acts in compliance with the WGI Code of Conduct and the principles of participant protection.

D. Participating Group shall disseminate WGI's policies concerning participant protection to all its leaders, staff, and participants, and shall ensure that its leaders and staff adhere to those policies or to the policies of the school district or educational institution with which the Participating Group is affiliated, if those policies are substantially similar or more protective than WGI's policies. All participant protection policies are available on WGI's website or upon request.

E. The school district, university, or educational institution affiliated with the Participating Group represents that there are effective internal policies and procedures for the protection and safety of its participants, including without limitation the ability of any individual to report suspected misconduct to the leadership of the Participating Group without reprisal. This also includes the responsibility to respond to all complaints or reports of policy violations by conducting an effective internal investigation, reporting the matter to the appropriate external authorities as may be necessary and taking appropriate and effective remedial action under the circumstances.

F. Participating Group confirms that all Adult Supervisors, as defined in Section B, have been required, to the extent permitted by applicable law, to disclose any past or current Inappropriate Conduct, as defined below, as a condition of their employment, engagement, or contract. Participating Group further agrees to notify the WGI Director of Participant Protection in writing within seventy-two (72) hours after becoming aware of any credible allegation, criminal charge, disciplinary finding, or other information reasonably indicating that an Adult Supervisor has engaged in Inappropriate Conduct.

For purposes of this Agreement, "Inappropriate Conduct" applies to all environments and all Adult Supervisor-youth interactions and includes, but is not limited to:

- Non-consensual sexual contact with a minor.
- Any sexual relationship with a minor while the Adult Supervisor was an adult.
- Sexual, sexually explicit, or harassing communications, whether in person, written, or electronic towards a minor or containing a minor as the subject.

- Any conduct that violates applicable federal, state, or local laws relating to sexual misconduct, sexual harassment, child abuse, exploitation, neglect, grooming or hazing.

G. By signing this Agreement, Participating Group certifies that, to the extent permitted by applicable law, it will notify the WGI Director of Participant Protection in writing within seventy-two (72) hours after becoming aware that any Adult Supervisor:

- Has been terminated, not re-hired, or removed from an Adult Supervisor role due to Inappropriate Conduct, as defined in Section F.
- Has been suspended or had instructional, coaching, professional, or volunteer privileges restricted, suspended, or revoked due to Inappropriate Conduct.
- Is the subject of a publicly available allegation or official record of misconduct, including police reports, court records, or school board or administrative hearing records.
- Has been formally disciplined for conduct that could reasonably be expected to negatively affect the safety of participants or the reputation of WGI.

Pending WGI's review, the Participating Group shall take reasonable steps to ensure that the Adult Supervisor does not have unsupervised contact with participants unless otherwise required by applicable law or directed by WGI.

H. Participating Group shall promptly and fully respond to all WGI requests for information regarding their compliance with this Agreement, subject to applicable local, state, and federal privacy laws. This obligation includes providing requested documentation and fully cooperating in any compliance audit or inquiry into alleged misconduct.

III. PUBLICITY RIGHTS

A. Participating Group shall adhere to all copyright guidelines established by WGI for the period of this Agreement. All copyright guidelines are available at wgi.org/copyright.

B. Participating Group grants WGI the right to photograph, record and/or videotape Participating Group in all media, whether now known or here after devised (including, without limitation, in computer or other device applications, online webcasts, television programming, in motion pictures, films, newspapers, and magazines) and in all forms including, without limitation, publication and use of Event results and standings, without compensation, residual obligations, reservation or limitation, or further approval, and to the extent permitted by applicable law, Participating Group agrees to indemnify and hold harmless WGI for any Claims associated with such grant and right to use.

C. Participating Group will not use for publicity, promotion or otherwise, any logo, name, trade name, service mark or trademark of WGI including, but not limited to, the terms "WGI", "Sport of the Arts", and the WGI logo, or any simulation, abbreviation or adaptation of the same without WGI's prior, written, express consent. WGI may withhold such consent in WGI's absolute discretion.

D. All audio recordings of adjudicator commentary ("Judge Recordings") are provided by WGI solely for the instructional use of the Participating Group. These recordings may be shared internally among members and adult supervisors of the group for training and educational purposes. Recordings may not be copied, posted online, distributed, or used outside of the Participating Group without prior written consent from WGI. Each Participating Group assumes responsibility for safeguarding the confidentiality of these recordings.

IV. LIABILITY

A. Participating Group represents and agrees that the applicable school district self-insurance, school or school district insurance policy fully and completely covers, on either a primary or secondary basis as applicable, all those involved with the Participating Group while participating in a WGI-sanctioned event.

B. To the extent permitted by applicable law, Participating Group agrees to defend, indemnify and hold harmless WGI, their trustees, directors, officers, agents and employees, individually and collectively, from and against all claims, suits, losses, injuries, damages, liabilities, obligations and causes of action, of whatever kind, arising in any manner whatsoever, out of, or in connection with the activities of the Participating Group including, but not limited to, performances, rehearsals, travel and participation in any WGI events; their performance of this Agreement; for any breach of this Agreement or for the negligent or willful acts or omissions of their trustees, directors, officers, agents, employees, volunteers, performers and/or members.

C. Participating Group agrees to have each participant sign the applicable Performer Release Form (minor or adult) and file these forms with WGI before participating in a WGI-sanctioned event. Participating Group acknowledges that it will not be eligible to participate in any WGI-sanctioned event until WGI has received signed Performer Release Forms from all participants.

V. SCHOLASTIC ELIGIBILITY

A. This Agreement certifies that the Participating Groups' total membership are students from the same school, schools that feed directly into that school, or home-schooled students that reside within school district boundaries and are approved by the school to participate in WGI-sanctioned events.

VI. MISCELLEANOUS

A. To the extent permitted by the laws of the jurisdiction under which the Participating Group is organized, the parties agree that this Agreement shall be construed under the laws of the state of the Participating Group, and the parties further agree that the federal and state courts located in the state of the Participating Group shall have exclusive and sole jurisdiction to resolve all disputes arising under or related to this Agreement. The parties irrevocably consent to the jurisdiction of the federal and state courts of the Participating Group and agree that such courts are the only proper venue for the resolution of disputes between them. Notwithstanding the foregoing, all state and local laws applicable to the Participating Group and pertaining to sovereign immunity, choice of law, jurisdiction, venue, remedies and any other matter addressed by this Agreement shall remain in full force and effect and shall supersede any contradictory provision in this Agreement.

B. The individual who is executing this Agreement on behalf of the Participating Group hereby represents that he or she has the full power and authority to bind the Participating Group to these terms. This Agreement may only be executed by an employee of the school or school district-not an independent contractor-authorized to bind the school to its terms either by law or by a resolution duly adopted by the governing body of the school or educational institution.

C. This Agreement is an offer to the Participating Group by WGI to enable the Participating Group to participate in WGI-sanctioned events on the terms and conditions specified in this document, in the exact form in which it was presented to the Participating Group. Any modification to this document renders the entire document void and there shall be no agreement between WGI and the Participating Group unless the modification is initialed or otherwise specifically approved in writing by an authorized official of WGI.

To Whom It May Concern,

This letter is to confirm that Winter Guard International is the sole provider of official WGI events, including WGI Regional Events and WGI World Championships.

WGI Sport of the Arts is the world's premier organization producing winter guard, percussion, and wind ensemble competitions. As a non-profit youth organization, WGI serves as the leading governing body of indoor pageantry activities.

WGI is the exclusive organizer and administrator of its sanctioned competitive events, and registration for these events is available only directly through our online platform. Because these events and all related services are unique to WGI and cannot be obtained through other providers, competitive bids or comparable vendor quotes are not available.

This letter may be used as documentation in support of a sole source purchasing determination for WGI registration. Please contact the WGI Office at office@wgi.org if additional information is needed.

We appreciate your groups being a part of past WGI events, and look forward to seeing them in the 2027 season.

SUMMARY:

The Interlocal Cooperative Agreement is one (1) of seven (7) approved purchasing methods allowed under the Texas Education Code, Section 44.031. Board Policy CH (Local) states, "The Board delegates to the Superintendent the authority to make single, budgeted purchases of goods and services that cost up to \$100,000."

On June 18, 2025 the Board approved for the District to enter into a Vendor Contract for Goods and Services with Transfinder Corporation for a period commencing on July 1, 2025, and ending June 30, 2026, with two (2) additional one (1) year renewals, to be exercised at the sole discretion of the District. The contract was valued at an amount no to exceed \$132,513.00 for the first year, \$74,023.00 for the second year, and \$77,346.50 for the third year renewal option, should it be exercised. The District exercised its first option to renew the contract on or about June 17, 2026, for the term effective July 1, 2026, through June 30, 2027.

The Transportation Services Department seeks approval to amend the contract for the first renewal option to add Servicefinder and Training in the amount of \$43,871.11 from October 21, 2026, to June 30, 2027. Servicefinder will improve the Department's ability to track preventive and corrective maintenance, maintain accurate vehicle and asset histories, monitor maintenance costs, and manage work orders and parts inventory. By consolidating this information into one system, staff will have greater visibility into fleet operations and be better equipped to identify maintenance needs, reduce vehicle downtime, and make informed decisions regarding repairs and replacement. Implementation, training, and professional services will be provided by Transfinder Corporation to successfully integrate this software module into District operations, intended to support the District's responsibility to maintain safe, reliable, and cost-effective transportation and equipment operations while improving efficiency, accountability.

If the District decides to exercise the third renewal option, it will include the Servicefinder software module for an additional amount of \$25,920.00, amending the total of the third renewal option from \$77,346.50 to \$103,266.50.

Strategic Lever IV: Culture of Accountability - El Paso ISD cultivates a culture of transparency, care, and service.

