Attendance

We are again encouraging students to fully benefit from their education by attending school regularly. Attendance is essential for students to learn. We are committed to supporting your child's attendance and helping them access education.

To do so, we recommend the following steps:

- Please pre-arrange any absences.
- Schedule appointments on Friday or other no-school days.
- If an absence is unable to be pre-arranged, send a note with your child or contact the office as soon as possible.

If your child's absence is not pre-arranged, you will receive an automated message notifing you of your child's absence. The Harrington School District attendance policy is available in more detail in the student handbook.

Cell Phones

MS/HS Students are allowed to use their phones during breaks, lunchtime and before and after school. Use at any other time must be authorized by a staff member. Students are responsible for their devices; Harrington School District is not responsible for loss, theft, or destruction of devices on school property or at a school sponsored event. The entire policy regarding cell phones is available in the student handbook.

Transportation

Our transportation department will be reaching out to you in the days leading up to school to finialize routes and set pick-up and drop-off times. If you have questions or need to set up bus transportation, please contact Tammy Putney, 509-253-4331.
