Dear Nine Mile Falls Families and Community Members,

As we enter November, I want to begin by extending a heartfelt thank you to all of our veterans, active-duty military personnel, and their families. The freedoms we continue to enjoy in our country come with great sacrifice and service. On behalf of the Nine Mile Falls School District, THANK YOU for your commitment to our country and our communities. We are grateful for you.

Mercy Chefs Is Coming Back to Nine Mile Falls!

We have some exciting news to share! Mercy Chefs has selected Nine Mile Falls as a community to return to this holiday season to provide a special meal for our community.

Please mark your calendars!

Saturday, December 19, 2026

4:00 PM at Lakeside High School

This will be an opportunity for our community to come back together, share a meal, reconnect with one another, and celebrate the strength and resilience that continue to define Nine Mile Falls. Several months have passed since the Autumn Lane Fire impacted our community, but the importance of supporting one another and continuing our recovery remains.

We are incredibly grateful to Mercy Chefs for remembering our community and choosing to return. We hope this gathering will provide another opportunity for neighbors, families, and friends to reconnect and celebrate the people who make Nine Mile Falls such a special place to call home.

More information about the event and opportunities to volunteer will be shared in the coming weeks. We hope you will join us!

Thank You for Connecting During Fall Conferences

Thank you to all of our families who took the time to connect with teachers and staff during fall conferences in October. These conversations are an important part of building strong relationships between home and school and supporting the success of each child.

While conferences provide a valuable opportunity to discuss student progress, we encourage families to continue communicating with their child's teacher throughout the school year. Ongoing communication and positive relationships are foundational to student success. We appreciate your partnership and the important role you play in your child's education.

November Parent Engagement Meeting

Our next monthly Parent Engagement Meeting will take place:

Thursday, November 19, 2026

6:00 PM in the Lakeside High School Library

During this meeting, we will review the outcomes of the November 3rd election, discuss next steps, and review the final questions for our upcoming Family Survey, which will be shared with families later this month.

These meetings provide an opportunity for parents and community members to stay informed, share feedback, and help us continue strengthening the connection between our schools and the families we serve. We appreciate those who have participated and welcome others who would like to join us.

As always, thank you for your continued support of our students, staff, and schools. Whether you are volunteering, attending an event, encouraging a student, or simply staying connected, your involvement makes a difference in our school community.

I am grateful to be part of a community that continues to show what it means to be **9 Mile Strong** and **9 Mile Proud**!

A REASON TO RALLY

After the devastating fires that swept through our community, this is about so much more than a football field. It's an opportunity, to come together, find hope, and give our community something to celebrate.

A SOCCER FIELD

We don't have a soccer field because the grass football field can't support both teams.

A SAFE TRACK

Our track has cracks and is deteriorating.

REAL RESTROOMS

We don't have restrooms, only outhouses.

MORE SEATING

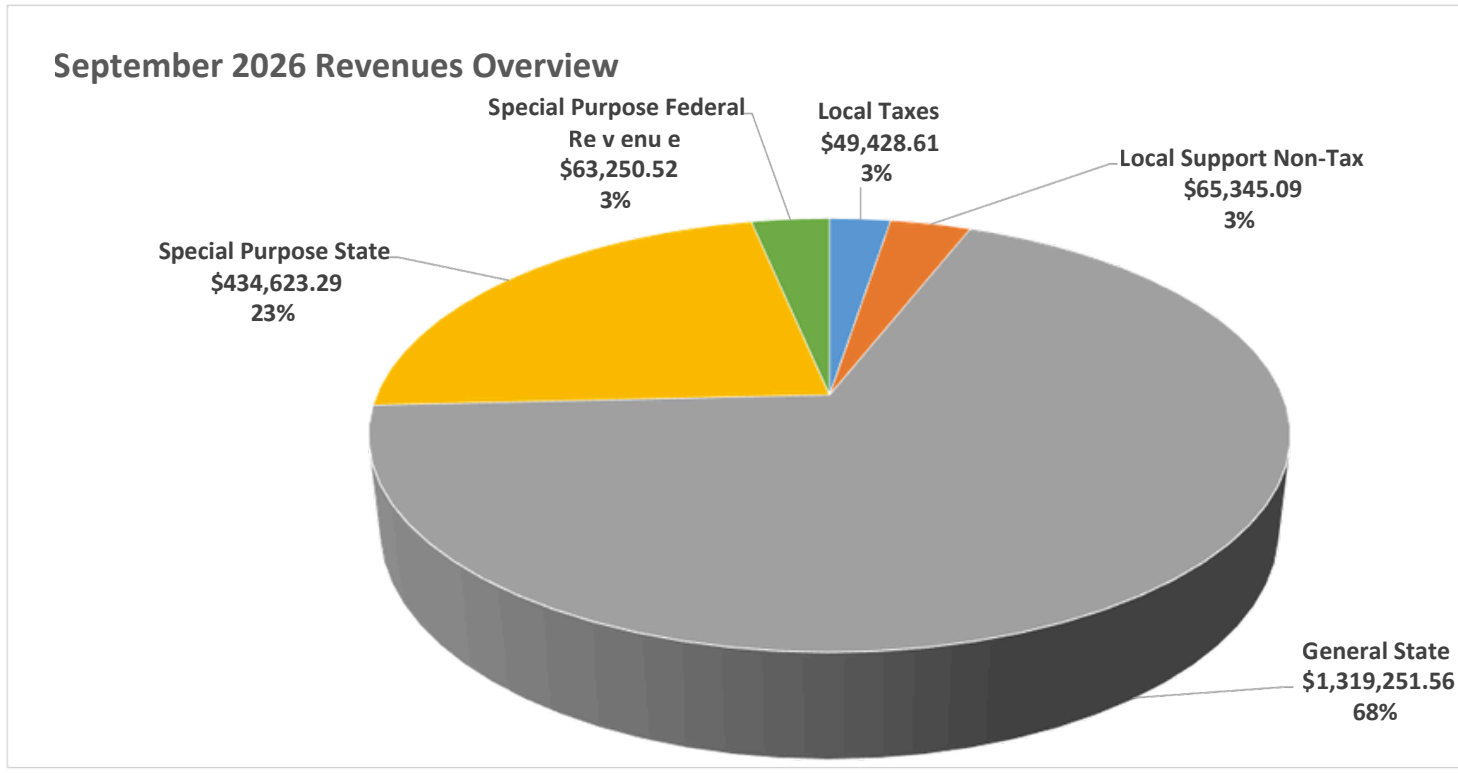

We don't have enough seating for our fans.