SUMMARY:

The Request for Proposal (RFP) is one (1) of seven (7) approved purchasing methods allowed under Texas Education Code, Section 44.031, and Section 17 of the Texas Department of Agriculture's (TDA) Administrative Reference Manual (ARM) as an appropriate method of procurement. The specifications and scope of work for RFP #26-027 for FNS Software Point of Sale System were created collaboratively between the Procurement & School Resources and Food & Nutrition Services (FNS) departments to provide a comprehensive Point of Sale (POS) software solution that supports and enhances meal program operations throughout the District.

The District requested proposals for a comprehensive software for the Food and Nutrition Point of Sale (POS) system to support meal program operations across sixty-nine (69) campuses. The system will be owned and housed by the District with on-premise deployment options, with service and maintenance completed by the vendor. It will provide full integration of federal and State meal program requirements, streamline payment processing, enhance nutritional transparency, and optimize both front-of-house and back-of-house food service operations. The solution ensures complete compliance with Texas Department of Agriculture (TDA) and United States Department of Agriculture (USDA) regulations while supporting multiple federal meal programs and provisions.

An evaluation committee consisting of Ms. Laura E. Eggemeyer, Director Food and Nutrition Services; Mr. Daniel Carrasco, Assistant Director Food & Nutrition Services (FNS) Information System; Ms. Stephanie Alvarez, Assistant Director Food and Nutrition Services; Ms. Blanka Chavez, Supervisor Food Services; Ms. Adrian E. Kamath, Supervisor Food Services; Ms. Edna G. Palacios, Supervisor Food Services; Ms. Virna L. Rey, Supervisor Food Services; and Mr. Victor Armendariz, Manager IT Program Projects, met to review and evaluate a total of six (6) vendor demonstrations between April 10, 2026, and April 15, 2026. Ms. Sandra Burciaga-Velez, Buyer Food and Nutrition Services, acted as facilitator and moderator of the evaluation process. All proposals received in response to the RFP were reviewed and evaluated. Based on the initial scoring results, the two (2) highest-ranked proposers were selected to participate in the Best and Final Offer (BAFO) process. Following evaluation of the BAFO submissions, the highest-ranked proposer was determined to provide the best overall value to the District, based on demonstrated service capabilities, competitive pricing, and a thorough understanding of the District's

operational requirements.

VENDOR CONTRACT
(Goods and Services)

THIS VENDOR CONTRACT FOR GOODS AND SERVICES ("this Contract") is between CYBERSOFT TECHNOLOGIES, INC. (the "Vendor") and the EL PASO INDEPENDENT SCHOOL DISTRICT ("District"). The Effective Date of this Contract is November 1, 2026 regardless of when executed. For and in consideration of the mutual covenants herein, and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties hereby agree as follows:

1. Term.

1.1 **Term.** The term of this Contract shall be for a period from November 1, 2026 through October 31, 2027 [with 4 year(s) annual renewal(s)], unless earlier terminated in accordance with this Contract. Annual renewals, if any, shall be at the sole discretion of the District.

1.2 **Non-Appropriation.** In the event the Contract is awarded for a term greater than one year or extending beyond the District's current budget period, it will be subject to approval at the commencement of each of the District's budget years. Vendor agrees that the District has the continuing right to terminate this Contract without notice at the end of a District budget period in which funds for this Contract are not appropriated. Vendor shall not be entitled to receive payments or amounts under the Contract in excess of the amounts appropriated for the then-current budget period of District.

2. Cancellation/Termination.

2.1 **Termination.** This Contract may be terminated as follows: (a) by either party in the event of material breach of this Contract by the other party which continues more than thirty (30) days after written notice of default from the non-breaching party to the breaching party; or (b) by the District at its option: (i) if Vendor fails, as determined by the District's representative, to satisfactorily perform the duties set out in this Contract, comply with any covenant herein required or breach any warranty provided herein; becomes insolvent, files or has filed against it a petition in bankruptcy, proposes or accomplishes any dissolution, liquidation, composition, financial reorganization or recapitalization with creditors; (ii) if a receiver, trustee, custodian, or similar agent is appointed or takes possession of any property or business of Vendor; (iii) if, at the expiration of each District budget period occurring during the term of this Contract, funds for this Contract are not appropriated as provided in Section 1.2 above; or (iv) with or without cause upon thirty days prior written notice from the District to Vendor. In the event of early termination of the Contract for any reason, the total compensation which may be claimed by Vendor under this Contract shall be limited [subject to other limitations in this Contract or applicable law] to the payment for the conforming goods and/or services timely provided by the date of termination.

2.2 **Effect.** Within forty-five (45) calendar days of the effective date of completion, or termination or expiration of this Contract, Vendor shall submit to District its claims, in detail, for the monies owed by District for services satisfactorily performed or goods delivered and accepted under this Contract through the effective date of termination. **Failure by Vendor to submit its claims within forty-five (45) calendar days shall negate any liability on the part of District and constitute a waiver by Vendor of any and all right or claims to collect monies that Vendor may rightfully be otherwise entitled to for services satisfactorily performed or goods delivered under this Contract.** Regardless of how this Contract is terminated, Vendor shall effect an orderly transfer to District or to such person(s) or firm(s) as the District may designate, at no additional cost to District. Upon the effective date of expiration or termination of this Contract, Vendor shall cease all operations of services being performed or delivery of goods by Vendor, or any of its subcontractors, pursuant to this Contract. All completed or partially completed documents, papers, records, charts, reports, and any other materials or information produced, or provided to Vendor, in connection with the services rendered by Vendor under this Contract, regardless of storage medium, shall be transferred to District. Such record transfer shall be completed within thirty (30) calendar days of the termination date and shall be completed at Vendor's sole cost and expense. Payment of compensation due or to become due to Vendor is conditioned upon delivery of all such documents.

3. **Right to Assurance.** Whenever the District in good faith has reason to question the Vendor's intent to perform, the District may demand that the Vendor give written assurance of its intent to perform. In the event that a demand is made and no assurance is given within five business (5) days, the District may treat this failure as an anticipatory repudiation of the Contract.

4. **Remedies.** In the event of default of this Contract by Vendor, the District shall have all of, and may exercise one or more of, the following rights and remedies: (a) the right to recover damages; (b) the right to seek injunctive relief; (c) the right to seek declaratory relief; (d) the right to off-set and/or retain from payments otherwise due to Vendor damages, fees, and costs sustained or incurred by the District in connection with such breach; (e) the right to terminate this Contract as provided herein; and (f) any of its rights and remedies in law or equity. In no event shall District's action of terminating this Contract, whether for cause or otherwise, be deemed an election of District's remedies, nor shall such termination limit, in any way, at law or at equity, District's right to seek damages from or otherwise pursue Vendor for any default hereunder or other action.

5. **Force Majeure.** If by reason of Force Majeure (i.e. acts of God, strikes, lockouts, or other industrial disturbances, etc.), either party hereto shall be rendered unable, wholly or in part, to carry out its obligations under this Contract, then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

6. **Goods and Services to Be Delivered.**

6.1 **Delivery, Packaging and Acceptance of Goods.**

A. Vendor agrees to provide the goods listed and described in Exhibit "A," which is attached hereto and incorporated herein by reference for all purposes [or any subsequent goods required to be delivered to the District under this Contract] (collectively, the "Goods"). Unless otherwise stated in Exhibit "A", the Goods shall be delivered in accordance with the following Standard Delivery Terms:

(i) F.O.B. District's James Gamble Facility, 4900 Woodrow Bean Drive, El Paso, Texas 79924.

Vendor shall bear cost of packaging unless otherwise provided. The District's count or weight determination shall be final and conclusive on shipments not accompanied by packing slips/lists. The Goods will be delivered with an Operator's Manual and a Maintenance and Parts Manual, if one exists.

(iii) The District assumes no liability for Goods delivered in damaged or in unacceptable condition. The Vendor shall handle all claims with insurance carriers, and in the event that Goods are damaged in transit shall ship replacement Goods immediately upon notification by the District of damage. Delivery will be made between the hours of 8:00 a.m. and 3:30 p.m. (MDT/MST) unless otherwise specified by the District in writing. Vendor is not authorized to ship the Goods under reservation and no tender of a Bill of Lading will operate as a tender of Goods. The District shall have the right to inspect the Goods at delivery before accepting them and no Goods will be accepted until written acceptance is provided by authorized District Representative. Any written warranties will commence upon acceptance of the Goods by the District.

(iv) Repair and Replacement Information. As the situation requires, the Vendor shall provide alternative quotes for both repair and replacement of any damaged Goods, if appropriate to the request. In the event the cost of repair is equal to or greater than seventy-five percent (75%) of the price of a new item, Vendor shall provide a written recommendation to the District representative regarding the relative merits of repair or replacement of the item. Failure to adhere to these requirements may be grounds for the termination of the Contract.

6.2 Delivery of Services and Standard of Care.

A. Delivery. Vendor agrees to provide the services listed and described in Exhibit "B," which is attached hereto and incorporated herein by reference for all purposes (collectively, the "Services"). Nothing contained in this Contract shall require District to pay for any unsatisfactory Services, as determined by District's representative, or for work that does not comply with the terms of this Contract.

B. Standard of Care. If the Services are performed by a non-professional Vendor, Vendor represents, covenants, and warrants that it will devote its good faith, best efforts in provision of the Services and will provide the Services with reasonable care and skill and in a good and workmanlike manner. If the Services are considered Professional Services, the Vendor further represents, covenants and warrants that it will provide the Services using the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in the same locale. Services will be provided in a manner consistent with industry standards and will conform to the required specifications set out herein, and shall be delivered in compliance with all applicable laws, rules, regulations, procedures and consistent with industry standards.

