Lakeside High School Hosts

Exploring Science

March 6th, 2026, 6:00 – 8:00 PM, Gym

STEM Night

For grades K–12 students & families

STEM Night brings the district together in a student-driven celebration of curiosity! **Explore elementary projects, high school** class and club displays, and cheer on our middle school **volunteers.** Connect with community partners showcasing **science** in the real world — a night of shared discovery!

Outdoor Pass

All 4th grade students who visit the Turnbull National Wildlife Refuge booth will receive a voucher for an **Every Kid Outdoors Pass**. This pass grants free admission to all federal lands and waters for 4th graders (and their family) until **August 31, 2026.**

Sign up for a free planetarium show, reserve your spot so you don't miss out!

Free & open to the community!
