

Dear Parents and Guardians,

Welcome to the 2026-2027 school year! We are very excited to be your child's first grade teachers.

Below are some materials that will help prepare your child for any of the first grade classes. Please understand that your child's teacher may request additional supplies and that some items may need to be replenished throughout the year.

***Headphones frequently break and will most likely need to be replaced several times throughout the school year. You may wish to purchase multiple pairs before the school year starts. We highly encourage you to work with your child on proper headphone care.**