(iv) The Goods and/or Services shall be delivered in compliance with all applicable laws, rules, and regulations, with District policies and procedures, and consistent with industry standards.

(v) In the event of a conflict between the specifications, drawings and descriptions of Goods to be provided, the specifications shall govern. In the event of a conflict between the Solicitation Document and the Contract, the Contract shall prevail.

(vi) All Goods are new and the quality of the Goods is consistent with or better than industry standard.

B. Implied Warranties.

(i) The Goods comply with all implied warranties, including but not limited to, the implied warranty of merchantability and fitness for the particular purpose for which they were

obtained. The Vendor agrees to provide the Services agreed to herein in a good and workmanlike manner.

(ii) No implied warranties for Goods and/or Services or provided in connection with this Contract are waived modified or excluded by any provision of this Contract, or any terms and conditions included in any document prepared by the Vendor, and any provision so intended, or interpreted shall be treated as void *ab initio*.

- C. **Safety Warranty and Provision of Material Safety Data Sheets.** As applicable, the Goods supplied to the District under this Contract shall conform to applicable standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act ("OSHA") of 1970. In the event the Goods do not conform to OSHA standards, the District will be permitted to refuse or return the non-conforming Goods for correction or replacement at the Vendor's expense. Where Goods to be delivered under this Contract require the maintenance of Material Safety Data Sheets ("MSDS"), a copy of the relevant MSDS will be made available to the District's representative prior to delivery of the relevant Goods.

6.4 **No Warranties by District.** No review, consent, or approval by the District of any documents prepared by Vendor shall constitute a representation or warranty by the District of the legality, suitability, or quality of the same or content thereof.

6.5 **Reservation of Rights.** The District reserves the right to use its own staff or any other third-party to provide the same or similar goods and/or services to the Goods and/or Services described herein.

7. **Tax Exemption.** The District is exempt from Federal Excise, State or City Sales Tax under State Law and such obligations are included in the price under this Contract. The District will furnish a tax exemption certificate, if required.

8. **Invoicing and Payment.** Compensation to Vendor is set forth on Exhibit "C," attached hereto and incorporated herein. Except as otherwise provided in Exhibit "C," Vendor shall invoice the District on or before the thirtieth (30th) day of each month, for the portions of the Goods delivered and accepted and/or Services performed during the preceding month at rates set forth on Exhibit "C." Reimbursable Expenses are included in the hourly rate or not to exceed pricing for Services unless specifically excluded. If excluded, Reimbursable Expenses will be itemized separately and documented by receipts for invoicing purposes. Invoices for Goods and/or Services shall not include Federal Excise, State or City Sales Tax for which an Independent School District is exempt under State law. The District shall furnish a tax exemption certificate, if required. The aggregate compensation from the District to Vendor for the Goods and/or Services shall not exceed the maximum figures stated in Exhibit "C." Vendor shall not be entitled to receive payments or amounts under the Contract in excess of the amounts appropriated for the then-current budget period of the District. The District shall make payment to the Vendor for amounts determined to be properly due, not later than thirty (30) days after its receipt of the Vendor's invoice or as required by the Texas Prompt Payment Act (Chapter 2251 of the Texas Government Code) or its successor. The maximum interest rate on any past due payments by the District to Vendor shall be limited to the rate provided by Section 2251.025 of the Texas Government Code or its successor. The District shall not be required to make any payments to Vendor at any time Vendor is in default under this Contract.

9. **Confidential/Proprietary Information.**

9.1 **Confidential Information/Materials.** Vendor understands that, during the term of this Contract, Vendor will have access to certain information belonging to the District and designated as confidential by the District or not generally known by non-District personnel (collectively, the "Confidential Information"). During the term of this Contract and at all times thereafter, Vendor shall not, without the prior written consent of the District, do any of the following, directly or indirectly: (a) use any of the Confidential Information for Vendor's own purposes or for the purposes of any person or entity other than the District; and/or (b) disclose any of the Confidential Information to any third party, except as reasonably and in good

faith required in connection with performance of this Contract by Vendor. Vendor further shall take all steps necessary to prevent disclosure of Confidential Information by any other person or entity, during the term of this Contract and at all times thereafter, without the prior written consent of the District. All data, disks, lists, financial records, other records, documents, property, information, specifications, and materials of the District relating to the Goods and/or Services provided to Vendor during the term of this Contract, as well as all copies thereof (collectively the "Materials"), shall be and remain the sole and exclusive property of the District. None of the Materials shall be retained by Vendor, or shall be transmitted to anyone at any time, either now or in the future, except as reasonably and in good faith required in connection with performance of this Contract by Vendor. Upon termination of this Contract, or upon request by the District, Vendor shall promptly return the Materials to the District. The Materials are included within the definition of Confidential Information. Vendor further agrees that, if it receives information or records concerning any student, it shall not disclose the same, except as permitted by the Family Educational Rights and Privacy Act a/k/a FERPA.

9.2 Intellectual Property Rights. If Vendor, as part of the delivery of the Goods and/or Services, will be working with the District, [all references to Vendor and District in this paragraph shall include their respective agents, employees and representatives], to create and/or develop materials or other work products, including visual, audio, written and graphic material (the "Resulting Work Product") for which the Vendor will receive any consideration provided for in this Contract, the Resulting Work Product (including all of Vendor's contributions to the creation or development of the Resulting Work Product), and any state or federal trademark rights, copyrights, patents or other intellectual property rights associated with the Resulting Work Product (collectively, the "Intellectual Property Rights") will at all times remain the exclusive property of the District. Vendor agrees to assist the District in any way necessary, including executing any assignments or other documents, required to document the District's ownership rights in the Resulting Work Product and the associated Intellectual Property Rights, as applicable; including taking any action necessary for the District to secure state or federal registration of its Intellectual Property Rights in the name of the District. No separate or additional consideration, other than the consideration paid under this Contract, will be provided by the District for any provision of any assignments or conveyance of the Resulting Work Product, or of Intellectual Property Rights associated with the Resulting Work Product. The Vendor shall assure that its authorized subcontractors or agents, not under its control as employees, are aware of this provision and are contractually bound thereby. To the extent Vendor's products under this Contract are commercially available off the shelf products, this section does not apply to customization of those commercially available off the shelf products.

10. Vendor Records and Retention. The District or its authorized representative shall be afforded unrestricted access to and be permitted to inspect and copy all of the Vendor's records, which shall include but not be limited to accounting records (hard copy as well as computer readable data), correspondence, instructions, drawings, receipts, vouchers, memoranda and similar data relating to this Contract. The Vendor shall preserve all such records for a period of five (5) years, after the District makes final payment and all other pending matters are closed, or for such longer period as may be required by law, after final payment under this Contract, including any extension thereof. To the extent that the requirements of 2 CFR § 200.333 apply to the Contract, financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award, must be retained for the Vendor for only the period required by 2 CFR § 200.333 and the five (5) year requirement of this provision shall apply to all other documents. If no federal funds are expended by the District for the Contract, the five (5) year retention requirement provided herein will apply.

For a Contract involving at least \$1 million in Goods/Services, the following provision shall apply: Vendor shall preserve for the duration of this Contract all "contracting information" within the meaning of Texas Government Code Section 552.003(1-a) et. seq. relating to this Contract (the "Contracting Information") as provided by the records retention requirements applicable to the District. Vendor shall provide to the District, upon its request, any Contracting Information that is in the custody or possession of Vendor. Upon completion of this Contract, Vendor shall either provide at no cost to the District all Contracting Information in the custody or possession of Vendor or instead preserve all Contracting Information as provided by the records retention requirements applicable to the District. Pursuant to Texas Government Code Section

552.372(b), the following notice is given to Vendor: The requirements of Subchapter J, Chapter 552, Government Code, may apply to this Contract, and Vendor agrees that the Contract can be terminated if Vendor knowingly or intentionally fails to comply with a requirement of that Subchapter.

11. Indemnification.

11.1 General Indemnification. Vendor agrees to INDEMNIFY, DEFEND, AND HOLD HARMLESS the District and its trustees, officers, agents, representatives and employees (collectively, the "Indemnified Parties") from and against, any and all claims, causes of action, liability, lawsuits, judgments, costs, liens, losses, expenses, fees (including reasonable attorney's fees and costs of defense), proceedings, actions, demands, and suits of any kind and nature, including but not limited to, personal injury (including death), property damage, or other harm for which recovery of damages is sought that may arise out of or be caused by the negligent or intentional act, error, or omission of Vendor, or that of its agent, officer, representative, employee, or sub-consultant (collectively "Vendor Affiliate") while in the exercise or performance of the rights or obligations under this Contract. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of the Indemnified Parties, in instances where such negligence causes personal injury, death, or property damage. In the event Vendor and/or a Vendor Affiliate and any Indemnified Party are found jointly liable by a Court of competent jurisdiction, liability shall be apportioned comparatively in accordance with the laws of the State of Texas, without, however, waiving any governmental immunity available to the District, its employees/officials under Texas law and without waiving any defenses of District its employees/officials under the Texas Tort Claims Act or other Texas law. Vendor shall promptly advise District, in writing, of any claim or demand against an Indemnified Party, Vendor and/or a Vendor Affiliate known to Vendor, related to or arising out of activities of Vendor and/or a Vendor Affiliate under this Contract. The provisions of this Section are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

11.2 Intellectual Property Rights Indemnification. Vendor shall INDEMNIFY, DEFEND, AND HOLD HARMLESS the District, its elected officials, employees, officers, and representatives harmless from and against any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees) for infringement of any patent, copyright or similar property right including, but not limited to, misappropriation of trade secrets and any infringement by Vendor and its employees and consultants, in connection with any license provided, any deliverable or any Service furnished hereunder, and used by either the District or Vendor within the scope of this Contract (unless said infringement results directly from Vendor's compliance with District's written standards or specifications).

