**6. REGULAR AGENDA (TO BE ACTED UPON):**

**A. FINANCE:**

1. Resolution 26-09-01, A Resolution Accepting the Annual Treasurer's Report for Fiscal Year Ending April 30, 2026. Tempel explained that the report must be filed and published within 6 months of the fiscal year end, the end of October. Colravy asked where the report would be published. Tempel explained that it would be in the News Gazette. Harpst asked what would happen if there was no newspaper in the area. Chamley explains all the scenarios that would apply if a newspaper is not available. Tompkins asked if there were any other questions or comments. None were presented. Tompkins called for a motion to approve the resolution. Schriver moved and Metzger seconded. Mohr called the roll, ALL VOTES YES 6-0. The resolution is approved.

**B. ENGINEERING:**

1. Resolution 26-09-02, A Resolution in Support of an Illinois Transportation Enhancement Program (ITEP) Grant Application for the Sangamon River Shared-Use Bridge Repairs and Enhancements Hedrick explains the grant process, the public input sessions and what the project would entail. She explains that the grant is an 80/20 and the anticipated cost to the Village could be in the range of $270,000, if the grant is issued to the Village of Mahomet. Tompkins asked if there were any comments or questions, none were presented. Tompkins called for a motion to approve the resolution. Metzger moved and Willard seconded. Mohr called the roll, ALL VOTES YES 6-0. The resolution is approved.

2. Resolution 26-09-03, A Resolution in Support of an Illinois Transportation Enhancement Program (ITEP) Grant Application for Wast Mahomet Shared-Use Path Connectivity. Hedrick explained that this too was a grant program that she is hoping to be awarded. She talks about the area on the East side of town that has several gaps in the sidewalks. An example was the area between the library and Prairieview Road. Shufflebarger adds that there are some issues in the expansion in that area, the power lines, a gas main and the water main would all have to be moved. He believes these obstacles help the Village with the scoring for he grant. Shufflebarger added that the public survey and meeting was very positive. Hedrick explains that if the grant was awarded, the Village expense for the project could be around $300,000. Metzger stated that sidewalks are historically required by the developer. Hedrick acknowledged that fact and replied that in this case, she believes that the sidewalk complications could be a deterrent for a potential developer. Tompkins asked if there were any questions or comments, none were presented. Tompkins called for a motion to approve the resolution, Colravy moved and Oliger seconded. Mohr called the roll, ALL VOTES YES 6-0. The resolution is approved.

**7. MAYOR'S REPORT:** Tompkins asked if there was a planned absence, to please contact the Clerk directly. Tompkins continues stating that the joint meeting with the school board has been postponed due to the potential teacher strike and negotiations. Tompkins moved onto the IML conference that Brown, Chamley, Metzger and he attended. Metzger gave some insight into what sessions he attended and his takeaways. He added that he would like to see the Village of Mahomet's disaster plan and review it for any updates that might need to be done.
