Late last night, the Board of Trustees voted unanimously to select Dr. Brian Lusk as the lone finalist for Superintendent of Schools of El Paso ISD.

All seven members of the El Paso ISD Board of Trustees have been committed to a superintendent search that centers students and the communities we serve.

From the beginning, we united around a clear commitment to a professional and disciplined process.

After completing interviews and assessing each candidate's experience, leadership approach, and alignment with community input, Dr. Lusk stood out as the best choice for our district.

We did this work collaboratively, respectfully, and with a unified focus on what is best for the students of El Paso ISD. We can't wait to start this new chapter.