11.3 Defense Counsel. In connection with any indemnification obligation in this Section 11, District, in its sole discretion shall have the right to approve or select defense counsel to be retained by Vendor in fulfilling its indemnity obligation hereunder, unless such right is expressly waived by District in writing. District reserves the right to provide a portion, or all of its own defense, at its own expense; however, District is under no obligation to do so. Any such action by District is not to be construed a waiver of Vendor's obligation to defend District or a waiver of Vendor's obligation to indemnify District pursuant to this Section. Vendor shall retain District-approved defense counsel within seven (7) business days of District's written notice that District is invoking its right to indemnification under this Contract. If Vendor fails to retain counsel within such time period, District shall have the right to retain defense counsel on its own behalf, and Vendor shall be responsible for all costs incurred by District until such time as the Vendor provides a defense.

11.4 Indemnity Survival. The provisions of this Section 11 are solely for the benefit of the parties hereto, and not intended to create or grant any rights, contractual or otherwise, to any other person or entity and the obligations herein shall survive the termination or expiration of this Contract.

12. Work On School District Campuses.

12.1 Notice Before Entry During School Hours and Decorum on District Campuses. Vendor acknowledges that work may be performed in connection with an educational facility that is currently

occupied and in use. It is imperative that Vendor's deliveries and/or performance of Services not interfere with, interrupt, disturb, or disrupt District's normal operations or facilities. During school hours, when entry is not made on an emergency basis, Vendor shall notify the District in advance and arrange an escort for Vendor's representative.

12.2 Compliance with Campus Rules. Vendor agrees to and shall comply with all rules, regulations and requirements of the District and the school campus on which work is to be performed, and shall take all steps necessary to protect and guard the safety of the employees, students and invitees of District. Vendor recognizes the ongoing school activities in proximity with its onsite activities shall result in the need for prompt and effective coordination of its Services with those involved in the ongoing use of the premises. The Vendor shall not permit employment of unfit persons or persons not skilled in tasks assigned to them. The Vendor shall be responsible for the actions of its employees and its subcontractors. The Vendor recognizes the site is a public-school campus, and will prohibit the possession or use of alcohol, controlled substances, tobacco, and any prohibited weapons on the site and shall require adequate dress of the Vendor's forces consistent with the nature of the work being performed.

13. Criminal Background Checks. Vendor shall comply at its sole expense with the requirements of Section 22.0834 of the Texas Education Code, "Criminal History Record Information Review of Certain Contract Employees," any applicable rule(s) adopted by the Texas Commissioner of Education, District Board Policy CH (Legal) and (Local), and other policies and administrative requirements relating to or arising from such statute and rule(s); shall ensure that no covered employee of Vendor or of any subcontractor [if authorized] with a disqualifying criminal history performs Services under the award at or for the District; and shall timely provide written certifications thereunder in such form and substance as requested by the District. Vendor understands that any failure to comply with the requirements of this Section may be grounds for termination of its Contract with the District.

14. Relationship. This Contract does not constitute a joint venture or partnership of any kind between the parties hereto. In addition, the parties expressly understand and agree the provision of Goods and/or Services is and shall be considered independent contractor work performed by Vendor, using Vendor's own talents, contacts, tools, vehicles, and equipment, and that nothing in this Contract in any way creates an express or implied contract of employment between the District and Vendor. Vendor is not and shall not be an employee of the District for any purpose. Vendor is exclusively responsible for all administrative matters relating to its status hereunder or the Goods and/or Services, including without limitation, travel, lodging, and other expenses, any withholding and payment of all federal, state and local income taxes, FICA, FUTA, or other employment-related taxes, workers' compensation insurance, fringe benefit programs, or other benefits of any kind. Vendor represents that it is an independent contractor providing goods and/or services for hire similar to the Goods and/or Services to the general public, that it has full authority and capacity to enter into this Contract and provide the Goods and/or Services, and that execution or performance of this Contract by Vendor shall not violate any other agreement or covenant or any law.

15. Federal Edgar Provisions. Vendor acknowledges in the event federal funds are used to fund the Goods and/or Services delivered under the Contract, Vendor will abide by all applicable federal laws, rules, and regulations, executive orders, and policies, procedures and directives applicable to the Contract, including but not limited to the following:

15.1 Contractual Remedies. Vendor agrees that it will comply with all administrative, contractual, legal remedies, sanctions, and penalties for violation or breach that are included in this Contract.

15.2 Wage and Hour Requirements. To the extent this Contract involves the employment of mechanics or laborers, Vendor agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5), which requires Vendor to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. This provision will

not apply to the District's purchases from Vendor of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

15.3 Clean Air Act and EPA. Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 USC 7401 -7671q) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387) and agrees to promptly notify the District of any violation.

15.4 Debarment and Suspension. Vendor has certified that neither the Vendor nor its principals were listed on the government-wide exclusions in the System for Award Management ("SAM") that neither the Vendor nor its principals are debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549 at the time this Contract was executed. Vendor further agrees on behalf of itself and its principals, to immediately provide written notification to the District if, at any time following execution of this Contract, Vendor or one of its principals learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances, or if Vendor or one of its principals is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Failure to notify the District of erroneous information within five (5) business days of change in circumstances shall be grounds for immediate termination, but termination of Vendor shall not be an election of remedy by the District.

15.5 Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352. Vendor confirms its certification to the District that:

A. No Federal appropriated funds have been paid or will be paid, by or on behalf of Vendor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

B. Vendor further certifies that if any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. Vendor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, Vendor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., providing administrative remedies for false statements, apply to this certification and disclosure, and that this certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). G. in the event of Vendor's non-compliance with the nondiscrimination clauses of the Contract or with any of such rules, regulations, or orders, the Contract may be canceled, terminated or suspended in whole or in part and the Vendor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law; and

Vendor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance; provided, however, that in the event Vendor

becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Vendor may request the United States to enter into such litigation to protect its interests.

15.9 Termination for Convenience. Notwithstanding any provision to the contrary contained in this Contract, if federal funds are used to fund the purchase represented by this Contract, the District reserves the right to terminate this Contract for convenience. DATA SHARING AGREEMENT

This Data Sharing Agreement (the "Agreement") is incorporated to this Contract and is agreed to by Vendor.

1. DEFINITION, USE, AND TREATMENT OF DATA.

- A. "Data" shall mean all student data, metadata, user content, course content, materials, and any and all data and information relating to the District, its business and educational practices, its intellectual property, or data relating to any of its employees, directly or indirectly provided by the District, or any end user(s) or contractor thereof, to or collected by Vendor. "Data" specifically includes all personally identifiable information in education records, directory data, and other non-public information. The District shall not be obligated to provide any Data except as expressly stated on Exhibit "D-1", attached hereto and incorporated. "Services" shall mean the services Vendor will provide to or for the benefit of the District as described in this Contract.
- B. The District owns and retains all rights, title, and interest to, or has appropriate possessory rights in, Data. Vendor makes no claim of license, title, or ownership to or in the Data.

- D. **The Data is being provided and/or collected on an AS IS basis and the District does not make and Vendor does not rely upon, any express or implied representation, warranty or guarantee as to the accuracy or completeness thereof.**

2. PURPOSE, SCOPE, AND DURATION.

The Parties acknowledge that the District is subject to the Family Educational Rights and Privacy Act (20 U.S.C. 1232(g)) ("FERPA"), which federal law and supporting regulations generally address certain obligations of an educational agency or institution that receives federal funds regarding disclosure of personally identifiable information in education records. The Parties agree the Data is being provided to and/or collected as part of the Services performed by Vendor on behalf of the District, and Vendor agrees not to permit identification of parents and students by individuals other than representatives that have legitimate interests in the information. Vendor is a "school official" under FERPA and has a legitimate educational interest in personally identifiable information from education records because Vendor: (1) provides a service or function for which the District would otherwise use employees; (2) is under the direct control of the District with respect to the use and maintenance of education records; and (3) is subject to the requirements of FERPA governing the use and redisclosure of personally identifiable information from education records.

- C. The Parties further acknowledge that Vendor is subject to Texas Education Code, Section 44.034; and may be subject to Subchapter D to Chapter 32 of the Texas Education Code, which protects and restricts use of certain student information, to the extent that it applies to the Data.
 - D. The Parties expect and anticipate that Vendor may receive personally identifiable information in education records from the District only as an incident of the Services. Vendor shall be permitted to use any such personally identifiable information in education records as a function of performing the Services. Vendor represents it shall not use or further disclose any personally identifiable information in education records other than as a function of performing the Services.
 - E. This Agreement becomes effective immediately upon the date of execution of this Contract and shall remain in effect during the time that Vendor provides the Services.
 - F. At the conclusion of this Agreement and Contract and if and when the Data is no longer needed or to be retained regarding the Services, Vendor agrees, at its expense, to promptly destroy or transfer to the District all Data that Vendor may have in its possession. Vendor will confirm in writing to the District when such action has been completed.
 - G. Vendor shall comply with all applicable laws in performance of the Services and in collection, use, maintenance, disclosure, or other handling of the Data, all consistent with this Contract, and shall impose by contract the requirements described in this Agreement to all contractors (if authorized) used by Vendor for performance of Services.
3. DATA COLLECTION. Vendor will only collect Data necessary to perform the Services.
 4. DATA USE. Vendor will use and retain Data only for the purpose of fulfilling the Services.
 5. MARKETING AND ADVERTISING PROHIBITED. Vendor shall not use any Data to advertise or market to students, their parents, District employees or officials, or others.
 6. SECURITY CONTROLS. Vendor shall take all reasonable measures to store and process Data. This includes implementing appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure and use. Vendor shall store the Data in accordance with applicable laws and industry best practices.
 7. NOTIFICATION OF DATA BREACH.
 - A. When Vendor becomes aware of a disclosure or security breach concerning any Data, Vendor shall immediately notify the District and take immediate steps to limit and mitigate the damage of such security breach to the greatest extent possible and to satisfy legal requirements relating to or arising from such breach.
 - B. The Parties agree any breach of the privacy and/or confidentiality obligation set forth in the Agreement may, at the District's discretion, result in the District immediately terminating this Agreement.
 8. TERMINATION. The District may terminate this Agreement at any time at its discretion upon written notification to Vendor. In the event of such termination, Vendor shall destroy or transfer Data pursuant to Section 2.F. herein.
 9. SEVERABILITY. The provisions of this Agreement are severable. If a court of competent

jurisdiction determines that any portion of this Agreement is invalid or unenforceable, the court's ruling will not affect the validity or enforceability of the other provisions of the Agreement.

