Teacher salary plans are determined on an annual basis and pay increases are based on the annual raise budget approved by the Board of Trustees. At hiring, retired teachers will be placed no higher than step twenty (20), depending on verified prior experience.

**NOTES:**

The placement schedules are used to establish a minimum rate for new hires only. Experience approved by the District for placement will not exceed mid-point. The salary schedules apply to the 2025-2026 school year only. Current employees may be paid above the placement scales. Future wage increases are determined annually and are not guaranteed. Neither past nor future salaries can be predicted from the schedules.