10. ENTIRE AGREEMENT, APPLICABLE LAW, AND VENUE. **THIS AGREEMENT, ALONG WITH THIS CONTRACT, STATES THE FINAL AND ENTIRE AGREEMENT BETWEEN VENDOR AND THE DISTRICT WITH RESPECT TO ITS SUBJECT MATTER AND SUPERSEDES ANY PREVIOUS AND CONTEMPORANEOUS OR ORAL REPRESENTATIONS, STATEMENTS, NEGOTIATIONS, OR AGREEMENTS. Approval of FNS Software Point of Sale System, RFP #26-027

The Request for Proposal (RFP) is one (1) of seven (7) approved purchasing methods allowed under the Texas Education Code, Section 44.031, and Section 17 of the Texas Department of Agriculture's (TDA) Administrative Reference Manual (ARM) is an appropriate method of procurement. The specifications and scope of work for RFP #26-027 for FNS Software Point of Sale System were created collaboratively between the Procurement & School Resources and Food & Nutrition Services (FNS) departments to provide a comprehensive Point of Sale (POS) software solution that supports and enhances meal program operations throughout the District.

The District requested proposals for a comprehensive software for the Food and Nutrition Point of Sale (POS) system to support meal program operations across sixty-nine (69) campuses. The system will be owned and housed by District with on-premise deployment options, with service and maintenance completed by the Vendor. It will provide full integration of federal and state meal program requirements, streamline payment processing, enhance nutritional transparency, and optimize both front-of-house and back-of-house food service operations. The solution ensures complete compliance with Texas Department of Agriculture (TDA) and United States Department of Agriculture (USDA) regulations while supporting multiple federal meal programs and provisions.

The RFP was advertised in the El Paso Times newspaper for two (2) consecutive weeks and posted on the District's eBid system. Notifications were sent to seven hundred thirty-two (732) registered vendors through the District's eBid system. Twenty (20) vendors viewed the specifications from the eBid system, eight (8) vendors submitted a No Bid response, and six (6) vendors responded.

The evaluation committee consisted of Ms. Laura E. Eggemeyer, Director Food and Nutrition Services; Mr. Daniel Carrasco, Assistant Director Food & Nutrition Service (FNS) Information System; Ms. Stephanie Alvarez, Assistant Director Food and Nutrition Services; Ms. Blanka Chavez, Supervisor Food Services; Ms. Adrian E. Kamath, Supervisor Food Services; Ms. Edna G. Palacios, Supervisor Food Services; Ms. Virna L. Rey, Supervisor Food Services; and Mr. Victor Armendariz, Manager IT Program Projects. Ms. Sandra Burciaga-Velez, Buyer Food and Nutrition Services, acted as facilitator and moderator of the evaluation process. The evaluation committee met to review and evaluate a total of six (6) vendor demonstrations between April 10, 2026, and April 15, 2026. All proposals received in response to the RFP were reviewed and evaluated. Based on the initial scoring results, the two (2) highest-ranked proposers were selected to participate in the Best and Final Offer (BAFO) process. Following evaluation of the BAFO submissions, the highest-ranked proposer was determined to provide the best overall value to the District based on demonstrated service capabilities, competitive pricing, and a thorough understanding of the District's operational requirements.

The "Bidder's Preference Law" did not affect the award.

Budgeted Federal Funds will be used to support this purchase

3 GENERAL INFORMATION - Solicitation Purpose

The El Paso Independent School District is seeking to procure a comprehensive software for our Food and Nutrition Point of Sale (POS) system to support meal program operations across 69 campuses.

The software system shall be owned and housed by El Paso ISD with on-premise deployment options and serviced and maintained by the vendor.

4 NOTICES - Public Disclosure Proposal Information

Potential offerors should be aware that once a proposal is opened, all information contained therein will be available to the public unless the information is excepted from disclosure under the Texas Government Code pertaining to Public Information.

The exception that allows the District to protect that information, if released, would give an advantage to a competitor or bidder. However, the exception does not apply after the bidding is complete and the contract has been awarded. Trade Secrets, commercial or financial background data, and privileged or confidential information may be excepted from public inspection. If any information in your offer qualifies for an exception because it falls into one of the categories, it should be marked "CONFIDENTIAL," and the basis of your claim of confidentiality should be stated. Data so identified will be maintained as a protected record. Offerors who claim that information in a proposal should be protected from public disclosure after the contract award may be asked to support such a claim if the District receives a Public Information Act Request for the information and requests a determination by the Attorney General.

5 NOTICES - Cone of Silence / Anti-Lobbying Policy

The District's Cone of Silence/Anti-Lobbying Policy was adopted to ensure a fair and competitive proposing environment by preventing communication between District officials, employees, or representatives and parties involved in the proposing process that could create an unfair advantage to any party concerning the award of a District contract. This restriction extends to "thank you" letters, phone calls, emails, and any contact that results in the direct or indirect discussion of the solicitation and/or proposal submitted by the Vendor. This policy is intended to create a level playing field for all Vendors and ensure the integrity of the solicitation process. Any violation of this provision may disqualify the Vendor's response from consideration.

The Cone of Silence shall begin upon the development of the scope of work through the issuance of a request for information (RFI), request for qualification (RFQ), request for proposal (RFP), bid, or other competitive solicitation as defined in state law and shall officially end upon execution of an award by the Board and/or the execution of a negotiated contract, whichever represents the final act in the procurement process.

Regardless of the above time period, it shall not be acceptable for potential vendors to participate in discussions that determine the scope of work, strategic direction, technical specifications, or evaluation criteria of such projects.

The Cone of Silence shall apply to acquiring goods or services using the procurement methods identified in state law and renewal periods for contracts previously awarded by the Board of Trustees with renewal options.

Campaign contributions, gifts, donations, and any other items of value shall be prohibited between the parties defined above for any known contract under consideration during the cone of silence period.

The Cone of Silence/Anti-Lobbying Policy prohibits any communication or lobbying activities during the Cone of Silence period by any person, including but not limited to proposers, lobbyists or consultants of proposers, service providers, or potential vendors, and any of the following:

1. Any Board member, Superintendent, senior staff member, principal, department head, director, manager, or other District employee who influences the evaluation or selection process.
2. District Staff and Consultants, including any employee of the District, any person retained by the District as a Consultant on the project, or any person having participated in the development, design, or review of documents related to the project.
3. Members of the District's Evaluation Committee, whether District employees or outside experts appointed or selected by the District.

The Cone of Silence/Anti-Lobbying Policy does not apply to:

1. Communication with the District's Legal Services and Procurement Services staff. Such communications shall be limited to the purpose of obtaining clarification or information concerning the subject of solicitation or engaging in contract negotiations during any scheduled meeting.
2. Questions of process and procedure, including oral communications with the Executive Director of Procurement & School Resources or procurement staff assigned as the point of contact for the solicitation, provided the communications are strictly limited to matters of process or procedure already contained in the solicitation document. A minimum of ten days will be provided for questions during solicitation unless otherwise stated in the Solicitation Schedule of Events.
3. Pre-Proposal/Pre-Proposal Conferences, including oral communications at pre-proposal or pre-proposal conferences, oral presentations before selection committees, contract negotiations, and public presentations made to the District's Board of Trustees during a duly noticed public meeting.
4. Written communications to the Procurement staff member identified in the solicitation.
5. Conducting business on contracts previously executed and currently in force.

☐ Vendor will comply with the Cone of Silence Policy
(Required: Check if applicable)

30 EVALUATION - Process and Award Determination

All proposals are subject to the terms and conditions of this solicitation. Material exceptions to the terms and conditions, or failure to meet the District's minimum specifications, shall render the proposal non-responsive to the solicitation.

Any award made under this solicitation shall be made to the Vendor who provides goods or services, other than professional services as defined by Section 2254.002 of the Texas Government Code, that are determined to be the most advantageous to the District. Factors to be considered in determining the proposal most advantageous to the District are included below, and are described within the evaluation criteria described on this solicitation.

As part of the requirement to establish the responsibility of the Vendor, the District may perform a price analysis to determine the reasonableness of the price(s) at which the goods and/or services are offered. Prices that are significantly lower than the mean of all offers and that appear to be unreasonably low may be determined to be evidence of non-responsibility and cause the proposal to be rejected.

- An Evaluation Committee shall be established to evaluate proposals based solely on the Evaluation Criteria set forth within this solicitation. Factors not specified in the solicitation will not be considered. The District reserves the right to waive any minor irregularities or technicalities in the proposals received. Proposals will be evaluated individually against the requirements stated in the solicitation.
- Minor problems of completeness or compliance may be brought to the attention of the Vendor for clarification. Substantial deviations from specifications or other requirements of this solicitation will disqualify the proposal.
- Cost will not be the only consideration in the selection of short-listed proposals. A detailed evaluation of proposals will determine the most favorable combination of various elements for this solicitation. The selection of the awarded proposal will be based on what the evaluators believe to be most advantageous to the District.
- During the evaluation process, the District reserves the right, where it may serve in the District's best interest, to request additional information or clarifications from the Vendor or to allow corrections of errors or omissions.

- The Procurement & School Resources Department will arrange the presentation/interview process, if deemed necessary, for discussion and/or clarification. Points may be deducted or added to the Vendor's preliminary score as necessary by the Evaluation Committee.
- The District may request the Vendors in the competitive range ("short list" finalists) to provide an onsite demonstration of their solution at a location that resembles the scope and size of the requirements laid out within this solicitation. Vendors will be asked to provide possible site locations for these onsite demonstrations. All planning associated with the logistics of these onsite demonstrations and any costs incurred will be borne entirely by the vendor. The District will be responsible only for travel-related costs for their staff attending the agreed-upon sites.
- The District reserves the right to negotiate the final scope of services, price, schedule, and any and all aspects of this solicitation with all Vendors in the competitive range ("short list" finalists). Once negotiations are complete, the District shall establish a common date and time for submitting the Best and Final Offers. If a Vendor does not submit a notice of withdrawal of its offer or a Best and Final Offer, the Vendor's immediate previous offer shall be construed as its best and final offer.
- The best and final offers shall be evaluated in essentially the same manner as the initial offers. The contract shall be awarded to the responsible Vendor whose qualifications, price, and other factors are the most advantageous to the District.
- The District reserves the right to award this contract to one Vendor, to make multiple awards, and to award without discussions. The District may reject any or all offers if such action is in the District's interest, award a contract other than to the lowest respondent, waive informalities and minor irregularities in offers received, and award all or part of the requirements stated.
- Proposals that are considered non-responsive will not receive consideration. The District reserves the right to reconsider any proposal submitted during the evaluation process. It also reserves the right to meet with any Vendor at any time to gather additional information. Furthermore, the District reserves the right to delete, add, or modify any aspect of this procurement through competitive negotiations until the final contract signing.
- The awarded Vendor's proposal will be incorporated into the final contract. Any false or misleading statements in the proposal will be grounds for disqualification or contract termination. Submission of a proposal indicates acceptance by the Vendor of the conditions in this solicitation unless clearly and specifically noted in the proposal and confirmed in the contract between the District and the awarded Vendor.

The responsibility determination includes consideration of a Vendor's integrity, compliance with public policy, past performance with the District (if any), financial capacity, and eligibility to perform government work (e.g., debarments/suspension from any Federal, State, or local government). The District reserves the right to perform whatever research it deems appropriate to assess the merits of any Vendor's proposal.

Provide a current financial statement for your company (or individually if you are a sole proprietor) and end-of-year financial statements for the past two (2) years. 4. If not considered proprietary, please provide any recent Management Letters.

Evidence of Financial Responsibility

Submit evidence of financial responsibility. This may be a credit rating from a qualified firm preparing a credit rating or a bank reference. The District reserves the right to confirm and request clarification of all financial information provided (including requesting audited financial statements certified by an independent Certified Public Accountant) or to request documentation of the Vendor's ability to comply with all of the requirements in the Proposal Documents. Incomplete disclosures may result in a proposal being deemed non-responsive.

Note: Dun & Bradstreet has the capability to obtain information on past performance on specific contractors. Accordingly, the District may require Vendors to provide a copy of a recent past performance report prepared by Dun & Bradstreet. The Past Performance Evaluation Report provided to the Vendor by Dun & Bradstreet shall be submitted no later than 14 calendar days after request by the District. 4**CERTIFICATIONS - Conflict of Interest**

As part of the proposal submission, it is required that the Vendor comply with certification that they will disclose any conflicts of interest related to any individual associated with the District. Local Government Code, Section 176.003 (a)(2)(A) states that a local government officer shall file a conflicts disclosure statement with respect to a Vendor if the Vendor:

- has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that:
 - a contract between the local governmental entity and vendor has been executed; or
 - the local governmental entity is considering entering into a contract with the vendor.

Any sort of familial relationship must also be disclosed. Vendors are also required to certify that they do not have a "family relationship" with any individual associated with the District. "Family relationship" means a relationship between a person and another person within the third degree by consanguinity or the second degree by affinity, as those terms are defined by Subchapter B, Chapter 573, Government Code.

As a means of additional clarification, Opinion No. GA-0446 from the Office of the Texas Attorney General defines the following terms:

- Business Relationship - a connection between two or more parties based on a commercial activity of one of the parties.
- Affiliation - an association between two or more parties outside a business relationship.

Please indicate if you can comply with the certification that you will disclose if any member of your organization has a Conflict of Interest with any member of the District. 35 CERTIFICATIONS - Interlocal Cooperation Agreement

The District is permitted, under the provisions of Texas Government Code Chapter 791 and Texas Education Code Section 44.031(a)(4), to allow other local government entities ("LGEs") to utilize the pricing proposed by the successful Vendor to purchase the same goods or services; a process sometimes referred to as "piggy-backing," to satisfy the LGE's procurement requirements and streamline the purchasing process. Upon request of another LGE, the District intends to extend the final pricing terms offered by the Vendor to that that LGE as permitted by statute. By extending the solicited pricing to another LGE, the District is acting solely to streamline the procurement process for the LGE and its compliance with Texas competitive bidding requirements. The District assumes no other responsibility for the transaction, the Vendor, or the purchasing compliance of the LGE. The District shall not be responsible for any costs, damages, etc., incurred by either the Vendor or the LGE related to any purchase, failure to purchase by the other LGE, or disputes between the parties. The Vendor must deal directly with the purchasing LGE concerning the placement of orders, issuance of purchase orders, insurance certificates, contractual requirements, disputes, if any, invoicing and payment, or any other terms and conditions that the purchasing LGE may require. The actual utilization of the terms of this procurement by the purchasing LGE is at the sole discretion of the purchasing LGE.

The form requires disclosure of any "interested party" to the contract of which the contracting Vendor is aware and executed by an authorized agent of the contracting Vendor. Effective January 1, 2018, the State of Texas established an exemption to file the Form 1295. This form is not required if your company is a publicly traded business entity, including a wholly owned subsidiary of the business entity. Please select which applies to your company. Please note if your company is exempt from filing Form 1295, and provide your ticker/stock symbol for verification in the next attribute.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need to notarize a completed Form 1295. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

The amended law adds to the types of contracts exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- A sponsored research contract of an institution of higher education.
- An interagency contract of a state agency or an institution of higher education.
- A contract related to health and human services if:
 1. the value of the contract cannot be determined when the contract is executed, and
 2. any qualified vendor is eligible for the contract.

- A contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.

The newly exempt contract types are marked with an asterisk.

If claiming exemption from filing Form 1295 because the business entity is publicly traded, please provide your company's ticker/stock symbol.

38 CERTIFICATION - Criminal History Record Information (CHRI)

Texas Education Code Chapter 22 requires entities that contract with school districts to obtain Criminal History Record Information (CHRI) on covered employees. Covered employees with disqualifying criminal histories are prohibited from serving in a school district. The Vendor will be required to certify to the District that it has complied and will be required to obtain similar information from its employees, subcontractors of every tier, and independent contractors to the extent they are, or employ, covered employees. "Covered employees" are defined as all employees of a vendor or its subcontractors of any tier and individuals who are independent contractors who have or will have continuing duties related to the service to be performed at the District and have, or will have, direct contact with students. The District will be the final arbiter of what constitutes continuing duties and direct contact with students. A "disqualifying criminal history" includes the existence of one of the following offenses in the CHRI Report if at the time of the offense, the victim was under 18 or enrolled in a public school:

1. a felony offense under Title 5, Texas Penal Code;
2. an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or
3. an equivalent offense to (1) or (2) under federal law or the laws of another state.

A copy of the criminal background certification form is attached in the "Attachments" tab. The Vendor shall certify its agreement that before the commencement of performance under the awarded contract, it will timely obtain CHRI on covered employees, at its sole expense, by initialing the certification in the vendor questionnaire.

The Vendor agrees that before the commencement of performance under the awarded contract, it will timely obtain CHRI on covered employees, at its sole expense, and provide the certifications set out in the Criminal Background Certification form included in the "Attachments" tab. For information about the District's CHRI process, please visit <https://www.episd.org/o/episd/page/background-check-process>.

9**CERTIFICATION - Fingerprinting for Contractors and Subcontractors**

The criminal background check requirements for contractors and subcontractors who work at public schools were amended in June 2021. A contractor that provides services to a school district must be fingerprinted before beginning work if the contractor:

1. will have continuing duties related to the contracted services, and
2. will have the opportunity for direct contact with students.

The requirement does not apply to a contractor that performs construction, alteration, or repair of an instructional facility if the contractor uses separate sanitary facilities, installs a barrier fence, and has a policy that employees may not interact with students or enter areas used by students.

School districts lost access to the criminal history records of individuals who were previously fingerprinted by contractors. If our school district needs to review the criminal history of these individuals, we will need to fingerprint the individuals again.

Who is classified as a contractor that needs to be fingerprinted?

An individual who:

1. Is employed or offered employment by a service contractor or a subcontractor of a service contractor, is an individual independent contractor of the school entity, or is an individual subcontractor of a service contractor;
2. Has or will have continuing duties related to the contracted services
3. Has or will have direct contact with students; and

Definitions:

2.2.1 Certificate of coverage (“Certificate”). A copy of a certificate of insurance, a certificate of authority to self-insure issued by the division, or a coverage agreement (DWC Form-81, DWC Form-82, DWC Form-83, or DWC Form-84), showing

statutory workers' compensation insurance coverage for the person's or entity's employees providing services on the Project, for the duration of the Project.

2.2.2 Duration of the Project. Includes the time from the beginning of the Work on the Project until the Contractor's Work on the Project has been completed and accepted by the Owner.

2.2.3 Persons providing services on the Project ("subcontractor" in Texas Labor Code §406.096). "Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a Project. 2.10 The Contractor shall contractually require each person with whom it contracts to provide services on a Project, to:

2.10.1 provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the Project;

2.10.3 provide the Contractor, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the Project;

2.10.4 obtain from each other person with whom it contracts, and provide to the Contractor:

(a) a certificate of coverage, prior to the other person beginning Work on the Project; and

(b) a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the Project;

2.10.5 retain all required certificates of coverage on file for the duration of the Project and for one (1) year thereafter;

2.10.6 notify the Owner in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project; and

2.10.7 contractually require each person with whom it contracts, to perform as required by Subparagraphs 2.10.1 – 2.10.7 with the certificates of coverage to be provided to the person for whom they are providing services.

2.11 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the Owner that all employees of the Contractor who will provide services on the Project will be covered by workers' compensation coverage for the duration of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the Texas Department of Insurance, Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

2.12 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the Owner to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the Owner. [28 TAC §110.110(c)(7)]

3. Commercial General Liability Insurance. Contractor shall maintain commercial general liability insurance with a combined single line of not less than One Million and No Dollars (\$1,000,000.00) covering claims for damages because of bodily injury, sickness or disease, death and property damage, with an endorsement naming Owner as Additional Insured. 3 GENERAL INFORMATION - Solicitation Purpose

The El Paso Independent School District is issuing this Request for Qualifications to identify and select a highly experienced Bond Project Management Firm to provide comprehensive program management and owner's representative services in support of an anticipated bond program approaching one billion dollars, subject to voter approval in the November election. The selected firm will serve as a direct extension of El Paso Independent School District, TX's staff and will be responsible for the integrated delivery of engineering, construction management, technology infrastructure, and educational facility expertise across the full lifecycle of bond-funded projects.

4 NOTICES - Public Disclosure Proposal Information

Potential offerors should be aware that once a proposal is opened, all information contained therein will be available to the public unless the information is excepted from disclosure under the Texas Government Code pertaining to Public Information.

The exception that allows the District to protect that information, if released, would give an advantage to a competitor or bidder. However, the exception does not apply after the bidding is complete and the contract has been awarded. Trade Secrets, commercial or financial background data, and privileged or confidential information may be excepted from public inspection. If any information in your offer qualifies for an exception because it falls into one of the categories, it should be marked "CONFIDENTIAL," and the basis of your claim of confidentiality should be stated. Data so identified will be maintained as a protected record. Offerors who claim that information in a proposal should be protected from public disclosure after the contract award may be asked to support such a claim if the District receives a Public Information Act Request for the information and requests a determination by the Attorney General.

5 NOTICES - Cone of Silence / Anti-Lobbying Policy

The District's Cone of Silence/Anti-Lobbying Policy was adopted to ensure a fair and competitive proposing environment by preventing communication between District officials, employees, or representatives and parties involved in the proposing process that could create an unfair advantage to any party concerning the award of a District contract. This restriction extends to "thank you" letters, phone calls, emails, and any contact that results in the direct or indirect discussion of the solicitation and/or proposal submitted by the Vendor. This policy is intended to create a level playing field for all Vendors and ensure the integrity of the solicitation process. Any violation of this provision may disqualify the Vendor's response from consideration.

The Cone of Silence shall begin upon the development of the scope of work through the issuance of a request for information (RFI), request for qualification (RFQ), request for proposal (RFP), bid, or other competitive solicitation as defined in state law and shall officially end upon execution of an award by the Board and/or the execution of a negotiated contract, whichever represents the final act in the procurement process.

Regardless of the above time period, it shall not be acceptable for potential vendors to participate in discussions that determine the scope of work, strategic direction, technical specifications, or evaluation criteria of such projects.

The Cone of Silence shall apply to acquiring goods or services using the procurement methods identified in state law and renewal periods for contracts previously awarded by the Board of Trustees with renewal options.

Campaign contributions, gifts, donations, and any other items of value shall be prohibited between the parties defined above for any known contract under consideration during the cone of silence period.

The Cone of Silence/Anti-Lobbying Policy prohibits any communication or lobbying activities during the Cone of Silence period by any person, including but not limited to proposers, lobbyists or consultants of proposers, service providers, or potential vendors, and any of the following:

1. Any Board member, Superintendent, senior staff member, principal, department head, director, manager, or other District employee who influences the evaluation or selection process.
2. District Staff and Consultants, including any employee of the District, any person retained by the District as a Consultant on the project, or any person having participated in the development, design, or review of documents related to the project.
3. Members of the District's Evaluation Committee, whether District employees or outside experts appointed or selected by the District.

The Cone of Silence/Anti-Lobbying Policy does not apply to:

1. Communication with the District's Legal Services and Procurement Services staff. Such communications shall be limited to the purpose of obtaining clarification or information concerning the subject of solicitation or engaging in contract negotiations during any scheduled meeting.
2. Questions of process and procedure, including oral communications with the Executive Director of Procurement & School Resources or procurement staff assigned as the point of contact for the solicitation, provided the communications are strictly limited to matters of process or procedure already contained in the solicitation document. A minimum of ten days will be provided for questions during solicitation unless otherwise stated in the Solicitation Schedule of Events.
3. Pre-Proposal/Pre-Proposal Conferences, including oral communications at pre-proposal or pre-proposal conferences, oral presentations before selection committees, contract negotiations, and public presentations made to the District's Board of Trustees during a duly noticed public meeting.
4. Written communications to the Procurement staff member identified in the solicitation.
5. Conducting business on contracts previously executed and currently in force.

☐ Vendor will comply with the Cone of Silence Policy
(Required: Check if applicable)

CRITERION DESCRIPTION

1. Qualifications and Relevant Experience (14 POINTS)

Firms must first meet minimum qualifications before their submissions are evaluated further. Responses will be assessed on the depth and direct relevance of the firm's experience managing K-12 bond programs and capital improvement programs of comparable scale and complexity to the anticipated program at El Paso Independent School District, TX. The firm's demonstrated track record of delivering K-12 bond program projects on schedule and within approved budgets will be reviewed through verifiable project references and outcome documentation. Experience managing multi-project bond programs involving simultaneous construction on occupied school campuses will be assessed as a distinct component of this criterion.

2. Proposed Staffing Plan and Key Personnel Qualifications (11 POINTS)

Evaluators will assess the quality, experience, and availability of all named key personnel proposed for assignment to this engagement. The proposed Program Director or Program Executive will be evaluated based on their experience managing K-12 bond programs of comparable scale, their demonstrated ability to serve as the primary relationship manager with school district leadership and a Board of Trustees, and their history of overseeing programs of the anticipated magnitude at El Paso Independent School District, TX. Evaluators will confirm that all proposed key personnel meet or exceed the five-year minimum experience requirement in K-12 school construction or bond program management and assess whether the plan demonstrates a sufficient on-site presence in El Paso, TX to meet the operational demands of a program of this scale.

3. Program Management and Owner's Representative Technical Approach (10 POINTS)

Evaluators will assess the thoroughness and practicality of the firm's proposed approach to establishing and operating a centralized program management office on behalf of El Paso Independent School District, TX. The firm's proposed program management information system will be evaluated for its ability to integrate cost, schedule, document control, and reporting functions in a manner accessible to El Paso Independent School District, TX staff. The approach to risk management, including the identification, monitoring, and mitigation of risks across a large multi-project portfolio, will be reviewed for depth and practicality.

4. Construction Management and Engineering Coordination Approach (15 POINTS)

Evaluators will review the firm's proposed approach to providing active, on-site construction management oversight across all bond-funded projects at El Paso Independent School District, TX. The proposed quality control and quality assurance protocols, and how they will be applied consistently across all trades and construction activities, will be evaluated for rigor. The firm's approach to monitoring contractor safety programs, documenting contractor performance, and administering construction contracts on behalf of El Paso Independent School District, TX will be reviewed.

5. Technology Infrastructure Project Management Approach (12 POINTS)

Evaluators will assess the firm's proposed approach to managing technology infrastructure projects as a fully integrated component of the overall bond program rather than as a standalone service. The firm's approach to ensuring technology designs are aligned with pedagogical goals, the District's technology standards, and future scalability requirements will be evaluated. Evaluators will assess how the firm proposes to manage technology vendors and integrators as part of the broader project team and how their work will be coordinated with civil,

architectural, and MEP construction activities.

6. K-12 Educational Facility Expertise and Knowledge of Texas Regulatory Requirements (12 POINTS)

Evaluators will assess the depth of the firm's institutional knowledge of K-12 educational facility planning, design standards, and operational requirements as they apply specifically to Texas public school construction. The firm's demonstrated knowledge of Texas Education Agency facility requirements, Americans with Disabilities Act standards, and other regulations applicable to public school facilities in Texas will be evaluated. The firm's ability to provide guidance on educational programming and space planning to support contemporary instructional models will be reviewed.

7. Local and Regional Presence and Operational Capacity (12 POINTS)

Evaluators will assess the firm's ability to establish and maintain a local or regional presence in El Paso, TX sufficient to support the operational demands of a program of the anticipated scale. Responses will be reviewed for evidence of an existing office presence, a proposed plan for establishing a local office, or a clear commitment to providing on-site staffing at active project locations in El Paso, TX. The firm's demonstrated capacity to deploy sufficient personnel resources, both on-site and off-site, to manage simultaneous construction activities across multiple campuses within El Paso Independent School District, TX will be evaluated. The firm's plan for coordinating with local subcontractors, vendors, consultants, and regulatory agencies operating in El Paso, TX will also be assessed under this criterion.

8. References and Past Performance (14 POINTS)

Evaluators will contact provided references to verify the accuracy of information submitted and to assess past performance on comparable bond program engagements. References from K-12 school districts in Texas will be weighted most heavily, with emphasis placed on programs of comparable scale and complexity. Evaluators will assess feedback received regarding the firm's responsiveness to client needs, quality of deliverables, adherence to schedules and budgets, staff performance, transparency in reporting, and overall effectiveness as an owner's representative and program manager.

2 9 EVALUATION - Minimum Point for Multi-Award Consideration

It is the District's intent to award contracts to multiple vendors to ensure the District's demands are met at all times and that those vendors offer the best value to the District. The District reserves the right to issue multiple vendor awards per category, in its best interest, in order to ensure supply availability as required. The District, at its discretion, may select among qualified vendors who have been selected through the solicitation process. The quote process will consider not only price, but also the availability of goods and the delivery timeline. This process will ensure that the District obtains the best value in all purchases.

For this solicitation, the District reserves the right to award to multiple vendors, based on the evaluation criteria outlined. Please note that only those proposals receiving an evaluation score of seventy (70) points or higher of the total maximum possible score, as identified in the Evaluation Criteria, will be considered for award. Consideration of the award, however, does not guarantee the award.

3 0 EVALUATION - Process and Award Determination

All proposals are subject to the terms and conditions of this solicitation. Material exceptions to the terms and conditions, or failure to meet the District's minimum specifications, shall render the proposal non-responsive to the solicitation.

Any award made under this solicitation shall be made to the Vendor who provides goods or services, other than professional services as defined by Section 2254.002 of the Texas Government Code, that are determined to be the most advantageous to the District. Factors to be considered in determining the proposal most advantageous to the District are included below, and are described within the evaluation criteria described on this solicitation.

As part of the requirement to establish the responsibility of the Vendor, the District may perform a price analysis to determine the reasonableness of the price(s) at which the goods and/or services are offered. Prices that are

significantly lower than the mean of all offers and that appear to be unreasonably low may be determined to be evidence of non-responsibility and cause the proposal to be rejected.

- An Evaluation Committee shall be established to evaluate proposals based solely on the Evaluation Criteria set forth within this solicitation. Factors not specified in the solicitation will not be considered. The District reserves the right to waive any minor irregularities or technicalities in the proposals received. Proposals will be evaluated individually against the requirements stated in the solicitation.
- Minor problems of completeness or compliance may be brought to the attention of the Vendor for clarification. Substantial deviations from specifications or other requirements of this solicitation will disqualify the proposal.
- Cost will not be the only consideration in the selection of short-listed proposals. A detailed evaluation of proposals will determine the most favorable combination of various elements for this solicitation. The selection of the awarded proposal will be based on what the evaluators believe to be most advantageous to the District.
- During the evaluation process, the District reserves the right, where it may serve in the District's best interest, to request additional information or clarifications from the Vendor or to allow corrections of errors or omissions.
- The Procurement & School Resources Department will arrange the presentation/interview process, if deemed necessary, for discussion and/or clarification. Points may be deducted or added to the Vendor's preliminary score as necessary by the Evaluation Committee.
- The District may request the Vendors in the competitive range ("short list" finalists) to provide an onsite demonstration of their solution at a location that resembles the scope and size of the requirements laid out within this solicitation. Vendors will be asked to provide possible site locations for these onsite demonstrations. All planning associated with the logistics of these onsite demonstrations and any costs incurred will be borne entirely by the vendor. The District will be responsible only for travel-related costs for their staff attending the agreed-upon sites.
- The District reserves the right to negotiate the final scope of services, price, schedule, and any and all aspects of this solicitation with all Vendors in the competitive range ("short list" finalists). Once negotiations are complete, the District shall establish a common date and time for submitting the Best and Final Offers. If a Vendor does not submit a notice of withdrawal of its offer or a Best and Final Offer, the Vendor's immediate previous offer shall be construed as its best and final offer.
- The best and final offers shall be evaluated in essentially the same manner as the initial offers. The contract shall be awarded to the responsible Vendor whose qualifications, price, and other factors are the most advantageous to the District.
- The District reserves the right to award this contract to one Vendor, to make multiple awards, and to award without discussions. The District may reject any or all offers if such action is in the District's interest, award a contract other than to the lowest respondent, waive informalities and minor irregularities in offers received, and award all or part of the requirements stated.
- Proposals that are considered non-responsive will not receive consideration. The District reserves the right to reconsider any proposal submitted during the evaluation process. It also reserves the right to meet with any Vendor at any time to gather additional information. Furthermore, the District reserves the right to delete, add, or modify any aspect of this procurement through competitive negotiations until the final contract signing.
- The awarded Vendor's proposal will be incorporated into the final contract. Any false or misleading statements in the proposal will be grounds for disqualification or contract termination. Submission of a proposal indicates acceptance by the Vendor of the conditions in this solicitation unless clearly and specifically noted in the proposal and confirmed in the contract between the District and the awarded Vendor.

Incomplete disclosures may result in a proposal being deemed non-responsive.

Note: Dun & Bradstreet has the capability to obtain information on past performance on specific contractors. Please indicate if you can comply with the certification that you will disclose if any member of your organization has a Conflict of Interest with any member of the District. 4**CERTIFICATIONS - Interlocal Cooperation Agreement**

The District is permitted, under the provisions of Texas Government Code Chapter 791 and Texas Education Code Section 44.031(a)(4), to allow other local government entities ("LGEs") to utilize the pricing proposed by the successful Vendor to purchase the same goods or services; a process sometimes referred to as "piggy-backing," to satisfy the LGE's procurement requirements and streamline the purchasing process. Upon request of another LGE, the District intends to extend the final pricing terms offered by the Vendor to that that LGE as permitted by statute. By extending the solicited pricing to another LGE, the District is acting solely to streamline the procurement process for the LGE and its compliance with Texas competitive bidding requirements. The District assumes no other responsibility for the transaction, the Vendor, or the purchasing compliance of the LGE. The District shall not be responsible for any costs, damages, etc., incurred by either the Vendor or the LGE related to any purchase, failure to purchase by the other LGE, or disputes between the parties. The Vendor must deal directly with the purchasing LGE concerning the placement of orders, issuance of purchase orders, insurance certificates, contractual requirements, disputes, if any, invoicing and payment, or any other terms and conditions that the purchasing LGE may require. The actual utilization of the terms of this procurement by the purchasing LGE is at the sole discretion of the purchasing LGE.

Effective January 1, 2018, the State of Texas established an exemption to file the Form 1295. This form is not required if your company is a publicly traded business entity, including a wholly owned subsidiary of the business entity. Please select which applies to your company. Please note if your company is exempt from filing Form 1295, and provide your ticker/stock symbol for verification in the next attribute.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

The amended law adds to the types of contracts exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- A sponsored research contract of an institution of higher education.
- An interagency contract of a state agency or an institution of higher education.

3 7 CERTIFICATION - Criminal History Record Information (CHRI)

Texas Education Code Chapter 22 requires entities that contract with school districts to obtain Criminal History Record Information (CHRI) on covered employees. Covered employees with disqualifying criminal histories are prohibited from serving in a school district. The Vendor will be required to certify to the District that it has complied and will be required to obtain similar information from its employees, subcontractors of every tier, and independent contractors to the extent they are, or employ, covered employees. "Covered employees" are defined as all employees of a vendor or its subcontractors of any tier and individuals who are independent contractors who have or will have continuing duties related to the service to be performed at the District and have, or will have, direct contact with students. The District will be the final arbiter of what constitutes continuing duties and direct contact with students. A "disqualifying criminal history" includes the existence of one of the following offenses in the CHRI Report if at the time of the offense, the victim was under 18 or enrolled in a public school:

1. a felony offense under Title 5, Texas Penal Code;
2. an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or
3. an equivalent offense to (1) or (2) under federal law or the laws of another state.

A copy of the criminal background certification form is attached in the "Attachments" tab. The Vendor shall certify its agreement that before the commencement of performance under the awarded contract, it will timely obtain CHRI on covered employees, at its sole expense, by initialing the certification in the vendor questionnaire.

The Vendor agrees that before the commencement of performance under the awarded contract, it will timely obtain CHRI on covered employees, at its sole expense, and provide the certifications set out in the Criminal Background Certification form included in the "Attachments" tab. CERTIFICATION - Fingerprinting for Contractors and Subcontractors

The criminal background check requirements for contractors and subcontractors who work at public schools were amended in June 2021. A contractor that provides services to a school district must be fingerprinted before beginning work if the contractor:

1. will have continuing duties related to the contracted services, and
2. will have the opportunity for direct contact with students.

The requirement does not apply to a contractor that performs construction, alteration, or repair of an instructional facility if the contractor uses separate sanitary facilities, installs a barrier fence, and has a policy that employees may not interact with students or enter areas used by students.

School districts lost access to the criminal history records of individuals who were previously fingerprinted by contractors. If our school district needs to review the criminal history of these individuals, we will need to fingerprint the individuals again.

Who is classified as a contractor that needs to be fingerprinted?

An individual who:

1. Is employed or offered employment by a service contractor or a subcontractor of a service contractor, is an individual independent contractor of the school entity, or is an individual subcontractor of a service contractor;
2. Has or will have continuing duties related to the contracted services
3. Has or will have direct contact with students; and
4. Is not a student at the school entity for which the services are performed.
